# BITS and PIECES

# ASSHOLE OF THE MONTH

Question: What's black and white and smears shit all over? The answer is an old, tired and bloated gasbag, a noxious Gray Lady wheezing the stale-cum breath of a sour-gut whore. As a newspaper, the *New York Times* is an upper-crust prostitutor of truth, a panderer of elitist lies and HUSTLER's August 1997 Asshole of the Month.

If you are reading this, the *New York Times* thinks you are a stupid guy. The *New York Times* has branded the HUSTLER reader a potential rapist, a murderer of women, a terrorist raging unholy war against females and goodness.

If you enjoy HUSTLER, you are also, in the estimation of the paper of record, anti-Semitic, racist and a "vulgarian."

According to Nina Bernstein, in the December 22, 1996, *New York Times*, you, whether you are browsing through HUSTLER at a newsstand or perusing in the privacy of your own home, are currently holding a magazine that is "synonymous not with sexual liberation...but with the imagery of violent sexism."

Maybe the HUSTLER consumer thinks he is laughing at a cartoon or reading an informative and entertaining article. He may honestly believe that his private study of America's Magazine is not hurting anybody, but the *New York Times* knows better. Just ask them.

Aged hag Gloria Steinem used the January 7, 1997, *New York Times* to echo dry cunt Nina Bernstein's complaint that, "In the movie [*The People vs. Larry Flynt*], Flynt is hard to hate even during his most demented period." Failed feminist Steinem is outraged that, "In this film, HUSTLER is shown as tacky at worst."

Taking advantage of nap time in the *New York Times* fact-checker lounge, vinegar face Gloria depicts HUSTLER as a repository of "women being beaten, tortured and raped, women subject to degradations from bestiality to sexual slavery."

A sentient observer might ask what fucking magazine Gloria Steinem was reading, but the *New York Times* fields no such questions.

Max Frankel, a former executive editor of the *Times*, solidified the paper's official bias in the March 16, 1997, edition of a Sunday supplement. Frankel, not quite 70 years old, has never fully recovered from his 1970s tenure as chief of the *Times*' Washington, D.C., bureau, where he missed a minor story called Watergate.

Frankel's jump onto the anti-HUSTLER bandwagon lands with both feet up his ass. He first exults with Steinem's sour-snatch feminism, then skips to a dishonest and wrong smear of our contents.

Frankel refers to a harsh exposé of the Aryan Nations World Congress in our March 1997 issue as "palpable fictions...slyly designed to stimulate fantasies...of skinhead brutalities." Frankel's lies have been addressed in a letter to the *Times*. They lack the integrity to respond.

Did Frankel adopt his stance for female rights during the infamous *Times*' smear of the woman in the William Kennedy Smith rape case in Palm Beach, Florida?

Under Frankel's executive direction, the *Times* dispatched a Boston-based reporter to Palm Beach, a man intimately connected with the Kennedys. The *Times* printed his titillating character assassination of the alleged rape victim, alluding to a "wild streak" of loose sexual behavior, bad driving, low grades and hearty partying. The *Times* also smeared the plaintiff's mother.

The *Times*' primary sources are believed to have been lawyers and private investigators working directly for the Kennedys.

Mr. Frankel of the *New York Times* suspects sly meshings of fact and fiction because of his experience in abusing them.

A supposedly unbiased story delving into HUSTLER's finances appeared in the *Times*' April 7, 1997, business section.

"Mr. Flynt's operation seems to be falling behind," editorializes Constance L. Hays. "There are signs of trouble." Ms. Hays extensively quotes a batch of negative commentators who have no knowledge of Larry Flynt Publications (LFP). An expert in newsstand sales, who believes LFP profits are very good, is buried in one small paragraph.

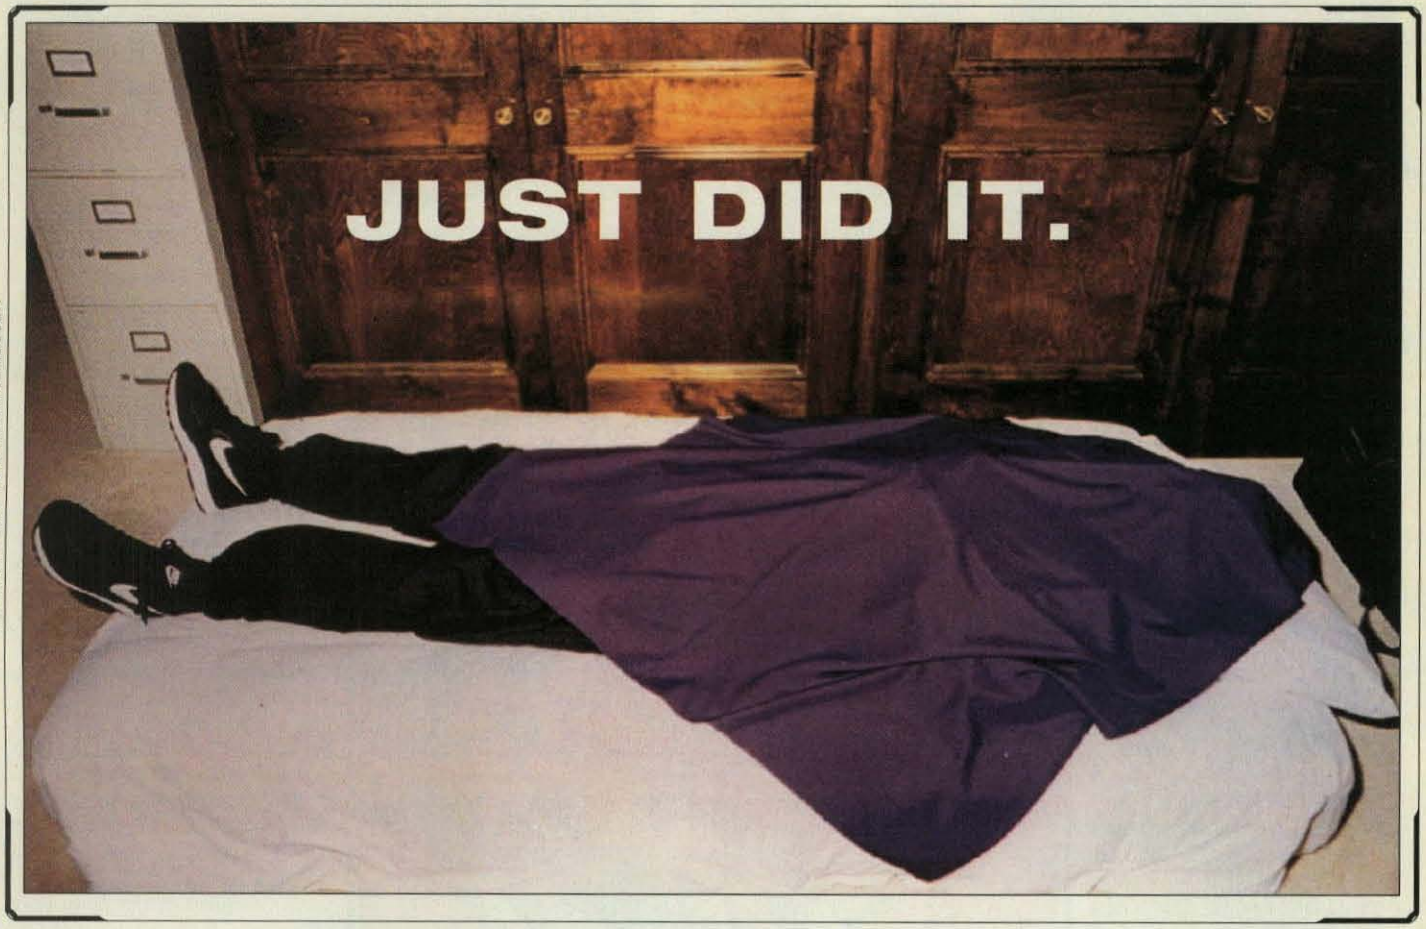

Hays accuses LFP of "underestimating the American people."

The *New York Times* overestimates itself. We print all the news as we see fit, and we see the *New York Times* as a black and white and shit all over Asshole.

## Farts in the Wind

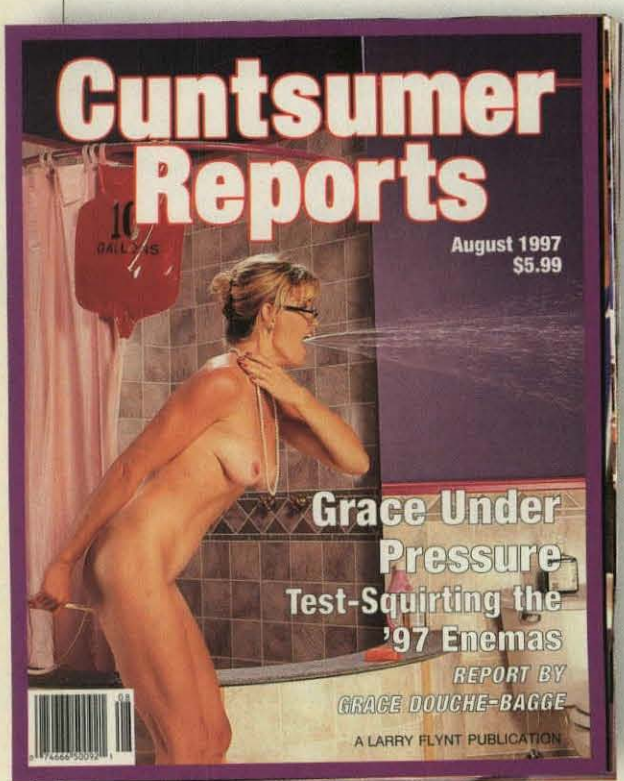

**Marshall Applewhite: If he's to be believed, Marshall Applewhite, the guru of the Heaven's Gate suicide cult, is currently surfing the cosmos as the guest of an alien spacecraft in the wake of the Hale-Bopp comet. If so, the sexually insecure control freak who coerced his feeble flock to repress their every sensual thought, to the extent of recommending castration for some of his devout male followers, is an eternally flaming Asshole.**

**Stedman Graham: Mr. Oprah Winfrey has a new book out, *You Can Make It Happen: A Nine-Step Plan for Success*. "For a long time it bothered me, being defined as Oprah's boyfriend," admits Graham, vowing that he will not plug his book on Oprah's show, unless he's invited. He and Winfrey, Graham says, enjoy talking "about how to heal the world." Most of the world is hungry, Stedman. As long as Oprah's talking, she's not eating; so keep the she-cow gabbing while the rest of us scarf a few crumbs, and that's Step Number One in being more than Oprah's Asshole.**

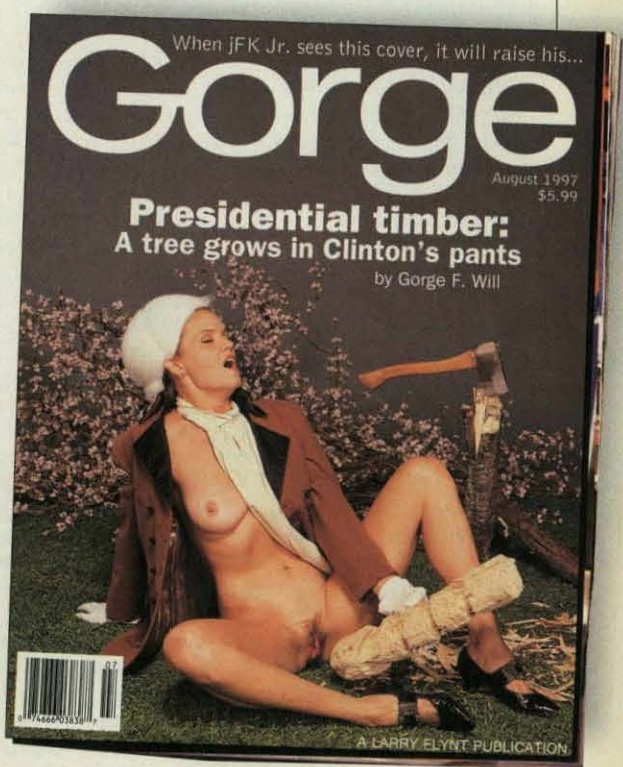

AD PARODY. NOT TO BE TAKEN SERIOUSLY.

# On the Rags

HUSTLER marches on! After successfully storming cyberspace (HUSTLER ONLINE) and the silver screen (*The People vs. Larry Flynt*), the only thing left for America's Magazine to conquer is...other magazines. Imagine if *Consumer Reports* actually featured useful product reviews, or if *George* were more than the political fanzine of an absentee publisher. After a Larry Flynt makeover, the newsstands will be black and white and pink all over.

PARODY. NOT TO BE TAKEN SERIOUSLY.

# Porn From the Past

Before the dawn of calculators, college coeds could barely count to two. The professors often put their heads together and taught with a different pocket instrument.

This gripping snapshot earns J. DiPasquale a fistful of dollars—$150, to be precise. Send dirty pictures of filthy fossils to HUSTLER's "Porn From the Past," 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211. Include a self-addressed, stamped envelope if you want the material returned.

## Kern, Baby, Kern

Richard Kern is a dirty old Manhattanite whose scalding photographs of *Noo Yawk* nubiles have graced the pages of HUSTLER, BARELY LEGAL and CHIC. His work also appears in less stimulating journals aimed at highbrows, but Kern's portraits of punky trollops are always worth a wank. Cooze in point: *New York Girls*, a glossy, oversized collection of hardcore Kern, wherein countless pierced and tattooed chickies show off their big apples. Available in museum gift shops and upscale bookstores from Taschen Publishing. For a few more Kern shots, flip to page 10 of this month's HUSTLER.

# Marilyn Manson Caught Live and Untucked

Sometimes truth is sicker than fiction. HUSTLER loves to shoot models in the filthiest scenarios imaginable and then paste on the heads of self-righteous celebrities. Finally, *Bits & Pieces* has photographic evidence of a stage and screen star so kinky, he did the dirty work for us. Marilyn Manson posed for these perverted photos before his eponymous band landed the number-one album in America's schlock parade. Back in 1994, shutterbug Richard Kern captured a young Marilyn with stars—or something—in his eyes.

*Marilyn Manson, biting as hard as his warmed-over Alice Cooper schtick.*

*Some people don't like Marilyn's music; this shot proves it's actually his fans who suck.*

# A Columbia Pictures Executive in Hell

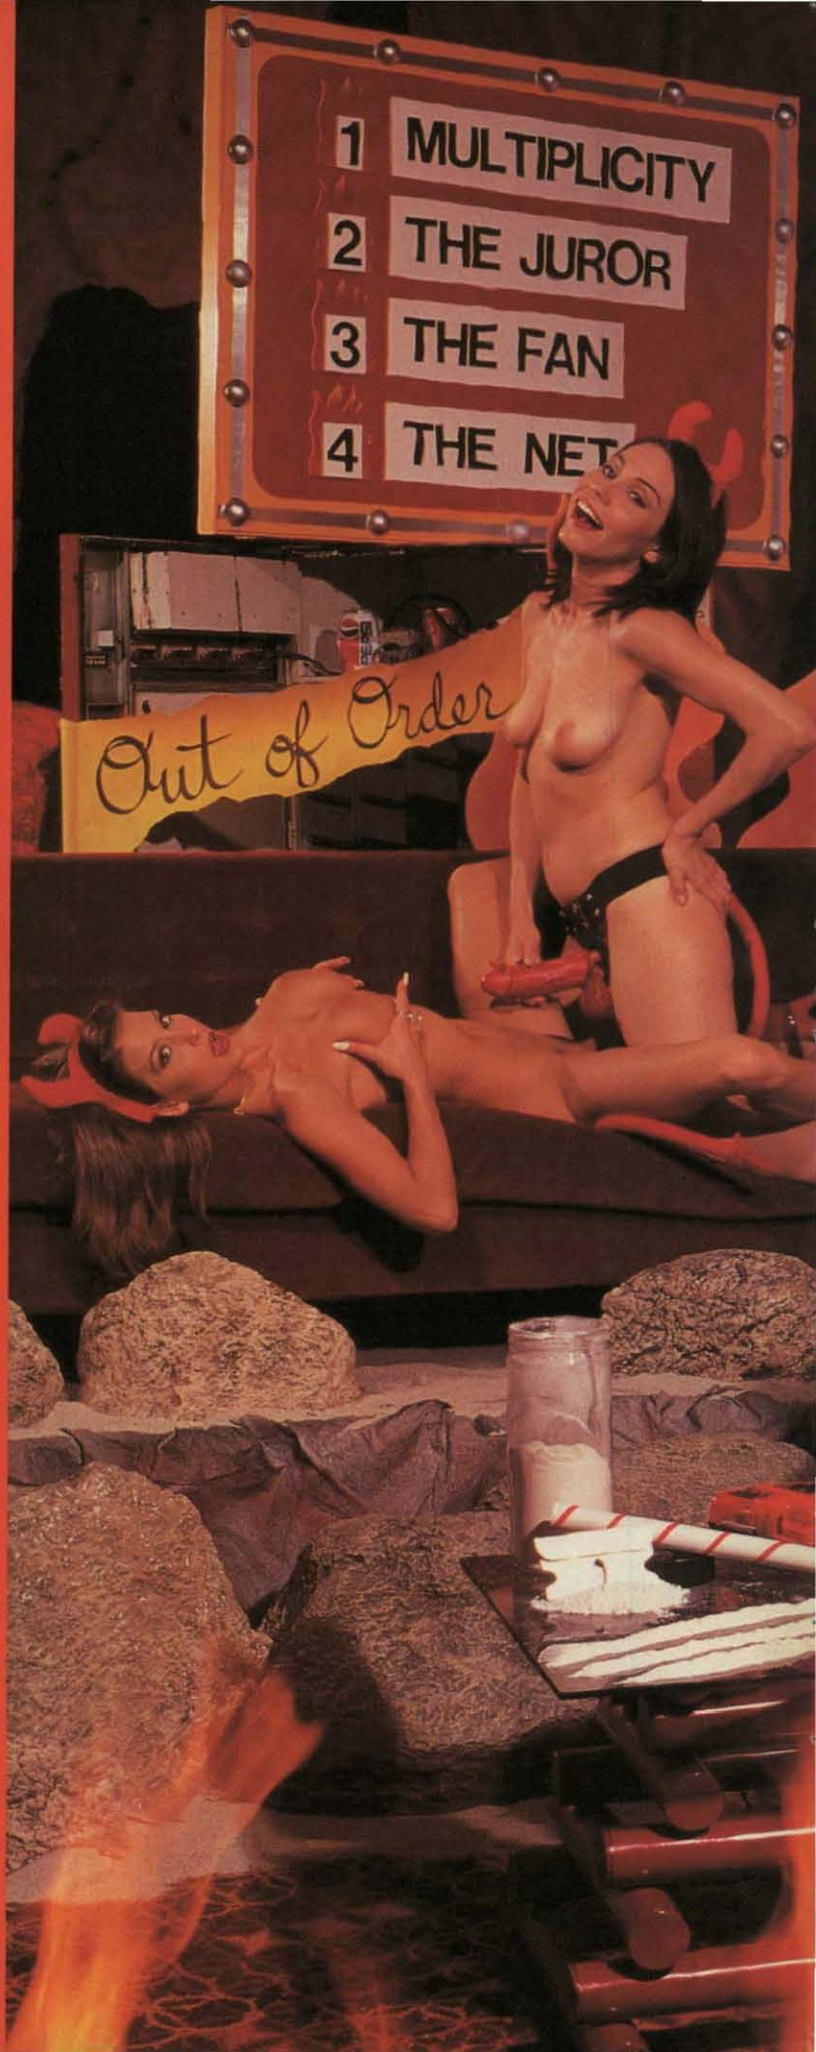

Eternal torment is what you make it. What the spineless dweebs at Columbia Pictures make are bad decisions, lousy films and ridiculously inflated salaries. After one of the worst years in the movie studio's history, highlighted only by the release of *The People vs. Larry Flynt*, a lot of high-placed executive heads are due to roll—straight to hell. Here's what overpaid industry fucks have in store when Satan says, "Let's do lunch."

1. Hell's multiplex shows Columbia bombs *Multiplicity*, *The Juror*, *The Fan* and *The Net* for all eternity.
2. The soda machine is out of order.
3. There's no room for you on the casting couch.
4. You just can't get your hands on that Oscar.
5. Your cocaine has been cut with ground glass.
6. Mike Ovitz won't return your calls; Kato Kaelin will.
7. The cleaners shrank your Armani.
8. There's not enough popcorn in your salt.
9. This year's Christmas bonus from the bosses at Sony is a hari-kari sword.
10. You must choose between your Sony cell phone and your Sony pacemaker.
11. Siskel and Ebert are farting in your Jacuzzi.
12. Alicia Silverstone made it to the concession stand before you did.
13. Dennis Rodman is your date.

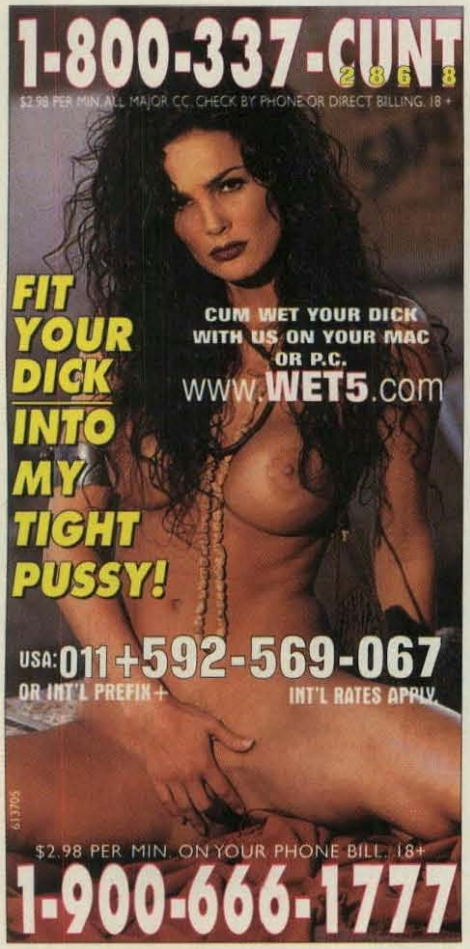

Larry Flynt has your ice water, but you didn't invite him.

Parody. Not to be taken seriously. Celebrity heads stripped onto our models' bodies. Satan has far worse punishments in store for studio executives.

## MEMO TO THE SAVVY SCAVENGER: ONE NEAR-DECAPITATION AND AN INCIDENTAL EVISCERATION EQUAL BIG $$$

INDUSTRY UPDATE BY MILES PAYTON
ILLUSTRATION BY JIM BLANCHARD

**Nicole and Ron are dead, but to the wily grub, the stench of their rotting corpses smells like sweet success. Don't miss out on all the Simpson spoils!**

O. J. Simpson's slashing cuts out of a football backfield earned him a Heisman Trophy, a Hall of Fame locker and a hefty pay stub from Hertz for attending parties and playing golf. O. J.'s slashing cuts in his ex-wife's driveway earned him a jail stint, two court trials and a bill for $33.5 million.

Clearly, the Juice took this hit for the team. Everyone else even remotely connected to the hacked-up, bloody remains of Nicole Brown and Ron Goldman have recognized the grisly murders as the investment opportunity of a lifetime!

Fat book deals. TV gigs. *Playboy* spreads. Peddled exclusives to the *Star*. Who could have predicted the revenue streams that have surged out of one horny housewife and her bohunky boy toy once the contents of their major arteries gushed forth onto the sidewalk? Kudos to the plucky self-starters who have turned this terrible human tragedy into a hard-cash triumph.

Oh, Nicole, in your last moments your head was hanging by a bare thread to the pulpy stump that formerly served as your neck. Surely you would have swelled with sibling pride to know that in a few short weeks your sister Dominique would be moving on from her grief—and hawking topless snapshots of you to the *National Enquirer*. Remember the heartrending pics of your newly motherless son, Justin, sniveling before your grave site ($2,500)? Or the melancholy portrait of little Sydney, pining for dead Mom in front of the bird cage at Sea World, just days after the savage skewerings ($2,500)? A doleful scrapbook, to say the least. And lucrative! Dominique's total take: 32,500 clams! One-hundred percent profit!

As the Simpson industry matures and diversifies, eye-popping bottom lines crop up that make Dominique Brown's quick-strike haul look like chicken feed. The O. J. Inc. roll call is a corporate roster of savvy, carrion-munching go-getters, their fat portfolios stuffed on the juiciest marrow sucked out of Ron's and Nicole's sawed-off bones.

### THE CEO

**Lawrence Schiller** is a morbidly obese "journalist/entrepreneur" whose career specialty is exploiting friendships with murderers for profit.

Larry Schiller's moneymaking imbroglios with Utah murderer Gary Gilmore, Oswald killer Jack Ruby and members of the Manson Family were only dress rehearsals for the role he was born to play: show-trial trick pony.

Through his relationship with Simpson crony Robert Kardashian, slick Schiller locked like a lamprey onto the O. J. defense team, weaseling a series of taped jailhouse interviews with Simpson that became the basis for the accused's best-selling apologia, *I Want to Tell You.* Larry nabbed a coauthor credit plus a cool $170,000 for his collaboration.

"A journalist may not have done it," says Schiller, easily forsaking a profession where prickly ethical standards stood in the way of a big payday. "It would taint his reputation. But to Schiller, this was an opportunity that might pay off. It was a way of ingratiating himself to Simpson and the defense team. I admit it! Not proudly, but I admit it factually."

(Memo to prospective parasites: Get rid of reputation; refer to self in third person; ingratiate constantly—or until the money's in hand.)

"I am proud I was able to pull it off," Schiller continues. "I could have made millions of dollars with those tapes. I could have become a millionaire overnight. But here is an example of Larry Schiller keeping his eye on the prize. This was just a step. I had ingratiated myself into [Simpson's] camp. Milking it for the last dollar was unimportant."

Note how Schiller schemes long-term. He postponed his betrayal of O. J. until he

could cash in on a $128,000 deal with the *Star* for snapshots of Simpson's acquittal party at the Rockingham mansion (where Larry had set up a makeshift darkroom and satellite-transmission center in order to send the photos in time to meet the tabloid's weekly deadline).

Having strip-mined every possible mountain of cash from within the O. J. camp, fat Larry reversed fields, bagging a $1.25-million advance from Random House for his turncoat classic, *American Tragedy: The Uncensored Story of the Simpson Defense.* In this behind-the-scenes exposé of the defense team's doubt about their client's innocence, Schiller conducts a treachery clinic. He low-bridges every principal who gave him access—most notably Simpson. O. J.'s lawyers, and personal friends, are quoted violating attorney-client privilege as per the murderous impulses of their client.

"I've already had notoriety," Larry explains. "It's the sense of accomplishment, the sense of leaving something to my family that they might be proud of.... I am as proud of my book about the case as I am of anything I've done."

As well he should be. Setting the standard in homicidal profiteering, Larry Schiller stands to pocket more than $1.5 million off dead Ron and dead Nicole—despite having no concrete connection to the case!

## THE TOP BRASS

In a better example of poetry than of justice, the **Brown and Goldman families** are intimately embroiled in this lucrative gutting of two promising young people. The separate clan members have dealt with the tragic loss in their own ways. Dominique Brown, of course, recuperated admirably, recognizing her dead sister's childrens' photogenic suffering as a clever merchandising concept. "We've dealt with seeing the pain," Dominique reasons, "and shielding the pain from the children, as we continue to do so."

Nicole's father, **Louis Brown**, followed Dominique's lead and sold his shish-kebabed daughter's private diary to the *National Enquirer* for a tidy $262,000.

**Denise Brown,** Nicole's look-alike sister, waged a relentless campaign of talk-show appearances, and her hard work paid off in a handsome $1.5-million advance from ReganBooks.

"Every day," says Nicole's mother, Juditha, "is a step of healing."

The Goldmans, with Ron's mustachioed father, Fred, playing front man, took an entirely different tack from the Browns' fantastically shameless grubbing. The Goldmans sagely played the "dignity" card, tirelessly repeating the mantra that their suit for monetary damages was strictly "about justice."

After the jury announced a $33.5-million judgment against O. J. Simpson's estate, the Browns and Goldmans immediately began squabbling over collecting their shares of the verdict. On March 28, sheriff's deputies arrived at O. J.'s Brentwood home and cleared out golf clubs, footballs, a grand piano, throw rugs and football jerseys.

"Let the sheriffs take hold of this property, and the parties fight it out," said Judge Hiroshi Fujisaki as he signed the seizure orders.

To cope with "the extra burdens that develop when grief becomes a public spectacle," the contemplative Goldmans have released *His Name Is Ron: Our Search for Justice*, a spectacularly large hardcover that thrusts their dead son back onto the public's coffee tables. List price is $24.95.

## IN-HOUSE COUNSEL

A good lawyer can turn any dime-a-dozen double homicide into a minor windfall on legal fees alone, but few attorneys have the PR savvy to wring a mini-fortune out of each blood-soaked piece of evidence. The Midas-touch litigators in the Simpson trial deserve the highest praise for their unerring ability to magically transform any scrap of public exposure into pure gold.

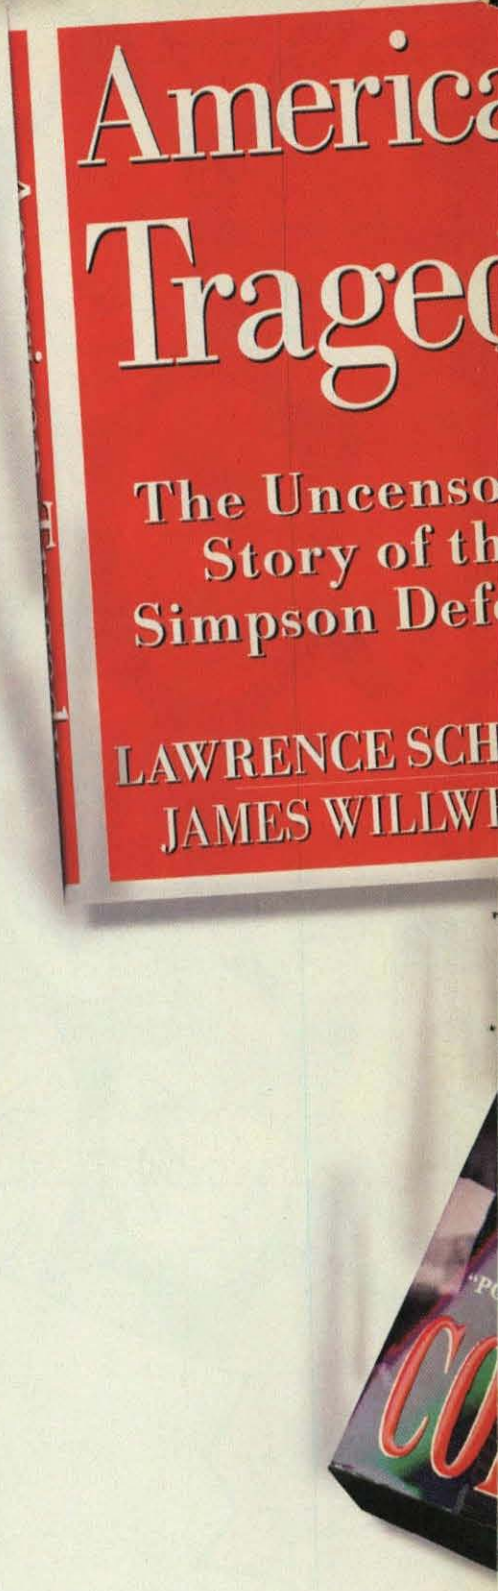

In **Robert Shapiro**'s book, *The Search for Justice*, the defense team's high-profile quarterback slyly laments that his involvement in the O. J. trial "forfeited my privacy." After pocketing a $1.5-million advance from Warner Books for a tome that repeatedly skirts the boundaries of attorney-client privilege by quoting damning conversations with Simpson, Shapiro set out to reclaim his privacy by embarking on a six-week, 25-city publicity tour, granting up to ten interviews a day.

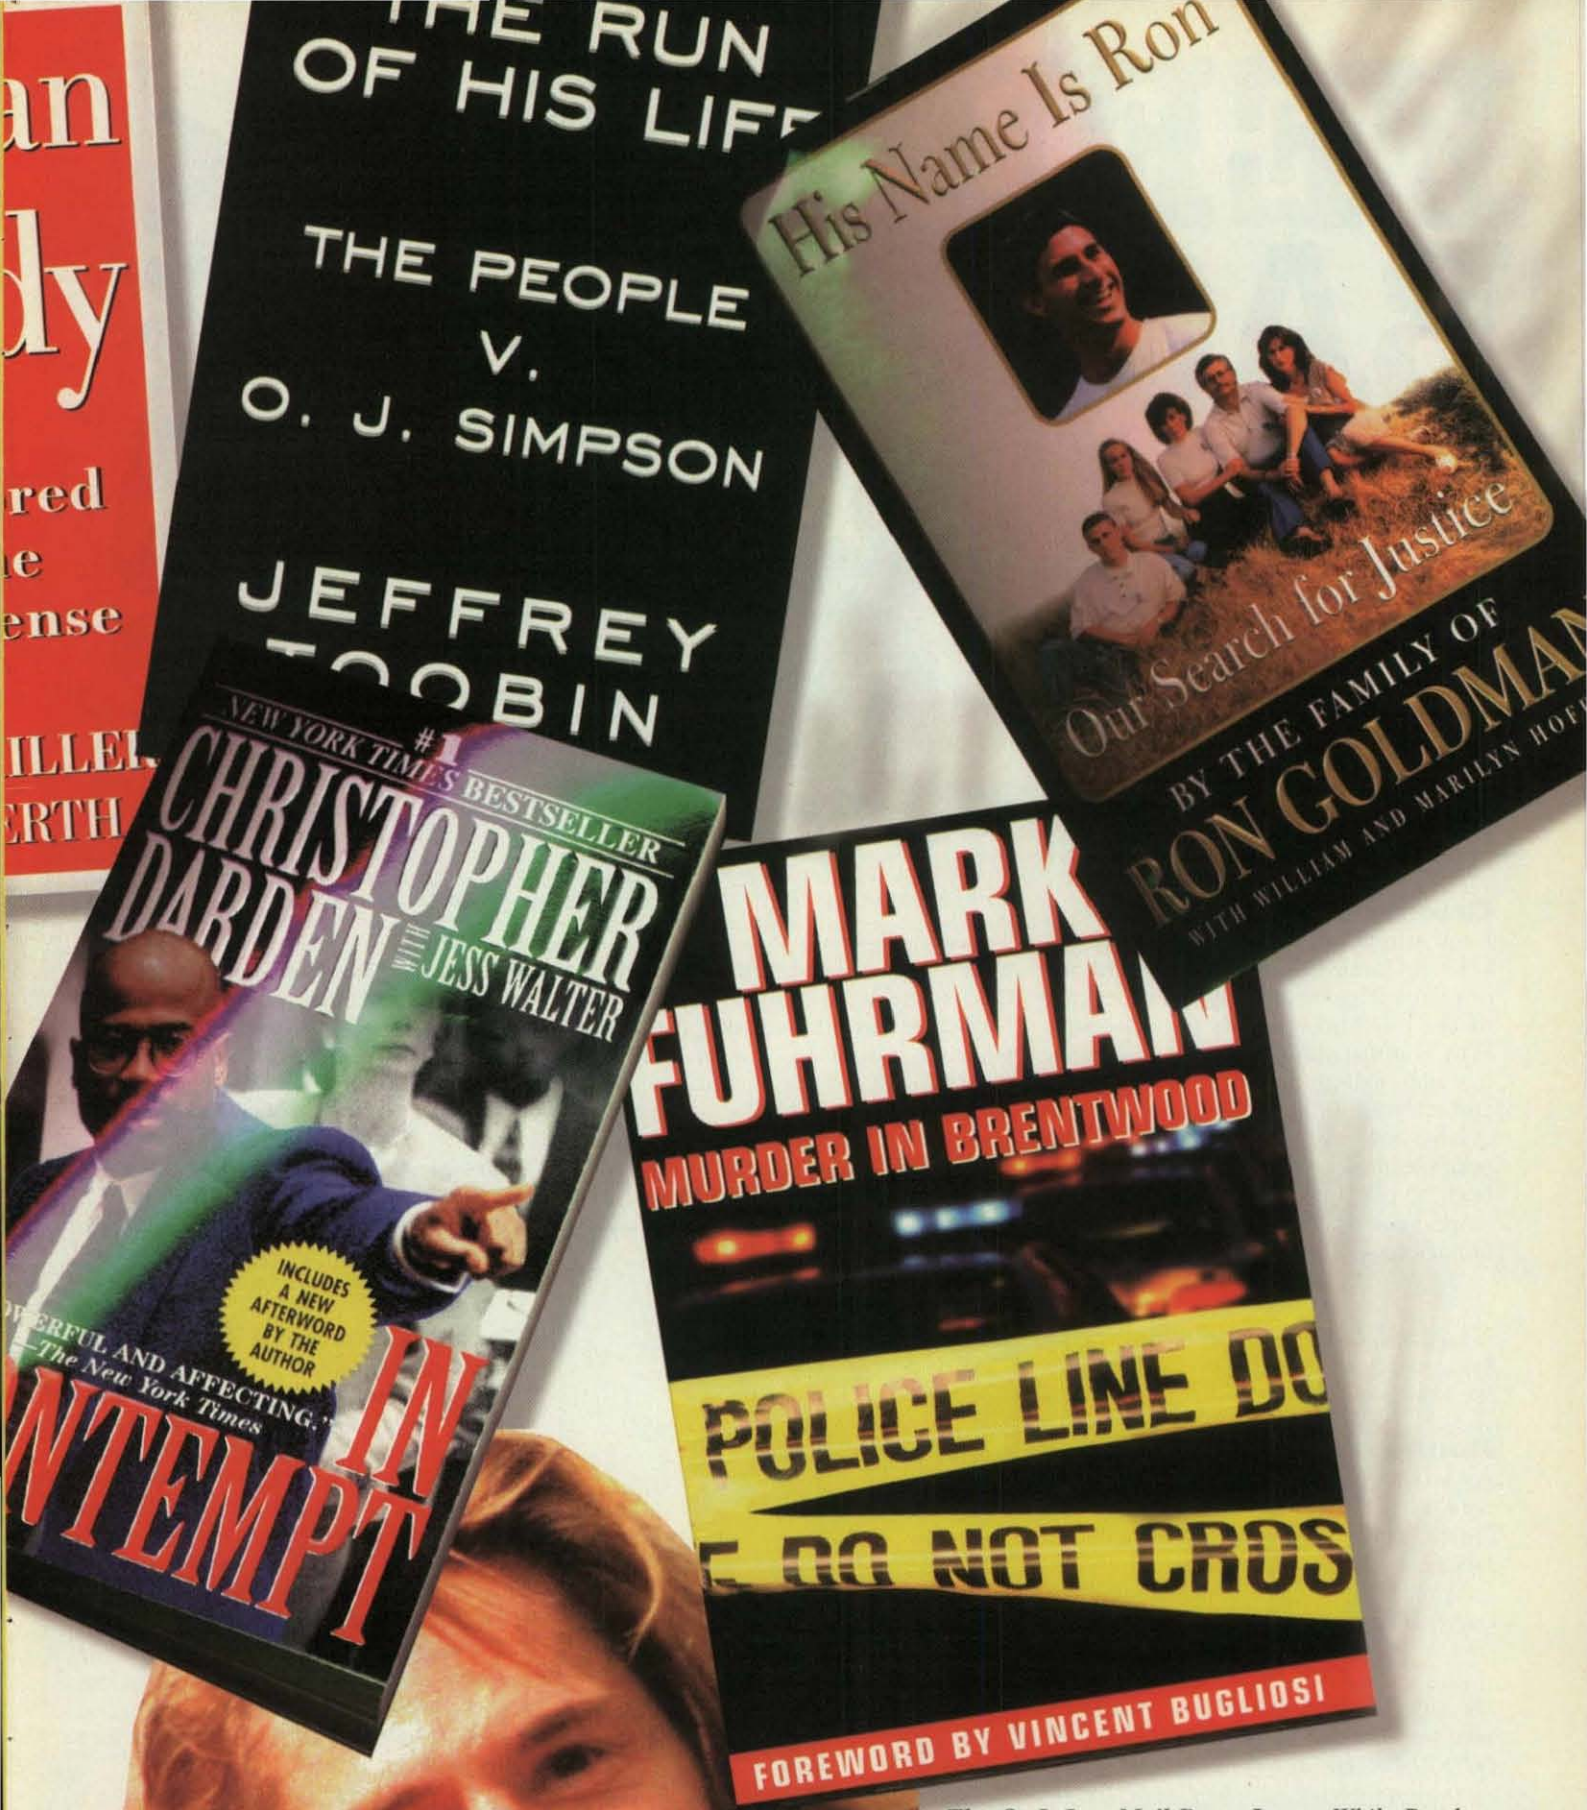

Suave **Johnnie Cochran** brokered $4.2 million up front from Ballantine for his memoir, *Journey to Justice*. He also landed a host spot on a nightly Court TV program, *Cochran and Grace*.

Brillo-headed **Marcia Clark** converted her tenacious courtroom manner and unlikely sex appeal into a bonzo $4.3-million advance for her story, *Without a Doubt*, and is currently pitching a TV show called *LadyLaw* that would focus on women in law enforcement.

Losing lawyer **Chris Darden**

*(continued on page 167)*

***The O. J. Inc. Mail-Room Loser:*** *While Darden, Schiller, Toobin, Fuhrman and the Goldman family score bonanzas in the nation's bookstores, house-boy* ***Kato Kaelin*** *parlayed his Simpson stake into a no-budget gig on Los Angeles talk radio. Hey, Kato: you're off the air and still broke. Don't you wish you had learned to read and write?*

# FEEDBACK

### Chickie of the Sea

Thank you for another great issue of HUSTLER. Your May '97 was outstanding, especially the layout *Nikki: Pirate's Booty*. I am in the United States Navy, and as I'm writing you this letter, I am floating off the coast of Kuwait in the Persian Gulf. It is very hot, and I don't even know why we're here. But when I got ahold of May's HUSTLER, all problems and worries went away. I can't put it down; there is such beauty within your pages. —M. S.
U.S. Navy

### Cruelty to Animals

I am writing this letter to protest the unkind and insensitive treatment toward one of porn's reigning legends. I am speaking of the one and only Mr. Ron Jeremy. Why is it that you poke fun at this amazing man, calling him Hedgehog and Pig and referring to his flabby body and excessive body hair? The man is a god. The porn business owes him a debt it cannot begin to pay. I hope that in my next life I come back as Ron Jeremy or even his famous cock. —C. G.
New Paltz, New York

*No offense, C. G. You're entitled to be as kinky as you can stand to be, but bestiality isn't our prerogative.*

### Runny Face

As a fellow lover of facial cum-shots, I was wondering, *Why not show more?* How about a gang-bang layout, with all facials. Let's face it, a pretty girl on her back or on her knees with a coming dong on her face can't be beat! —C. Y.
Villas, New Jersey

*We concur wholeheartedly, C. Y. That's why we shot the works in the June '97 HUSTLER (Beach-Blanket Ballout: Johnny and Nick vs. the Cabo Girls), where five cutie-pies get their kissers creamed.*

### Three for the Load

My boyfriend and I are both extremely horny and have discussed having a threesome with another woman. We fucked all night and told each other what we would do. I want to be very discreet, yet we need to find a willing partner who will enjoy this experience also. I would prefer a bisexual female who would enjoy sex with myself as well as my boyfriend. After several months, we have been unable to locate an attractive woman who would be willing to engage in an evening of erotic pleasure. We anxiously await any information from you. —A. W.

*Victoria: Call Waiting*

*Fear not, A. W., we're on the case. An upcoming issue of HUSTLER will offer a helpful guide to getting in the middle of a threeway. Meanwhile, we're glad to hear you're staying in training.*

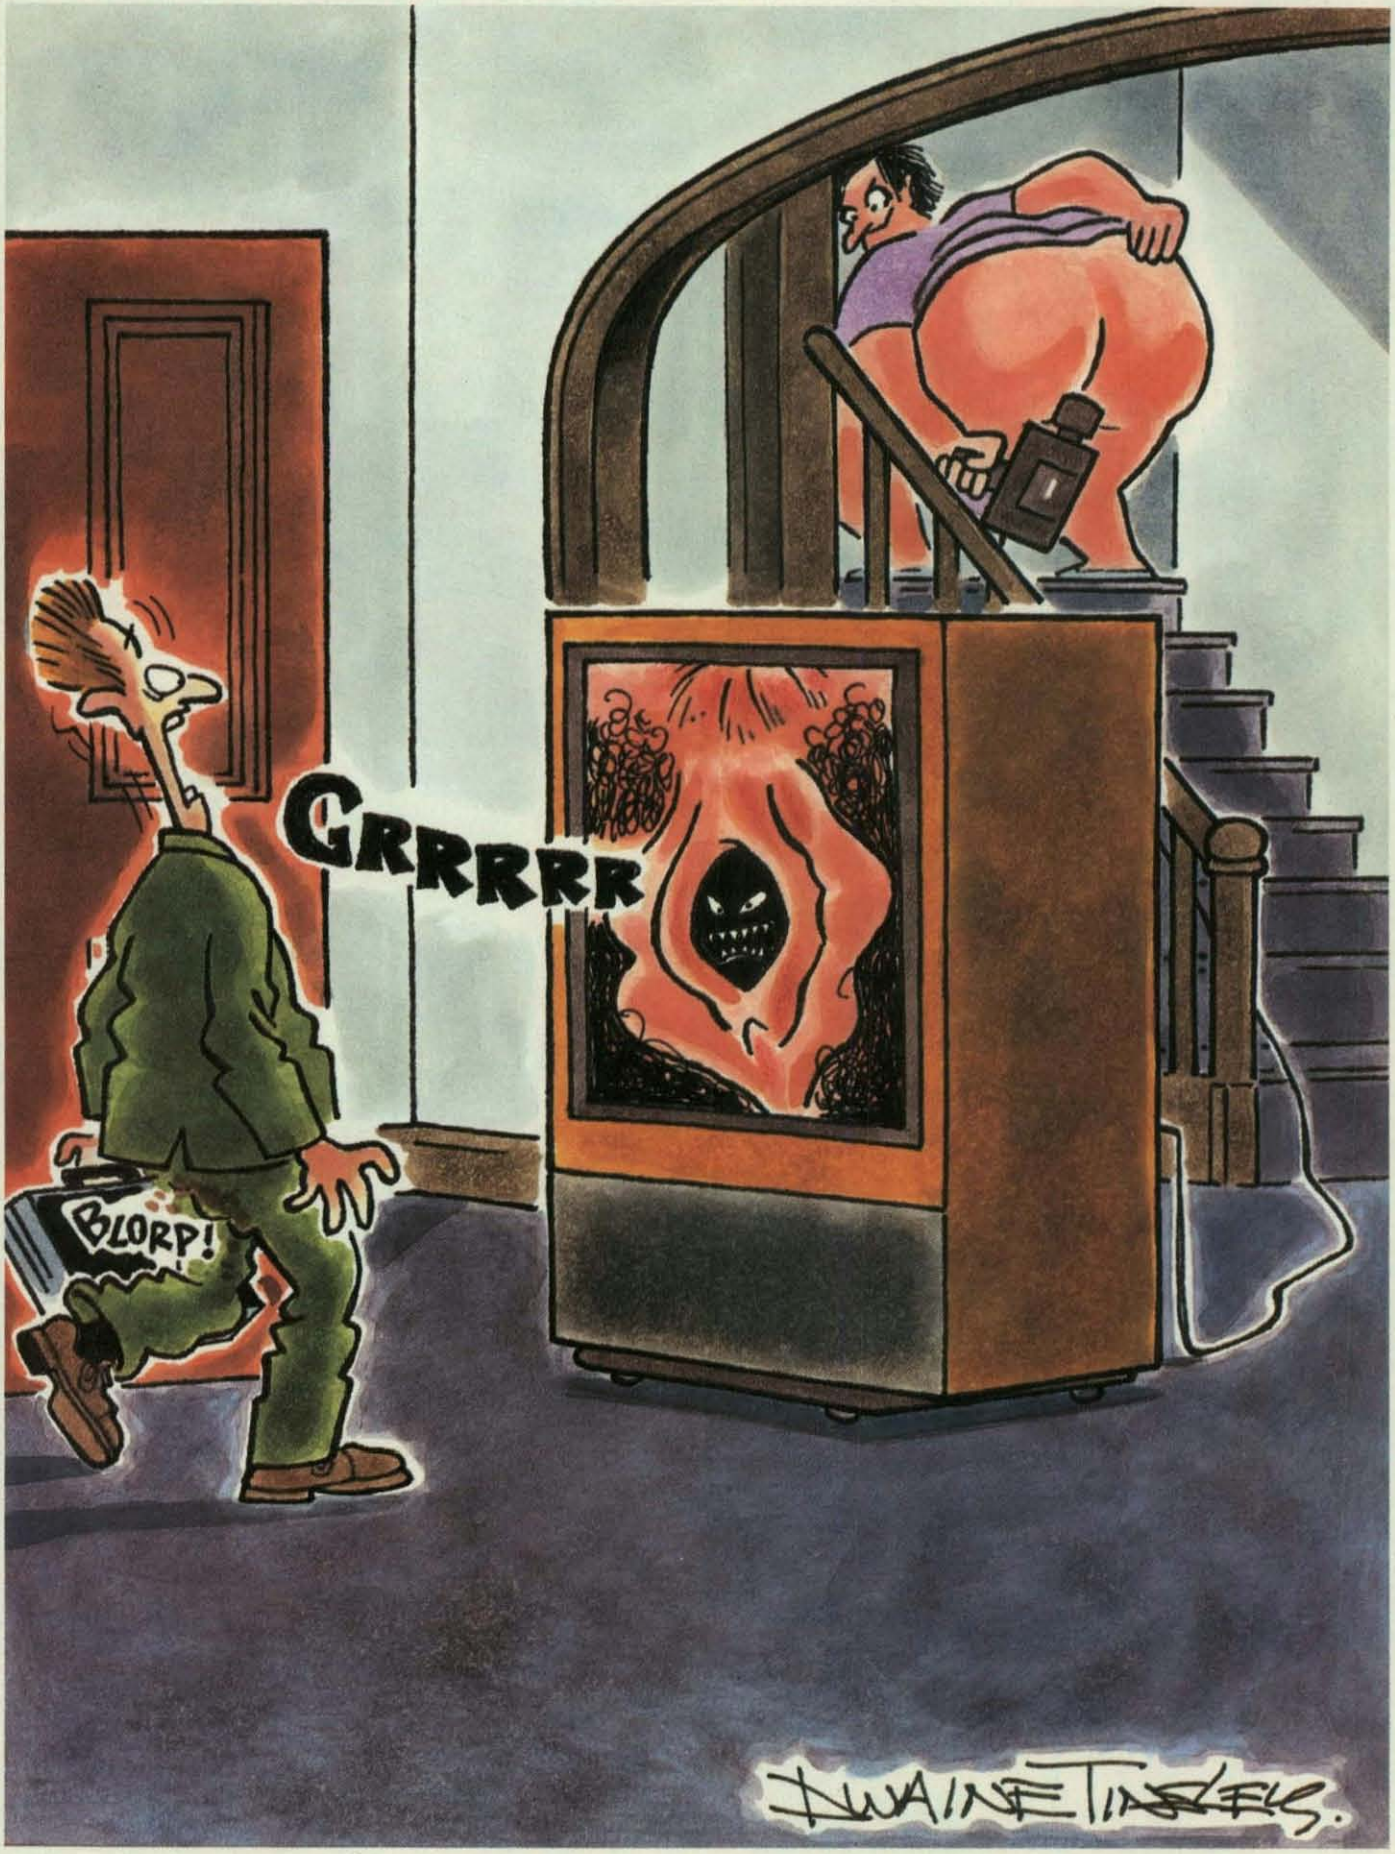

### The Great White Dope

In reading your article *Heil Hitler, America! Neo-Nazi Christians and Their Quest for an Aryan Nation* in your March '97 issue, my attention was caught. There were points that I also feel strongly about, though I may not agree with all their views. —R. C.
Mayo, Florida

*Which points were those, R. C.? That Jews own the Marine Corps? That Larry Flynt should die for showing black chicks? Or just that America should be the land of the free, white and moronic?*

### Instant Gratification

I want to thank the two lesbian beaver eaters at the beginning of your March '97 issue (*Lauren and Ellen: Strap-On Tools*). Sitting quietly in my chair, relaxing after a long day, I looked at these two's photos, the double nuns, and never made it past the third page. I felt a wonderful feeling from my penis. I reached into my pants, and I was covered with sperm, underwears and all. This has never happened to me in my entire life. It was the squat shot that blew my cannon. Please thank them for me. I had to go change. —F. L.

Middlesex, Massachusetts

*Actually, F. L., that discharge was from a subliminal trigger we put in the March issue to discourage guys from reading HUSTLER at the newsstand instead of paying and taking it home.*

### Prose for Cons

I won a huge victory for all prisoners in general, but mainly for prisoners of the Illinois Department of Corrections. Never feel helpless when fighting the system. A damn prison guard recently snitched HUSTLER out to the warden because of the graphic photos the magazine occasionally contains, after a prisoner was nice enough to let the copper look at his magazine. I enclose documents verifying the ban on HUSTLER. But I filed a grievance and wrote some brass that is over the max joints. Well, I won! I write to all brothers locked down: Don't give up! Mr. Flynt, my hero, never gave up, and he won. I didn't give up, and I won too! —D. P.

### Foreign Film Correspondent

I am a Brazilian reader of your magazine, and I want to congratulate you on the great work you have done. I am also really crazy about former porn star Chanel Price, who starred in films such as *Caught From Behind* and *The Pillowman*. ### Tart for Art's Sake

My wife and I enjoy watching adult films together, but unfortunately, only a handful are worth watching. It seems that most are merely filled with sex scenes without much consideration for the actresses enjoying themselves. It's a tremendous turn-off to see two people having sex only for the dollar. I realize there are good and bad productions, but it's very difficult to distinguish from the cover. —J. & L. T.

Pittsburgh, Pennsylvania

*It's sad but true: Not everyone in porn does it for love. Rely on HUSTLER's sensitive Erotic Entertainment critics to point out which films give the actresses all the respect they deserve.*

### Return of the Beaver

I got my picture in *Beaver Hunt*, November '90. I didn't care for the picture that was published, but I feel I am very sexy now. Give me another chance. I have a lot of sexy pictures I would like you to see. I'm just as sexy as the women in your magazine. Most of the women have fake breasts and dye their hair blond. Everything on me is natural. My breasts are 34B, but I have great nipples. They are unique. Give a plain person a chance and see me as I am. I can beat most of the women you have. I'll make love to the camera. —S. B.

Dysart, Iowa

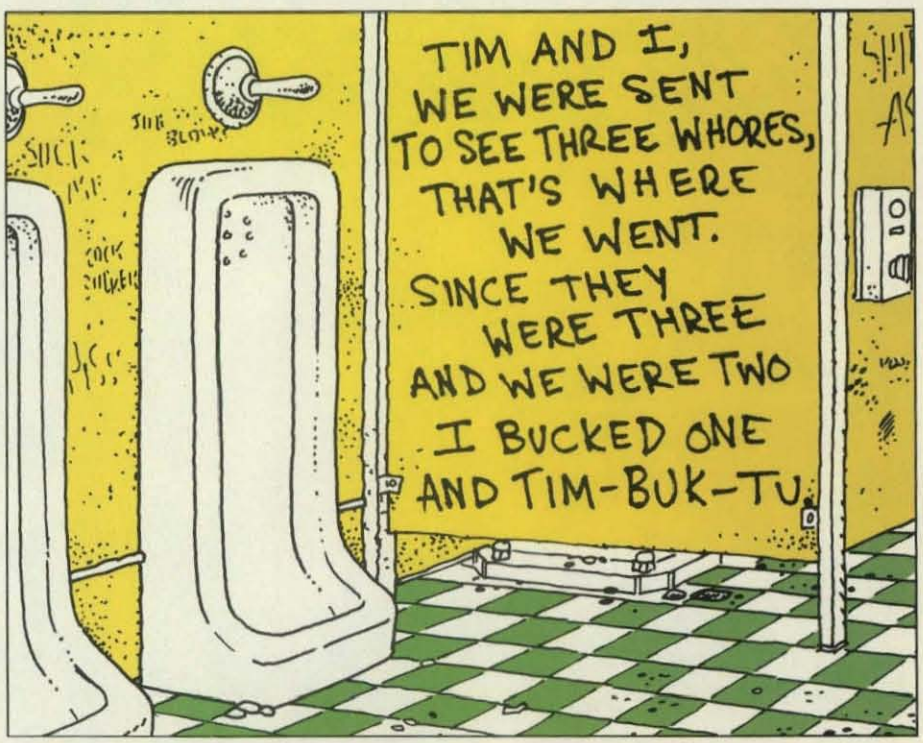

*Okay, we'll bite. Show us those unique nipples.*

### Unbalanced Diet

I am a mental patient. I go to mental-health clinic. I am 62 years old. My doctor had a copy of a letter sent to him I wrote saying Catholic Holy Communion is cannibalism. The doctor told me if I write any more letters about religion, he would put me in a mental hospital for a

### Wedding Party

I'm a happily married man with a great, hot wife. She loves for me to talk dirty and be nasty. She's talking about having a threesome with another woman, which I agree to. But I want her to take me and another guy at the same time, plus suck someone else's cock off too! Do you think that would be too much to ask for? Could you pick some swinging couples in your magazine or a couple of guys to handle my tight wife's ass? It would turn her on to have a big black guy ride her twat while I fuck her asshole. She needs it bad. She's too hot to handle. —C. S.
Rockingham, North Carolina

*Try coming home from work early. If your wife's as hot to squat as you say, she's probably got a black buck's cock up her ass already.*

### The Old Blueballs and Chain

I just purchased my first HUSTLER, and I thought it was excellent. I'm a 23-year-old "good guy"—losing my virginity to my wife, going to church—but it's that dark side that drives me to do these kind of things. My father's side is French; so I have a free spirit when it comes to sex. However, things with my wife aren't too blissful in the bedroom. My wife will not under any circumstances perform oral sex on me. I've made her come from oral sex before. But I've found myself getting so aroused from it when I have her pussy and anus all wet that I want to try anal sex. She will not. I tried to bring it up once, and I wasn't spoken to for two days. She's limited to two positions: me on top and her on top. I have only arrived at one conclusion. Normally I am about eight to nine inches long, but in times of genuine excitement, I have reached 11 inches. Could this be it? Is she intimidated by my size? —P. H.
Brunswick, Georgia

*A lot of the studs at HUSTLER can sympathize with having gigantic dicks that scare women. But evidently yours isn't big enough to keep you from being pussy-whipped. Why not reassure your wife by showing how easily your cock slides into C. S.'s wife's ass?*

### Thank Heaven for Shaven Girls

HUSTLER is better than ever. In the April '97 *Feedback*, B. C. was asking for more fur, but my vote is for shaven. Many years ago, someone wrote you asking for shaven snatches, and you said to hang around the kiddie wading pool. I'm glad to see those grown-up kiddies are in HUSTLER now. I'd be happy if furry snatches stayed in the '70s forever. —D. S.
Taylorsville, North Carolina

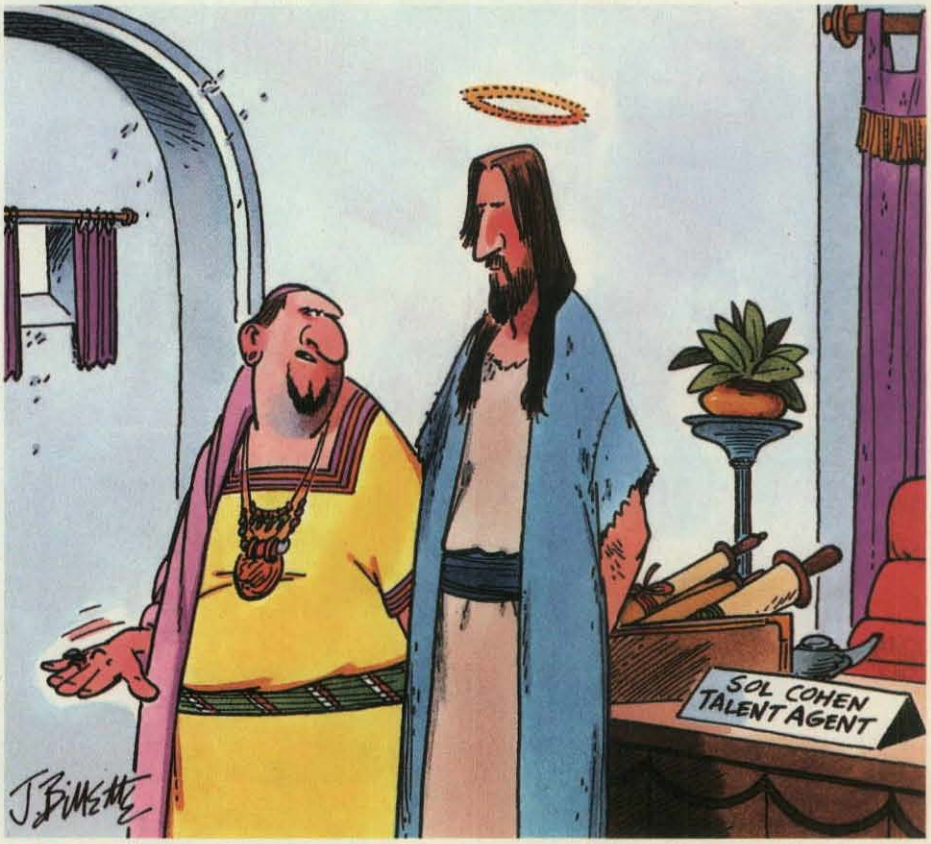

*From the wooliest mammoth to the smoothest fresh clam, HUSTLER is committed to bringing mankind the best pussies that the world has to offer.*

### A Liberated Woman

Unlike my generational counterpart, Gloria Steinem, I come to praise Caesar, not bury him; Caesar in this case being Larry Flynt. My kudos to Mr. Flynt stem not from his living a life ripe for Hollywood interpretation, nor from his First Amendment victory, but for a quality I find even more redeeming: The man really knows how to tell it like it is! There's no long, arduous process of cutting through the bullshit to figure out his agenda. It's right there up front. After seeing *The People vs. Larry Flynt* and *Larry King Live* with Flynt and Jerry Falwell, I decided to purchase my first-ever copy of HUSTLER (Woody Harrelson all but naked on the cover assisted in my decision). To be honest, the contents are a bit raw for my tastes. But it's a big world with plenty of room for a variety of leisurely pastimes. My goodness, if it were left to Falwell, we'd all be wearing hair shirts and subsisting on nothing but mother's milk. One thing you can bet on: If I had a choice between Falwell and Flynt to sit and discuss life with, Flynt would win hands down. —B. A.
New Haven, Connecticut

*Thanks, B. A., for correcting the distorted, stereotypical view of women that crass opportunists such as Steinem and Falwell try to perpetuate.*

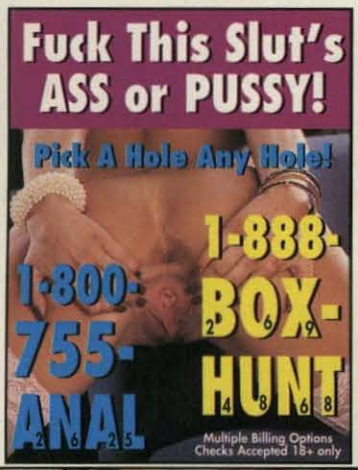

*Do you have a comment or complaint? We want to hear it. Send your letters (typed or neatly handwritten) to HUSTLER Feedback, 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211. Include a phone number if you want your letter considered for publication.*

EDITED BY EVAN WRIGHT

## Point of Entry

THREE-QUARTERS ERECT

Directed by Greg Steel; starring Kelly Trump, Julie Rage, Sahara Sands, Sid Deuce, Shawnee, Stephanie Duval, Vince Vouyer, T. T. Boy, Mike Horner, Dave Hardman, Dick Nasty, Dic Tracy, Canmore McBain, Anthony Crane, Angus McDubuihn and Wayne Crews. Videocassette: Wicked.

Slinky Julie Rage's anteater tongue is put to phenomenal use in *Point of Entry*'s riveting opening scene: Long as a butter knife and thicker than a Slim Jim, Rage's slithery swabber fucks Sid Deuce's wide-open pink iris again and again, building up a rich foam of gleet and saliva around Sid's winged flaps. *Entry*'s impressive intro is followed by a roadside double penetration of regal slut Kelly Trump, whose stern facial features are softened by a creamy double helping of jerk sauce. A limousine hump of Shawnee fails to exploit this funny-faced Filipina's unbelievable pair of cans: Natural, perfectly rounded D cups, Shawnee's tight, hard-nippled rack is perhaps the most billowy, wad-blowing set of dairy dispensers this side of Christy Canyon. Beyond this minor misstep, *Point of Entry* opens a juicy realm of crank-wanking opportunity. —*Richard Crenshaw*

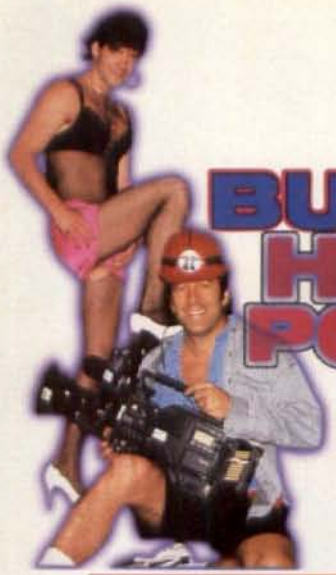

*POINT OF ENTRY: Nasty, Sands and Duval.*

*POINT OF ENTRY: Boy and Hardman tangled up in Trump.*

# BUTTMAN: HIV POSITIVE

## Exclusive Interview

This past February, the same month in which *U.S. News and World Report* lauded John Stagliano, a/k/a Buttman, as "the nation's leading director of hard-core videos," Stagliano announced that he had tested positive for HIV.

"My exposure to HIV has absolutely nothing to do with the porn business," Stagliano explains in an exclusive interview with HUSTLER. "This happened in my personal life. I wanted to get fucked in the ass by a transsexual without a condom, and I did."

Stagliano is a public figure whose business empire is founded on a character strongly identified with heterosexual pursuits. His candor leaves him open to a blunt question: Is Buttman gay?

"I am not particularly interested in being with guys," Stagliano states unequivocally, "but I am interested in dicks. I like to experiment. Transsexuals are really the exciting thing for me."

Stagliano traces his HIV infection to a fateful encounter on a recent business trip to São Paulo, Brazil. "São Paulo has the most beautiful transsexuals in the world. I was a little drunk, and I was feeling sorry for myself," recalls Stagliano, referring to the death of his girlfriend, porn star Krysti Lynn, in a 1995 auto accident. "I met a prostitute on the street. He had tits, not especially nice, but he had a really nice dick, and it got really hard. I paid him extra to have sex with me in the ass. We stopped having sex when I saw that he had a cut on his dick from all the rubbing."

Why would he knowingly engage in a high-risk sex act without a condom? "Sometimes," speculates Stagliano, "there are weird things in our psyches that make us want to do what is wrong. Forbidden taboos lead to all sorts of neurotic behavior, which leads to me being fucked in the ass without a rubber."

What first caught John "Buttman" Stagliano's eye about the São Paulo transsexual?

"He had a nice butt."

HUSTLER wishes John Stagliano the best in his treatment and salutes him for having the balls to speak openly about uncomfortable personal matters during a difficult time. Due to powerful new treatments, Stagliano reports that his prognosis is excellent, and Evil Angel's ambitious plans to become the dominant adult-industry manufacturer continue unabated.

## Career Girls

HALF ERECT

Directed by Rod Fontana; starring Nena Cherry, Courtney, Ursula, Johnni Black, Holly Hummer, Rod Fontana, Blake Palmer, Steve Austin, Dick Nasty and Damien Michaels. Videocassette: Outlaw Productions.

Ever meet a sexy, big-tit attorney or real-estate agent that looks like she needs a good, hard fucking? *Career Girls* entertains such fantasies, dressing up porn trollops in business suits before desuiting them and giving them the business. The first professional cunt crammed is a synthetically tanned towhead with a gaping asshole stretched wider by a balding putz with a saggy scrote; Holly Hummer's face bears a haggard, I'm-having-a-bad-holeday expression throughout her outdoor DP on paper mats that crinkle loudly with each thrust; two puds discharge lumpy bodily fluids onto Courtney's vanilla ice-queen face; and recently retired hellion Nena Cherry slaps snizz flaps with Ursula before turning tongue on some lucky dope's dong. *Career Girls* gets the handjob done. —*Mack Assarian*

## Gold Diggers 2

ONE-QUARTER ERECT

Directed by Cheeks; starring Crystal Gold, Yvonne, Jordan Lee, Sindee Coxx, Sofia Ferrari, Davia Ardell, Johnni Black, Montana Gunn, Peter North, T. T. Boy, Mark Davis, Vince Vouyer and John Decker. Videocassette: VCA.

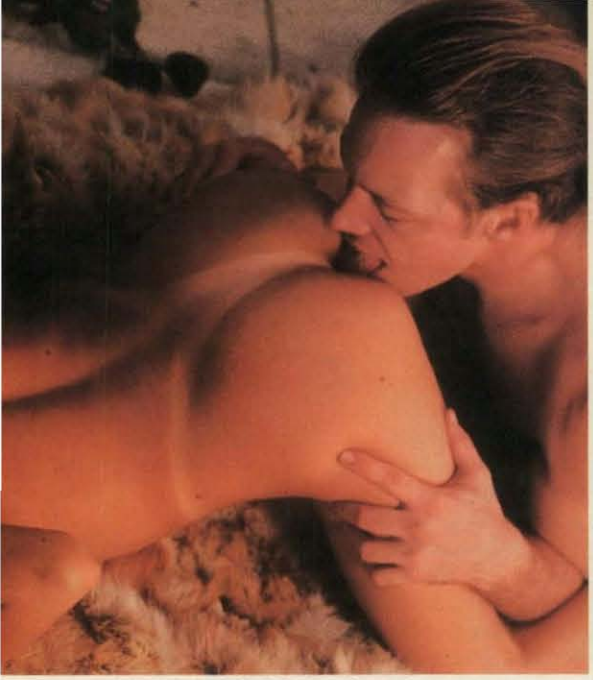

The title *Gold Diggers 2* suggests a bevy of silky, rapacious, young honeys, barely legal, but possessed of enough ripe ass and teat meat to separate a good earner from both his savings account and his spouse of 20 years. In reality, the cast of snargs in this XXX castoff looks more like a *First Wives Club* coffee klatch. Old digger number one is Crystal Gold, a leathery hausfrau sporting a floating pair of DuPont dirigibles who bangs Peter North until his choad milks onto her abdomen. After porn man-o'-war Jordan Lee and a dwarfish blonde take turns leeching spuzz, Italian dynamo Sofia Ferrari appears to provide this flick's lone moment of wad-boiling intensity: Pulling one prong out of her *paisana* pussy and another out her ass, Ferrari collects a drenching payload of jungle juice with her face. Other than this shiny nugget of prosciutto poon, *Gold Diggers 2* scares up slim pickings. —*R. C.*

## Smoke and Mirrors

THREE-QUARTERS ERECT

Directed by Stuart Canterbury; starring Lexi Eriksson, Kia, Esmerelda Stanton, Papillon, Stephanie Swift, Mickey Lynn, Tricia Devereaux, Laura Palmer, Missy, Mickey G., Kyle Stone, Mike Horner, Tony Martino and Frank Towers. Videocassette: Pleasure Films.

Anyone planning to commit suicide would do well to delay pulling the trigger until after seeing fluffy fluffer Mickey Lynn peel down her satin panties and take it in her pinkish pooper at the start of *Smoke and Mirrors*. The sight of Lynn's creamy tits jiggling beneath golden strands of hair as her pouty mouth mumbles private oaths of ass-fuck nonsense is proof that life is occasionally worth living. Benevolent powers of the universe sometimes inspire kindly smut purveyors to record acts of carnal depravity on film, offering the saturated colors and fine detail that God intended. Do not despair over long-winded dialogue sequences in this plot-heavy feature. A click of the fast-forward button leads straight to Stephanie Swift and Papillon's double deep-throat antics in a back alley. Grab another tube of lube during the scenes of Mike Horner performing magic acts onstage. Soon Kia will be shaking jumbo jugs as she fellates a stiff one, and Lexi Eriksson will be receiving a hefty load on her pixie face. *Smoke and Mirrors* is all a heavy sack needs to make it through a couple more hours of hard-fisted life. —*M. A.*

*GOLD DIGGERS 2: Decker joins tongue with Ardell's bung.*

*PERVERTED STORIES 12: Hardman curling into Candy Apples's quim.*

# Perverted Stories 12

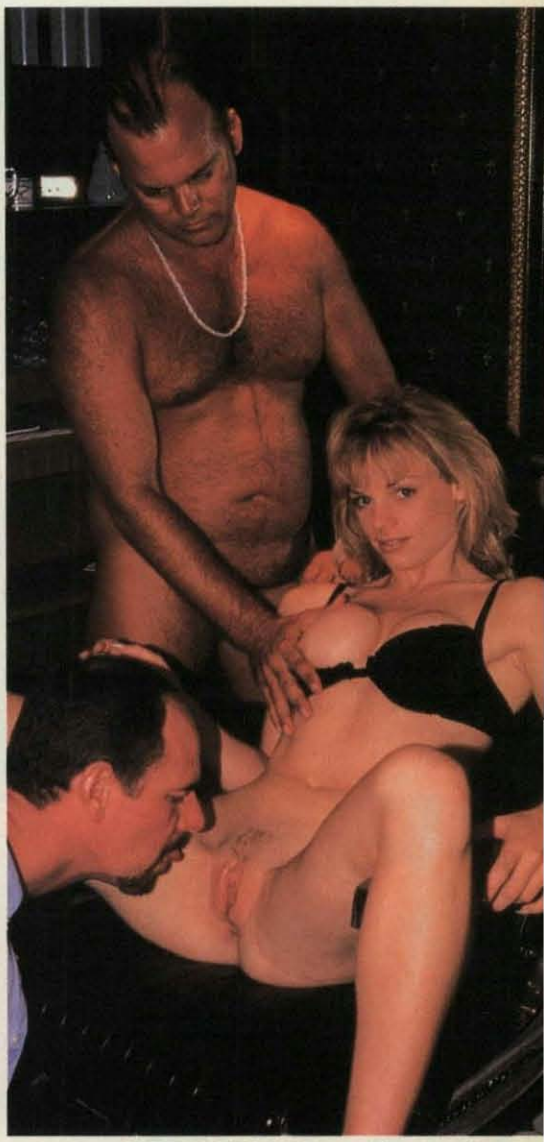

HALF ERECT

Directed by Jim Powers; starring Chandler, Candy Apples, Tina Miller, Mickey Lynn, Mike Barbarian, Dave Hardman, Christian Steele, Kyle Stone, Napoleon, Evil Apache, Zack Cum, Tony Eveready and the Island. Videocassette: J. M. Productions.

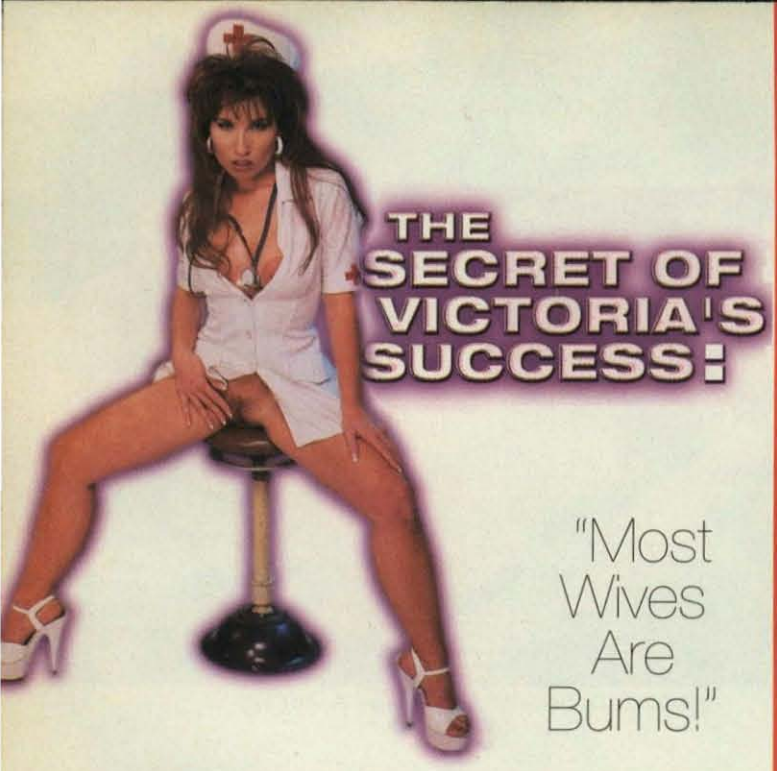

The urge to barf when looking at somebody else's vomit is a normal human reaction. *Perverted Stories 12* visually stimulates the gag reflex from the start. A 300-pound fat man with floppy tits like Al Goldstein opens the video by smearing cake onto an unlucky brunette's hairless clam. A geek spits into the brunette's gunky hole, then fucks it with a semi-flaccid prong until quivering, gloppy strings of slime hang from his loins like loose, gray, unwiped turds. Not everyone will get sick when the shrieky German bitch, who also has floppy tits like Al Goldstein, is ass-reamed by a big-boned black man, but most will find the impulse to kick in the TV screen nearly irresistible as she shrieks irritatingly throughout. The least tasteless scene features a midget schtupping a blonde in the butt. *Perverted Stories* is visual puke, but for sickos who like to come queasy, the penis will barf satisfyingly. —*M. A.*

*SMOKE AND MIRRORS: Mickey Lynn: snarly in pink.*

*CAREER GIRLS: Nasty and Fontana pawing Courtney.*

# THE SECRET OF VICTORIA'S SUCCESS:

## "Most Wives Are Bums!"

Brand-new to XXX show business, Victoria Hill has scored the coveted starring role and box-cover billing in the next *Dr. Trashy* video, produced by Liquid Video Productions.

"Doing XXX is easy," drawls the amiable Texan with wolf-blue eyes and chestnut-brown hair that hangs down to her pendulous, retrofitted udders. "Porn is nothing but hookers on video."

By Victoria's estimate, she honed her hooking skills on more than 2,000 customers she serviced while working as a callgirl in San Diego.

"Let me tell you how a night goes," Victoria Hill says, warming to the subject as if it were yesterday. "When I went to a hotel, I always wore a suit like I was going to work in an office. Underneath, I'd have on four-inch heels, thigh highs and a velvet teddy that squeezes my breasts together.

"I collect my escort fee, and we talk and get to know each other for a minute or two. I take out my boom box with a Sade tape. I slowly dance and take my clothes off. I like Sade because it's classy.

"Once he agrees to my price for sex, I let my animalistic personality come out and give him a great blowjob. Sometimes guys don't even make it past the blowjob. Sex seldom lasts more than two minutes. Why? Number one, I have an incredibly tight pussy. Number two, the guy's probably 40 years old, overweight, and his wife doesn't have sex with him more than once a month. Shoot, a guy like that just explodes. Then he wants to sleep, or he feels guilty or some bullshit like that.

"I always tell them, don't worry about guilt. A wife usually isn't a guy's friend. She doesn't want to take care of him, listen to his problems or be his buddy. That's why most marriages fail.

"My grandmother in Texas has a very strong etiquette tradition, and she raised me. She taught me everything about being a woman—how to be seductive, soft, naturally sensuous. She raised me to be feminine.

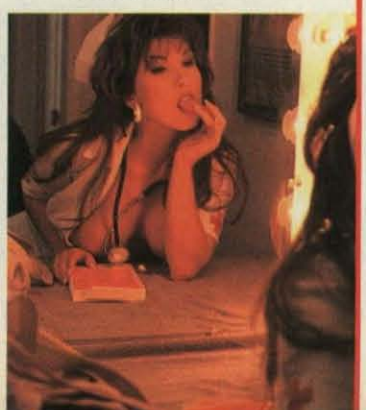

"Nowadays, women let themselves go. They wear ratty jeans. They look like trash. Most wives look like bums! That's why their husbands come to me."

Whore. Man's best friend.

## Anal Queen

TOTALLY LIMP

Directed by uncredited; starring Jordan Lee, Roxanne Hall, Alex Sanders, Steven St. Croix, T. T. Boy, Tony Tedeschi and Rick Masters. Videocassette: Sin City.

No good. Old poon. Old scenes. This tape is a fucking insult and an insult to fucking. Fuck this tape. Jesus Christ. No need to slam Jordan Lee. She's just doing her job. Porn sluts are doing fist-fuckers a favor by fucking on camera. But a favor like *Anal Queen* should come with a coupon for chemical castration. Fuck the uncredited motherfucker who compiled this fucking abortion and shoveled the shit on the XXX consumer. Porn fans have to eat enough shit as it is to have their spank loops flecked with washed-out Flock of Seagulls-era fuck scenes. If porn moguls want to make the public gobble turds, at least pinch off a fresh loaf. Fuck *Anal Queen*. —*R. C.*

## The British Connection

THREE-QUARTERS ERECT

Directed by Ben Dover; starring Jackie, Vanessa, Jessica, Charlotte, Cameron Roundtree, Valentino, Mario, David Perry and Ben Dover. Videocassette: VCA.

In the middle of filming a naughty little brunette as she jostles her ass and pussy on top of a pair of dong loaves, limey director Ben Dover excuses himself to go take a piss. Little Jackie, the sandwich fuck's hot meat slice, immediately turns her woozy head to the camera and softly pleads, "On me, please. Pee on me." Cut to the next scene, in which delectable Jackie kneels in a pool of yellow liquid, her tiny breasts spattered with whiz, waiting agape for Dover's white cliffs of load. Awash in the penis's two most common discharges, it's back in between a DP for tawny, young Jackie and her nice big ass. The Brit-Buttman Ben Dover brings his A game to *The British Connection*, employing three spice-pussied girls and one big chick who looks like Fergie. These birds are dirty, natural and never before seen. They stuff gargantuan anacondas in their mouths, cunts and butts and appear to enjoy it. *The Connection* takes our busting nuts right to the intersection of debased cooze and vile sleaze.

—*R. C.*

## Face Jam

ONE-QUARTER ERECT

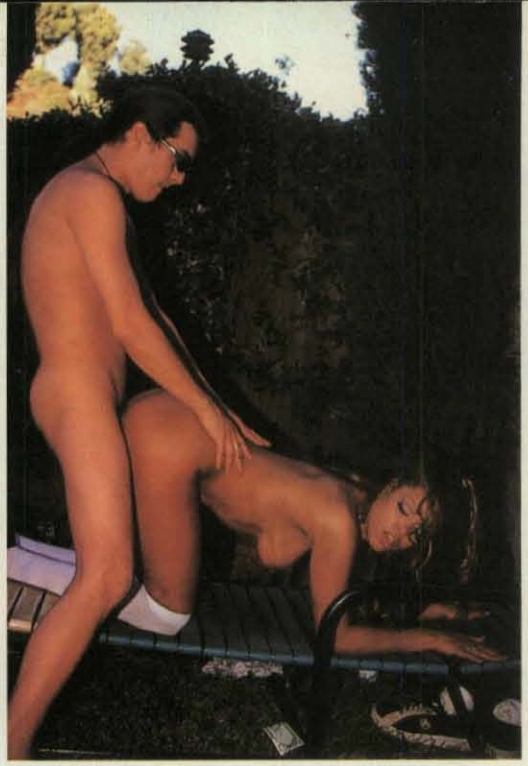

Directed by Jim Enright; starring Kylie Ireland, Nici Sterling, Krista Maze, Tatiana, Stephanie Swift, Nicole London, Maya, Alexandra Silk, Leah Dawn, Karri Stevens, Deva Station, Morgan Fairlane, Sean Michaels, Julian St. Jox, Jonathan Morgan, Peter North, Tony Tedeschi, Randy Rage and George Kaplan. Videocassette: VCA.

Whoever lensed *Face Jam* displays an uncanny talent for putting the camera in the thick of a hard-core coupling and missing it. Beer bottles and other extraneous items frequently block the view of things viewers want to see, such as female faces, asses, cunts and tits, legs, arms and backs. Stripes in the wallpaper are filmed in loving detail. In the video's most horrific moment, Tony Tedeschi's turd rings are filmed up close, pinching and straining furiously as he pounds Stephanie Swift's steamy pelt, located somewhere offscreen. Occasionally, greatness is fleetingly glimpsed. Exotic Tatiana, with her shaved, dark, eggplant-colored snatch flaps that fold out to reveal a deep, rose-petal pink, opens her rectum to Peter North's spouty tumescence before submitting to a flood of ball slop across her mysteriously slutty face. Tight-lipped Eurasian concubine Swift donates her hole to an otherwise lackluster lesbo romp. *Face Jam* nearly wins a penalty throw into the trash.

*ANAL QUEEN: Tedeschi and Masters cramming Lee.*

*ROCK HARD: Daniels dogging Knight.*

*WHORE D'ERVES: Brooks serves a slice of fuzz pie to Palmer.*

## Whore D'erves

THREE-QUARTERS ERECT

Directed by Robyn Pillage; starring Laura Palmer, Caressa Savage, Kim Kataine, Lois Ayres, Emily Hill and Ciera Brooks. Videocassette: Outlaw Productions.

With no dialogue, no plot and no splooge, *Whore D'erves* is a stripped-down triple-X entertainment featuring nothing but cunts kissing, fondling, tonguing, sucking, rubbing, fingering and spearing one another with assorted plastic prongs onstage at a strip club. Fans of hairy crevices will enjoy Ciera Brooks's spread. The sugary brunette with pink barrettes on her head like cat ears shaves her upper mound neat, but keeps her lower vage lips and butthole luxuriously lined with fur. Brooks's silky mound makes a powerful argument to bring back the hairy clam. Few other controversies present themselves in this good-licking lesbian show. Lois Ayres succeeds in shoving a fire-log-size dildo up Emily Hill's straining pink winker and, in a mild S&M scene, Palmer plays a cigar-smoking dildo disciplinarian to a couple of bitches on dog chains. *Whore D'erves* provides the lesbian cupcakes, viewers squeeze out the frosting. —*M. A.*

## Rock Hard

HALF ERECT

Directed by Luc Wylder; starring Rocki Roads, Malitia, Lovette, Kaitlyn Ashley, Nyrobi Knight, Mila, Colt Steele, Jonathan Morgan, Billy Glide, Ian Daniels, Frank Towers and Ringman. Videocassette: Sin City.

Beat off to morning workout shows on ESPN 2? *Rock Hard* strips the sweaty Lycra leotard off the hot broad teasing your jumping jack and bends her over the weight bench. Two or three reps leering at Rocki Roads's set is enough to work up a lather. The booming boobs on Miss Nude World Best Body (whatever that title might mean) are top-drawer reproductions, fitting accessories to a fully tooled fuck machine: Roads's shapely frame is lean, but plushed with upholstery that wiggles and jiggles; her sculpted face is picture-perfect; shaved pubes form a flying V, pointing out her tight-lipped clam; and her anal pucker is as trim and neat as a budgie cloaca. Shame that tight ass doesn't get poled by meat. *Rock Hard* shows off some stiffie-inspiring physiques, but in general, the sex comes off soft. —*R. C.*

*FACE JAM: Ireland masticates Michaels's manhood.*

*BRITISH CONNECTION: Jackie jacks Valentino; Roundtree slops up gash.*

# Hollywood Spa

**HALF ERECT**

Directed by F. J. Lincoln; starring Serenity, Jill Kelly, Felecia, Emmanuelle, Papillon, Jacklyn Lick, Ruby, Colt Steele, John Decker, Steve Justice, Big T. and Alex Sanders. Videocassette: Wicked.

*Hollywood Spa*'s only audible dialogue is the jizz-curdling ululation of rock-sacked Ruby, a honey-blonde who screams like her head is being cut off as the longhaired Fabio of porn, Colt Steele, bumps his bone up into her woochie. Because the tape sounds as if it were shot in a wind tunnel, the plot is difficult to discern: Serenity checks her fat ass into a big house with a pool and a wet bar and proceeds to boff Steele and a quartet of rug munchers. The director deftly captures a rollicking foot fuck stubbed into Serenity's clam by a recently reboobed Jill Kelly, but fails to frame his star's legendary shelf of rump roast while Colt does her doggy-style on a tennis court. Serenity returns home to find her beau slamming the high, hard one into lascivious Jacklyn Lick and flees to find solace in a Eurasian chick's half-slanted poon. *Hollywood Spa* is good for one or two rubdowns, but it won't totally relax a tense wiener. —*R. C.*

*HOLLYWOOD SPA: Ruby drooling for Steele's dong.*

# The Attendant

**THREE-QUARTERS ERECT**

Directed by Paul Norman; starring Kaitlyn Ashley, Missy, Jamie Lee, Nadia, Kay London, Charlie, Jonathan Morgan, Mike Horner, Mickey G. and John West. Videocassette: Sin City.

Kaitlyn Ashley has not lost her appeal after years of being royally fucked in hundreds of hard-core video rolls. Her cute, pleasantly dishevelled face is still an ideal place for spraying pent-up spuzz after a vigorous workout with her sphincters or flappy-lipped joy hole. In *The Attendant*, Ashley plays a washroom wench who wears a French-maid costume and works her way into whoredom by jerking off a customer's shaft into a piss- and cigarette-butt-filled urinal. Everybody's got to start somewhere. The big, porkable, blond Kay London starts on her knees, giving hummers in the john. It's hard to believe that in real life, Mike Horner is paid to spray his gunk over London's slut-doll face and dough whoppers. In another tiled chamber, Ashley and Missy bitch-slap each other's knockers and test out various choke holds on their windpipes while Mickey G. pummels Ashley's quim and Missy's shit can. Both chicks look a little crazy, especially when Ashley and Missy press their spit-covered chins together and share a burst of wad from Mickey's prong. In *The Attendant*, life in the toilet never looked so good. —*M. A.*

## HUMMER LOVIN'

*Zowie!* I met the coolest, sweetest, peachy-keenest girl at the beach this summer. Jessica is a 19-year-old Junior Achiever, she loves the music of Hootie and the Blowfish—and she swallows! That hot little teenage tramp slurps down all ten inches of my turgid tool without batting an eyelash. Gosh, I feel like the luckiest guy on Earth each time I dump a quart of hot spunk down her pipes. If I can talk her into taking it up the ass, I'll probably die from happiness!

Believe it or not, there was a time when Jessica and I didn't get along. My family vacations at North Carolina's Outer Banks, where my Uncle Gordon has run a bait-and-tackle shop for years. Next door there's a hoity-toity seafood restaurant named Pelican Paradise. Every few months, the owners of this glorified clam bar petition the city to drive out Uncle Gordon. The bluenoses claim Gordon's ramshackle night-crawler stand is an eyesore. Little did the Paradise snobs know, I had my eye on their tasty, brunet, teenage daughter—and I planned to bait and tackle my way into Jessica's tight pants. First, I had to overcome the difficult fact that the surf-and-turf princess hated my guts.

"I'm sorry," sighed Jessica when I showed up at the Paradise in my T-shirt and tattered shorts. "We don't allow transients in the dining area. There might be some day-old fried shrimp back in the Dumpster." She talked a good game, but the tiny-topped chickie's cool demeanor was betrayed by the aroma of her increasingly steamy cunt. It could have been the rainbow-trout special; I'm not one to split pubes. I was willing to bet that the freshly scrubbed beauty never saw a crotch bulge like mine on any of those decrepit old farts lined up for the lunch buffet.

I pleaded, "Come on, Jessica, give me a chance. You and I are like Romeo and Juliet—our parents are sworn enemies; yet I'm uncontrollably drawn to your cute, little bazooms." To illustrate my point, my hands lunged forward. Unfortunately, so did Jessica's right hook, socking me in the jaw. I cupped my face in agony and waited for the world to stop spinning.

"You disgust me," Jessica spat, her perky nerps quivering with excitement. Under her breath, she added, "Meet me in your uncle's fish locker at midnight." Even though the blow to my pride was reverberating through my skull, my beef stick jumped for joy.

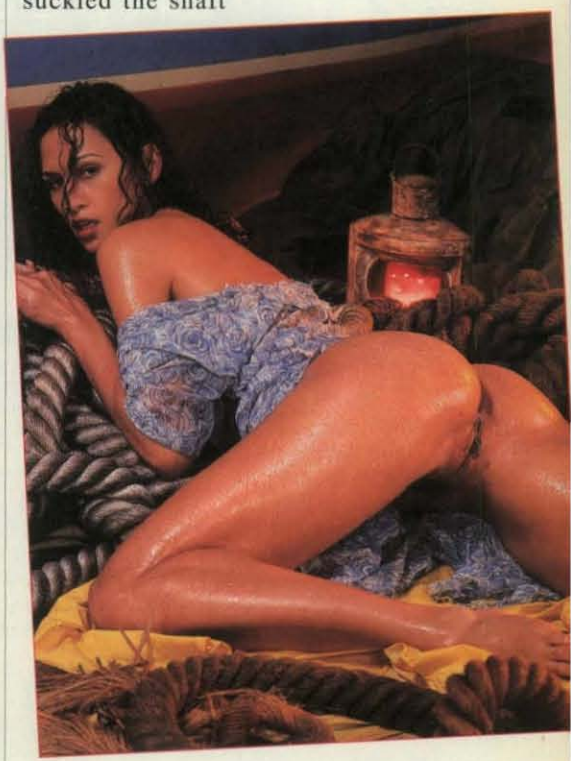

A fish locker is hardly the ideal place for a romantic rendezvous; in fact, it's downright disgusting. Gordon hadn't cleaned out the rusted tin hut in more than five years. In a testament to the determined nature of my penis, I stood among the heads, guts and tails for several hours before I was ready to give up on Jessica. Finally, at about a half an hour before sunrise, I had no choice but to dismiss our promised liaison as a ball-busting goof. Chalk one up for the female of the species.

Storming off for a few minutes of one-fisted action, I felt an unexpected tugging at the seat of my jeans. I turned around and heard the sound of denim ripping; a fish hook was caught in my pants. With one hand struggling to cover my exposed butt cheeks, I followed the hook's line back behind a stack of tackle kits. There sat Jessica, stark raving nude and reeling in her bare-assed catch!

"Give me that rod," I demanded, tearing the offending pole from her grasp, "and try mine out for size." I went ahead and tore open the crotch of my jeans; I can always get another pair, but a piece of succulent ass is something to be treasured. If the first sight of my hairy baby's arm impressed Jessica, she did a good job of hiding the astonishment.

"I may have to throw you back," sniffed Jessica. "That thing hardly looks like it's up to regulation." What a sarcastic little lady; I couldn't wait to drill her wise ass. In her crouching position, yawning in feigned boredom, Jessica seemed to silently beg for a hard cock between her lips. I happily obliged, grabbing my purple monster by the head and aiming it down Jessica's throat.

Jessica not only accepted my member's intrusion, but she slurped and suckled the shaft

with hungry abandon. I'd say it was the single greatest humjob I've ever received—except last night she did a trick with two ice cubes and a pair of wax

**Her teasing, girlish bottom rose toward the dilapidated roof in a holy offering to my dong. I grabbed the bent-over beauty's hips and rammed her snatch full of wood.**

lips that was pretty mind-boggling. That's another story, however; back in the fish locker, Jessica quaffed my dong with the fervor of a first timer—and the finesse of a seasoned whore.

"Jesus Harold Christ," I moaned. My fingers gently stroked her amber waves of silken hair, and I pulled her head even further upon my manhood. "Just keep doing what you're doing, you foxy cocksucker." What Jessica was doing involved tickling her soft tongue upon my pump's underbelly. She alternated the butterfly kisses with a deep, pistoned sucking action, massaging my meat within the gooey goodness of her esophagus. I felt a subliminal rotation engulf my pelvis; Jessica gasped between strokes as I fucked her face.

The intensity of her technique had me a little too close to climax. I reluctantly withdrew. There had to be some way for me to calm down before sticking it to Jessica's honeypot. Maybe if I turned my attention toward fondling her creamy teats, with the delectable, pink nipples....

I cried, "*Uh-oh*," just before involuntary spasms coursed through my cock. With a few violent twitches in the night air, my engorged dong ejected a rapid series of spurts all over Jessica's chest. Believe it or not, my spunk-drenched fuck buddy didn't seem to mind the premature ejaculations; in fact, she excitedly dove for the opportunity to sup liquid protein straight from the now-flaccid nozzle. That's the sign of a choad-chomping champion! The more she sucked, the harder I grew, until Jessica had revived my johnson like a fellatio faith healer. Is it any wonder I fell in love, right there next to a gutted sea bass?

"You look about ready to stuff my cunt," panted Jessica, staring cross-eyed at my girth. All that beauty and observant too! Without a moment to spare, I pushed an iron drum of kerosene onto its side. Soon I had Jessica literally over a barrel. Her teasing, girlish bottom rose toward the dilapidated roof in a holy offering to my dong. I grabbed the bent-over beauty's hips and rammed her snatch full of wood.

Jessica screamed as if she had been stuck with a massive, red-hot poker. Come to think of it, she had. Forget about the sensitive approach; I fucked her in quick, devastating thrusts, simply pushing toward a second nut. The moaning that emanated from below me indicated that Jessica had no complaints. She braced herself on the filthy floor and rocked back and forth with my poon jousts.

Outside, the waves crashed against the beach with a steady roar. From my ass-filled vantage point in the fish locker, I only had ears for the constant squishing and slurping of my knob sliding into Jessica's guts. The musky scent of our juicy, sweaty coupling filled the air with all the potency of a spoiled haddock.

"Here it comes," Jessica announced, in what could only be a reference to her sopping twat. Contractions consumed her vage, and Jessica embarked on a bucking, howling orgasm. The throb of her climax was so spectacular, I fired the evening's final load deep within her sex. A healthy coat of sperm only served to make her pussy more fuckably slick. I stayed within Jessica's love canal for another 15 minutes before finally withdrawing my exhausted pecker.

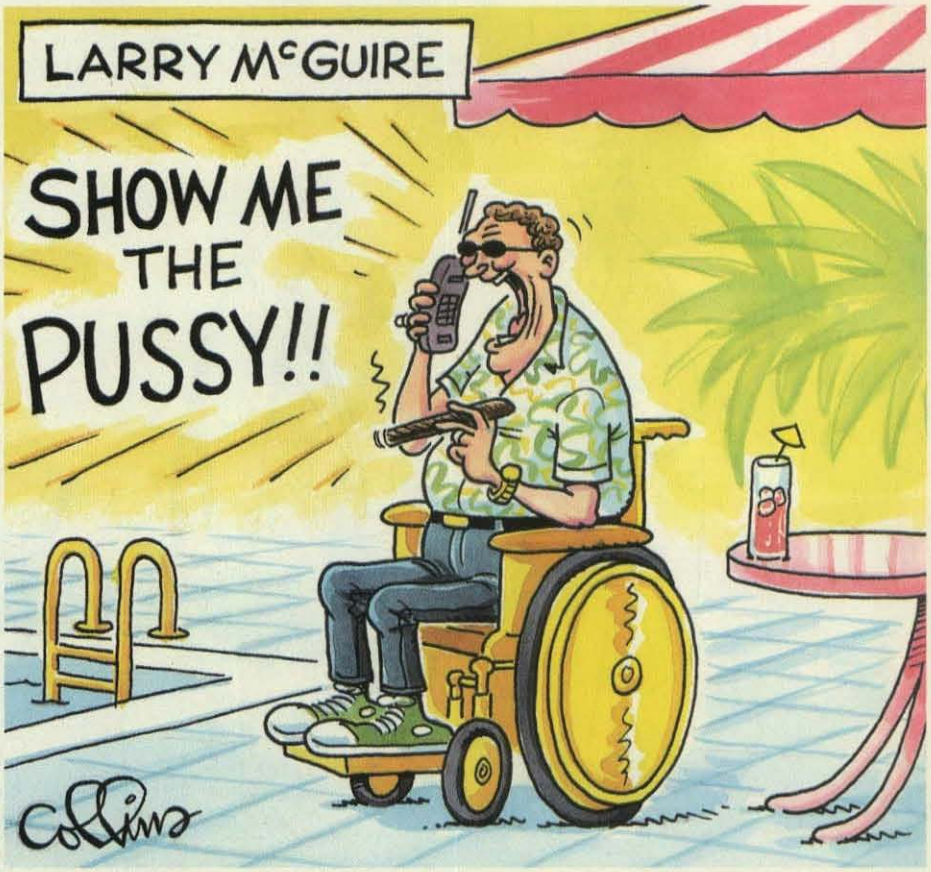

By that time, the sun had come up, and I was overcome by the romance of it all. Jessica and I really were like Romeo and Juliet! Except our story has a happy ending: I stole a batch of Uncle Gordon's files and turned it over to Jessica. Her family finally found the leverage to tear down Gordon's stand. Bankrupt and depressed, my uncle disappeared after a mysterious boating accident—but I'm happy to report that Jessica has stuck around to be my steady girlfriend. Like I said, *zowie!*

## HEAVYWEIGHT TRAMP

I know a lot of you HUSTLER readers like a lady with some meat on her bones. Baby, I'm the whole damn butcher shop. I'm a saucy, full-bodied slab of sex in high heels. For the past five months, I've made my living selling ass on the corner. Why not? I've certainly got enough rump roast to go around. Usually I'm too busy fucking and sucking to share my exploits with America's Magazine. Last night, however, I turned a trick that inspired me to drop my ham sandwich and pick up a pencil.

Don't ask me the mook's name; all I know is, he must have been some kind of millionaire to afford such a fancy limo. I haven't seen anything that long and black since the last time my pimp got drunk and attacked me. When the high-class stretch pulled up next to me, I nearly came on the spot. Maybe this john would be just like Richard Gere in

# Hot Letters

**My womb felt like a punching bag; the withered bastard beneath me may not have been as handsome as Muhammad Ali, but he stung like a bee and was hung like a horse.**

*Pretty Woman.* Or maybe the guy would just want me to stick a gerbil up his ass. Either way, I was game for whatever the tinted window rolled down to reveal.

My suitor turned out to be a distinguished older guy. He kind of looked like a certain newscaster with silvery hair; unfortunately, I've never watched the news enough to remember the anchor's name. I only turn the television on so my neighbors won't hear me having rough sex.

Apparently, this very important pussy hound was a chubby-chaser. He complained that I wasn't really fat—just voluptuous—but I promised to rock his world like any Bertha twice my size. The two of us agreed to make magic in the back of the limo while his Armenian chauffeur drove us around.

I always like to start with a nice, sloppy blowjob at no extra charge. You could say I'm the proverbial hooker with a heart of gold—and a compulsion to shove big, beefy snacks down my gullet. Cock fits the bill quite nicely in those moments when a meatball sub is nowhere to be found. For such an aged degenerate, the old boy had a surprisingly well-preserved peter.

The sexy senior citizen seemed to enjoy my bobbing for ball sauce. He tugged at my neon-green miniskirt, exposing my fat ass for the chauffeur's silent leer. Grandpa dug a few wrinkled fingers into my cunny; when the wriggling digits were sufficiently sticky, he switched to frigging my bung. All the while, his free hand was lovingly caressing folds of flesh that bunched up around my waist.

Suddenly he ordered the chauffeur to pull up in front of a fancy condominium. Pops used to be married to a hefty honey, it seems, and now he gets off on fucking whores right under her window. Whatever floats your boat, I always say, as long as you don't try to pay with a personal check. A few months ago some poor sap tried to pull that scam, and I had to sit on his face until he ponied up the dough.

I struggled to climb onto the geezer's lap within the confines of the incredibly cramped backseat. All right, so a spacious eight-door limo might not be your definition of cramped, but I told you there's a lot of me to love. After a bit of huffing and puffing, I felt that graying railroad spike drive home between my thighs. I don't know if he hit my G spot or if the general atmosphere of cash had me hornier than ever; whatever the case, tremors were rippling through my big pussy like a vaginal chain of dominoes. *Mmm*...that makes me think of pizza. At the time, however, all I thought about was his big pepperoni.

"*Wow*," I blurted, genuinely excited. "You're good! I never come during insertion, but the way you move that thing has me creaming like a milk cow." A lecherous grin spread across my client's face; he rolled down the window and leaned his head out.

He yelled, "Do you hear that, Martha? My ding-a-ling can breathe life into a tired, bloated, old whore's worn pussy! This corpulent slut's got enough room for a family of four in her snizz, and yet the stroke of my cock makes her swoon like a Catholic schoolgirl!" Quickly, he turned to me and added, "No offense, dear."

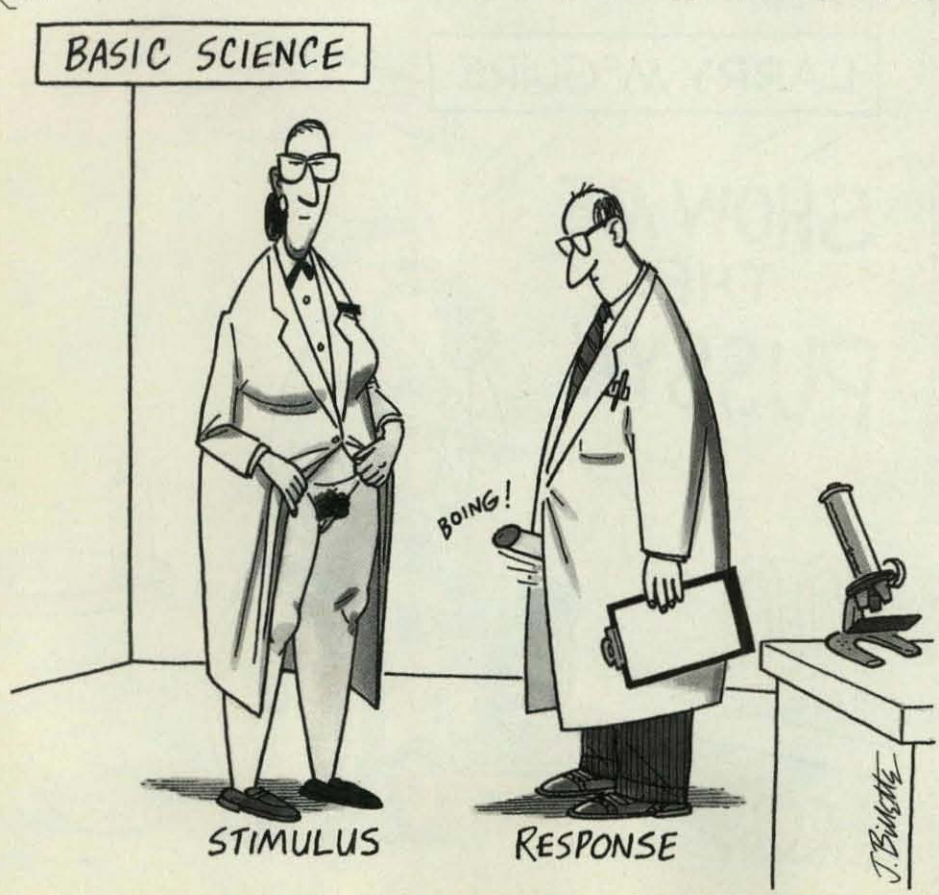

"None taken," I grunted, bouncing in the lap of Methuselah. I swear, that old prick was touching me in places I never knew existed. My womb felt like a punching bag; the withered bastard beneath me may not have been as handsome as Muhammad Ali, but he stung like a bee and was hung like a horse. I loosened my top to set free the gargantuan knockers that earned me the high-school nickname I still use for hooking: Boom-Boom.

"Oh, Mama," babbled my cobweb-covered Romeo. He suckled my nipple the same way he probably goes after a plate of creamed corn. In all honesty, the guy was a bit too enthusiastic; he drooled everywhere and nearly sucked off my tattoos. The burning ball of ecstasy that traveled through my crotch made it easy to ignore his messy nerp worship.

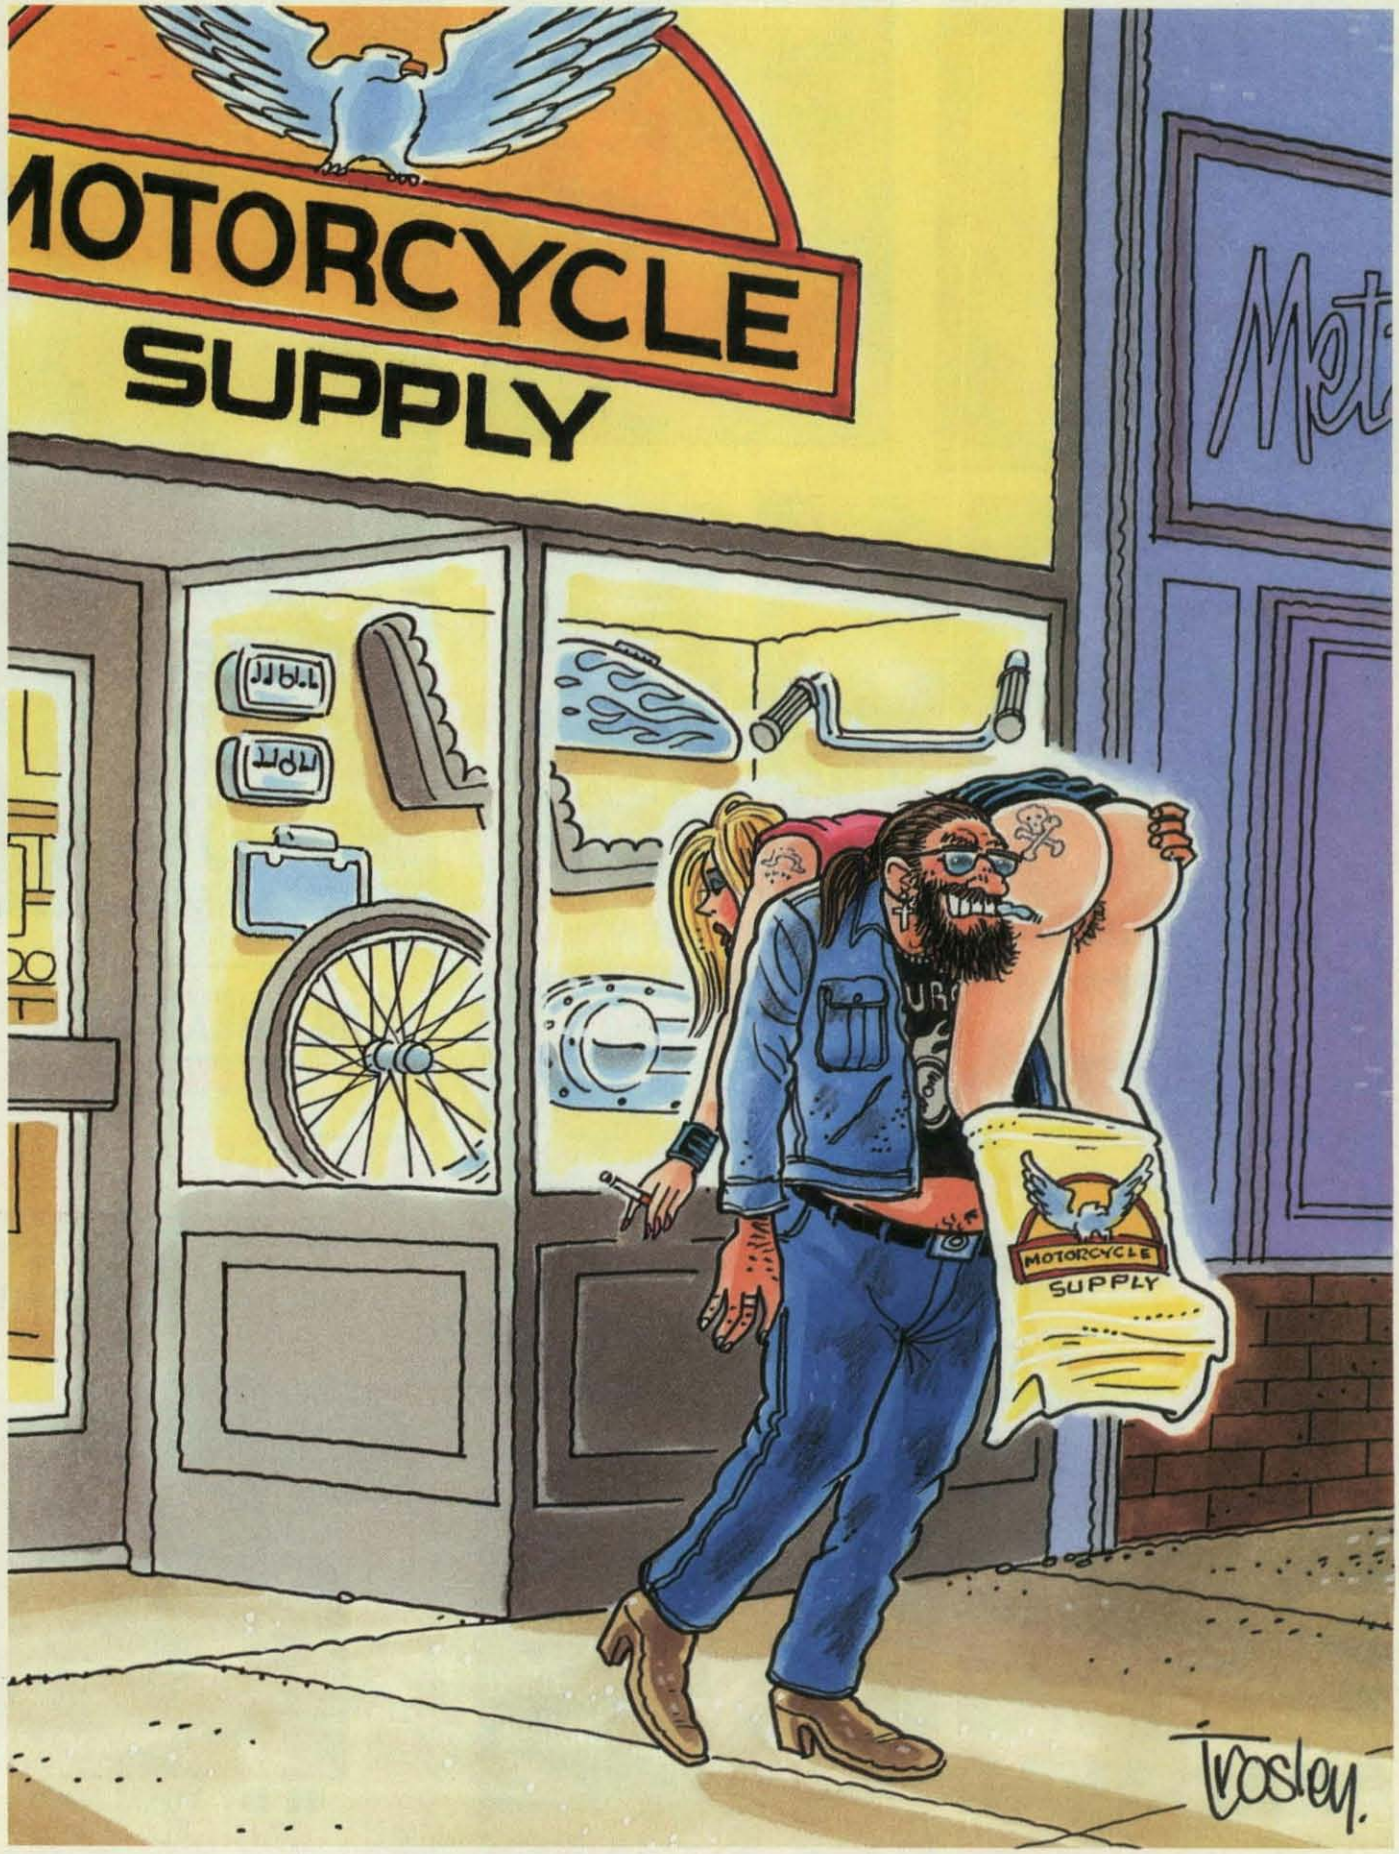

I grabbed the fogey by the shoulders and rode out a wave of orgasms. As I shook his limo to its very foundations, the fossil shouted, "Hear that, Martha? This big, fat bitch is coming rockets! I've still got it, you frigid whore!" With that, he pulled out and shot a geyser of spew straight up my belly. I licked some off after he kicked me out of the limo; it was rich, just like the sugar daddy who shot the wad.

Not a bad ten minutes of work for $750. He claims he'll be back twice a week; maybe I can break off from my pimp and find more time to write to HUSTLER. That, and eat more meatball subs.

# A Spiritual Guide to Holding Loads

## Ejaculation Control by Ishtara

BY RUTH CALLETT * ILLUSTRATION BY ALEX WALD

*It's Friday night. Spike, a 30-year-old trucker, parks his rig outside his girlfriend Lulu's house. As he hurries up the walkway, he feels his prick straining against his jizz-stiffened jeans, eager to be through the door and into Lulu's waiting cooze.*

*"You're in for a treat tonight," Spike reminds his dick. When he hit the road on Monday, Lulu was acting edgy. But on the phone this morning, she told him she had a "surprise" that would improve their sex life.*

*Improve? Spike wrestles his cock out of the way to get his keys out of his front pocket. How could it be better? Whenever he sees Lulu or even thinks about her, he has to blow a load right then and there, into whatever seems handy—when he's on the road, that's usually his pants.*

*Chicks! he thinks. Always fixing stuff that ain't broke! When Lulu discovers how hard his cock is tonight, she'll know she has nothing to worry about.*

*Spike spots Lulu lounging on the sofa. "Oh, yeah, baby," he growls. Slamming the door, he leaps on top of her, groping and licking whatever his hands and mouth can reach. "Your tits are so big, baby!" he groans.*

*"Spike, those aren't my tits—that's my ass!" Lulu's muffled voice exclaims. "Get off me, you fucking lunatic!"*

*Spike can't control himself when Lulu talks dirty like that. As he hears the words tits, ass and fucking come out of her hot mouth, he succumbs to the atomic pressure building in his balls. He bellows like a bull, and his body jerks violently. Blast after blast of man milk pulses against his pants zipper, spurting out between the metal teeth and dripping onto Lulu's ankles.*

*"That was great, baby," Spike sighs after the creamy tide has finally ebbed. He feels himself drifting into sleep. "Like always," he adds, remembering that she's been wondering whether she satisfies him.*

*As he consolingly pats her knee, Lulu kicks him onto the floor.*

*"Oh, no you don't," she says. "You're not going to sleep. You've got some work to do!"*

*"Wha—?" Spike gapes as Lulu marches over to her stereo.*

*"I bought this tape," says Lulu, "that'll teach you not to shoot your load five seconds after you see me. You either listen to it for 30 days, or we're through."*

*Lulu presses PLAY.*

*"Hello," says a breathless voice with a French accent. "My name is Ishtara. A new world of sexual pleasure awaits you...."*

* * *

Three months later, Spike has not only mastered ejaculatory control, but is also teaching other men the secret tantric "sexercises" he has learned from Ishtara's audio seminar. Spike, who prefers his sacred Indian name Samosa, sits cross-legged on the floor of his living room, his loincloth distended by his unflagging erection, and explains Ishtara's program to newcomers.

"See this?" he asks, pointing at his lap. "Before I mastered the five steps to ejaculatory control, I would've splooged ten times by now. I didn't understand why anybody would even want to keep his lingam hard for longer than a second. It felt good to shoot a wad."

"Look," interrupts Hal, a 40-year-old construction worker. "I only agreed to do this because my old lady's been bitching. She says I suffer from premature ejaculation. But let's be honest—I don't suffer! She does! So why should I be sitting around with you fags?"

Samosa smiles at Hal through his matted beard, a sublime twinkle in his eyes. He passes around a serving dish of betel nut.

"I felt the same way at first, Hal," he says. "Ishtara was telling me to breathe funny, exercise muscles I didn't know I had—she even said I shouldn't dump my oysters when I beat off!"

The men murmur in consternation. Several stand up hastily and make for the door. Hal slams his fist into the coffee table.

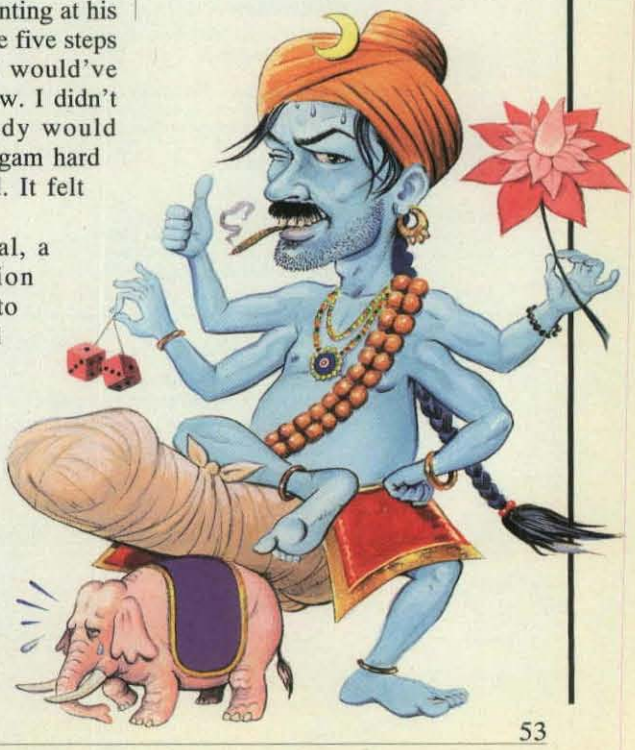

Samosa holds up a palm, lights a Ganesh bidi and continues:

"But Ishtara trained me to 'redirect my sexual flow upward into my body.' That probably sounds like crap to you right now. I'd always thought of all that stuff as New Age, yoni bullshit. But one day, I had an orgasm without ejaculating. The next day, I had two."

The men sit down again, rapt.

"Pretty soon, I was wearing out my girlfriend, coming more often than she did, but never losing my hard-on. Lulu boasted to her pals, and they started dropping by to test me. Two or three were waltzing in a day, putting on dyke shows, letting

# Sex Play

**"Suddenly, she shoved three fingers between my asshole and my balls. I couldn't come, but I also couldn't breathe. A few seconds later, though, my rod sprang up, good as new."**

me ream their poopers, drooling on my schlong as I watched porn tapes! Many were willing to pay my stiff pole by the hour. I quit trucking because it ate up too much fucking time. I had more pussy than I could handle, but I hadn't launched a zygote in six weeks. I decided I had a karmic obligation to share Ishtara's secrets with others."

Samosa removes his ornamental lip disk and stubs out the last of his Ganesh bidi into it. Then he introduces Drayton, a 45-year-old fellow graduate of Ishtara's program.

"I teach feminist jurisprudence at a small junior college," explains Drayton. He wears thick eyeglasses and combs greasy strands of hair over a gleaming bald spot. "Everywhere I look, I see bouncing 18-year-olds whose pussies promise to be as tight as their perky asses. For years, I tried to persuade the dumb ones to blow me. But whenever I got one alone, I'd spurt like Old Faithful before I could even force my choad between her lips. Word gets around a small school like that. After a while, the girls just laughed."

Drayton hangs his head as Samosa swings a censer of smoking patchouli around his head and plays an instrument that mimics the cries of jungle birds.

"I tried everything," Drayton adds. "Finally, in desperation, I begged a shrink to put me on Prozac. I'd heard it caused ejaculatory delay."

Drayton smiles ruefully. "When I woke up three months later, I'd quit my job, sold everything and was living in a commune. I confessed my problem to one of the New Age chicks there. She took off her shirt. I was sure I was gonna blow, but suddenly, she shoved three fingers between my asshole and my balls. I couldn't come, but I also couldn't breathe. A few seconds later, though, my rod sprang up, good as new. She slurped it into her throat. Again I thought I'd spew, but she stabbed me in the same spot. *Wow!* After what seemed like hours, she finally let me cock-paint her uvula. I'd lasted three minutes. It was a record!"

The men burst into applause. Drayton flushes and takes a seat on the floor next to Hal, who pounds him on the back.

"Drayton's liberator," says Samosa, shaking a rain stick, "lent him this tape, and he practiced these exercises."

"I feel reborn," weeps Drayton gratefully. "When I went back to teaching, my new confidence showed. The girls came to me. After I'd bent one over my desk and drubbed her rosy, virgin sphincters for three solid hours without dropping a single curd of prick porridge, she told everybody that I fucked like a machine!"

With an aura of ancient tantric wisdom, Samosa reaches over to his boom box and presses PLAY. The men gradually relax to the nuances of Ishtara's accent. There are some murmurs of pain as Ishtara urges them to tighten their pubococcygeus and sphincter muscles, and during the "pubic rocking" exercises, Hal gets a charley horse and shrieks out loud. But by the time the tape is over, the contentment in everyone's eyes lends weight to Ishtara's faith in ejaculation control "as a solution to world peace."

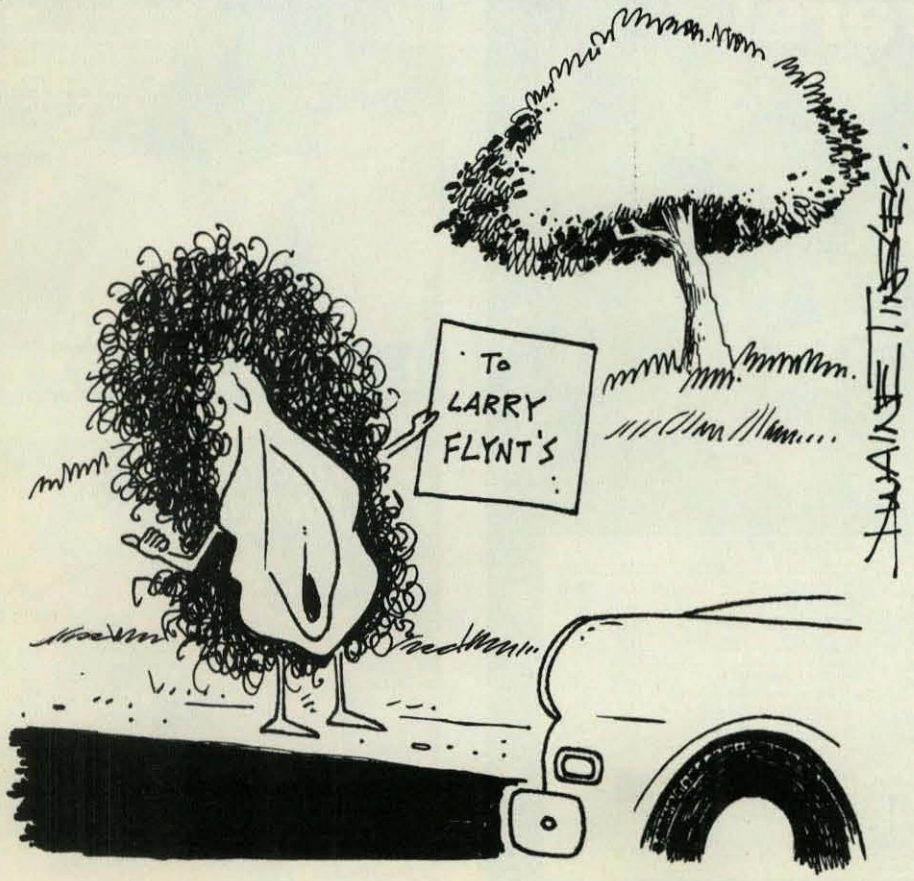

"Why I liked it," enthuses one transformed participant, "was that she seemed to care so much about my feelings. Basically, I have some concerns about the size of my meat sword. But Ishtara reassured me: 'It's not how long you are, it's how long you last.' At least I think that's what she said."

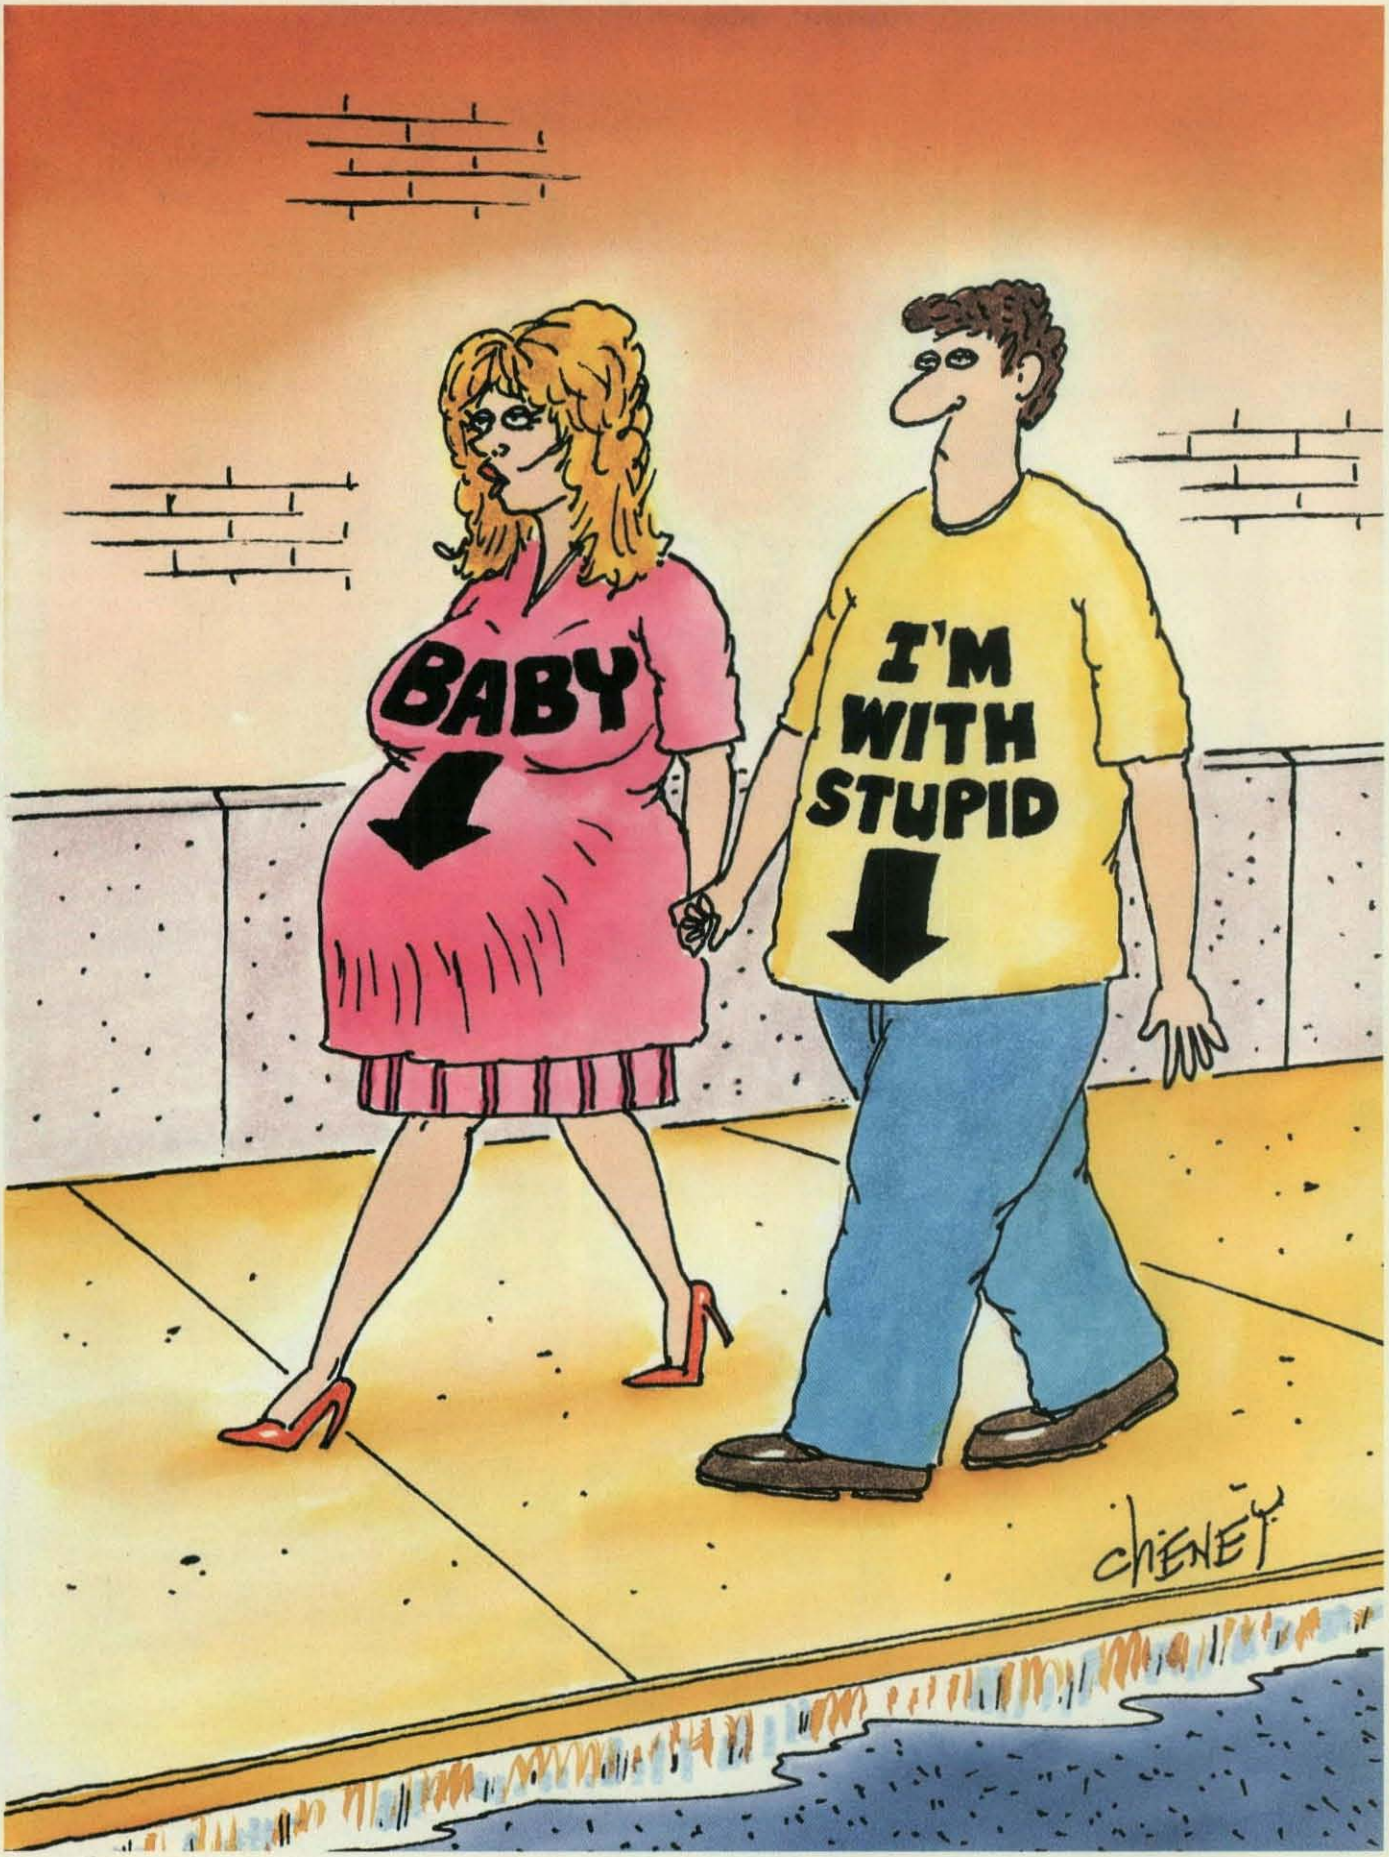

"I like the way she encouraged me to think of my anus as my 'best friend,'" admits another. "I knew I should feel close to my anus, but I never knew just how close."

Seminars such as Ishtara's naturally attract their share of critics. According to Lotte Krinkle, author of the best-selling New Age tract *Men Don't Have Spirit Guides*, "Multiple orgasms are for women. What will selfish bastards try next? Menstruating?" Dr. Arlon Firm, a certified semenologist at the California Institute for Regressive Sexual Terminology, voices a different concern: "Delayed ejaculation can result in a painful condition known as priapism, in which the phallus is constantly stiff. In the vernacular, it's not healthy to hold back a real creamy load."

"Oh, sure, my balls have ballooned to about six times their previous size and turned the color of an eggplant," admits Samosa, wincing as he stands to see his pleased students out, "and sometimes I suspect I have a little too much control over when I can ejaculate, which is never. But all in all, I'm happier and more sexually fulfilled than ever."

# Ginny Really Happy Trails

PHOTOGRAPHY BY MATTI KLATT

The Southwestern sun beats down on Ginny. Many hours of waiting lie ahead before the next bus out of town.

Ginny engages in her favorite pastimes: tanning, exhibitionism and masturbating.

"How could I be bored when I own this body? My brain is full of nasty thoughts. I just put my fingers on autopilot."

Why is she leaving?

"This town is too small for me. I need a variety, and I've already sampled all the local talent."

Where is she headed?

"Well," she drawls, "I hear that everything's bigger in Texas."

# THE SAN FRANCISCO STRIPPER WARS

## Beautiful Dancers Band Together to Save a Notorious Sex Club

REPORT BY PETER ARNO
PHOTOGRAPHY BY CRAIG MOREY

Feminists and lawyers are petitioning the court to tame the infamous sex performers of San Francisco's O'Farrell Theater—to rescue innocent women from the clutches of a dirty industry. Problem is, these lovely young dancers don't want to be saved.

# Strippers

**Men pay $40 to get in the door on weekends and happily shell out much more to see everything from elaborate stripteases to pussylicking, dildo penetration, fist-fucking and beyond.**

*Six nude nymphs rise into the air. Writhing together, they kiss and giggle, licking one anothers' perfect pussies, nibbling nipples, tickling and fondling pert breasts. One angel pulls off her friend's panties and playfully snaps them at another girl. A crowd of men watch in silence, hypnotized, as the stage once again descends, and the girls move into the audience, hopping onto the tables. One sprite unpacks a giant double-headed dildo and lube from a cute, pink case as though playing tea party with four stunned businessmen, each more than twice her age. She drapes each nimble leg over a man's shoulder while her giggling girlfriend slides the toy in the sprite's giving lips, licking and slapping her ass. Smiling nubiles take men by the hand and lead them to booths for private parties. Other girls lean back and happily spread their shaven crotches a millimeter from flushed, gaping male faces. The men stare in wonder, as if struck dumb by a miracle.*

* * *

Sound like a dream? Yes, but a dream money can buy, and it recurs every 90 minutes, every night, at The Mitchell Brothers' O'Farrell Theater in San Francisco, California.

Since its doors opened in 1969, the O'Farrell Theater has remained the most notorious strip club in California, perhaps the country. The house showcases the hottest girls doing the nastiest things in pleasant, consumer-friendly surroundings.

Girls compete to work at the O'Farrell. Every Monday many lovely young women must be turned away from the overbooked auditions. Men pay $40 to get in the door on weekends and happily shell out much more to see everything from elaborate stripteases to pussylicking, dildo penetration, fist-fucking and beyond.

All of this debauchery takes place in a setting that has more in common with the multiplex movie theater than a typical titty-bar dive. The O'Farrell features a snack bar, a cash machine, uniformed security personnel and seven different rooms for gynecological flashlight shows, wall dancing and private jack-off sessions. The club is an X-rated Disneyland, the hard-on's Magic Kingdom.

Throughout its checkered history, the O'Farrell, founded by Jim and Artie Mitchell of *Behind the Green Door* fame, has withstood constant attack and scandal: obscenity and pandering trials, decency crusades and, most infamously, the 1991 arrest of Jim Mitchell for the shooting death of his brother, Artie. (Jim is currently serving time in San Quentin State Prison for voluntary manslaughter.)

Now the O'Farrell is under assault again. A group of former strippers is suing the theater. What's more, the girls of the O'Farrell, the strippers themselves, are fighting to protect their club.

* * *

June, a svelte girl with close-cut, dark hair, has been working at the theater for eight years.

"They give us roses on Friday and Saturday nights, and Christmas and Valentine's presents; champagne every night at ten; big, catered parties with male strippers. They're coming from a hippie, pot-smoking, let's-treat-people-like-human-beings philosophy. And that's everything, because it's still stripping, and you're dealing with assholes sometimes."

To June, the Mitchell Brothers' is the Ben and Jerry's of nude dancing, organizing toy drives and raising funds for charities, lending women money and paying their way through rehab. She also describes a supportive, "sorority" atmosphere among the dancers. "I see new girls come in from other clubs, and they're locking their stuff up, and I tell them, 'Honey you can leave $2,000 sitting out, and somebody will find you and give it back.'

"Top strippers don't need to compete with anybody else."

At the O'Farrell, June makes enough working weekends to spend most of her time pursuing an acting career. She recently took three weeks off on short notice to take a trip to Bali. Now, because of the lawsuit, her lush life may be in jeopardy.

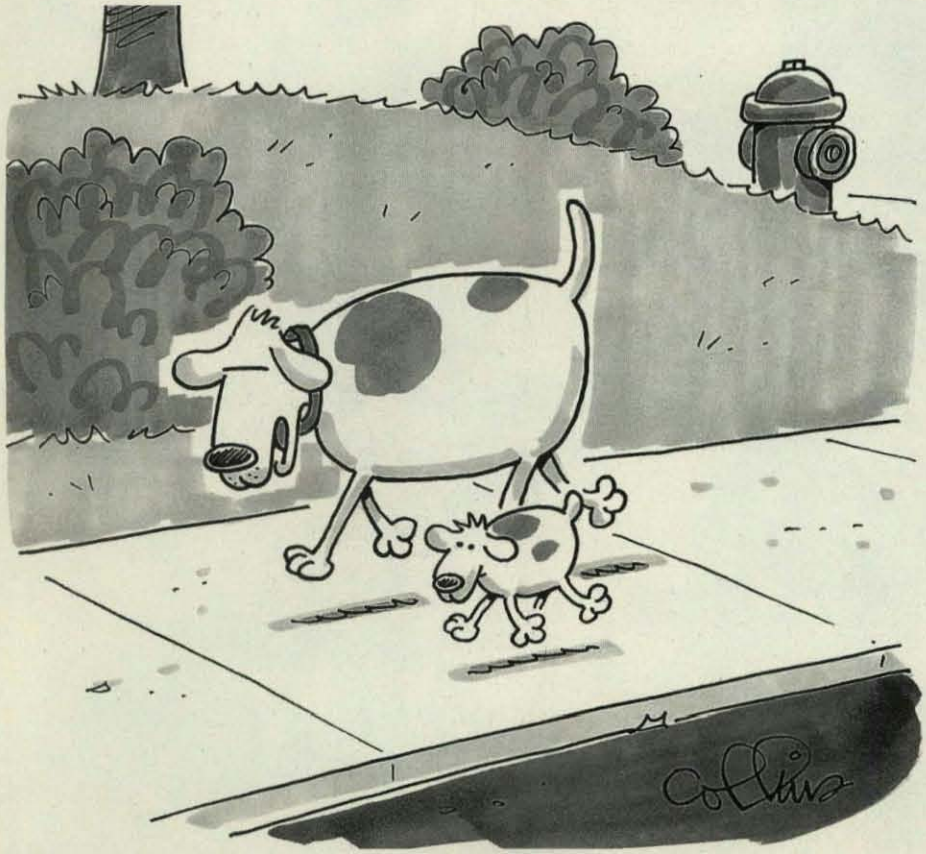

"This is not only about money. It's about freedom and living a certain lifestyle. The girls who work there now are happy. We don't want somebody else who has a grudge to decide our fate."

On March 24, 1994, Ellen Vickery (who danced under the name Lilly Braindrop and was formerly the publisher of *Taste of Latex* magazine), Jennifer Bryce and other former dancers filed a class-action lawsuit charging the O'Farrell Theater with unfair labor practices. Represented by attorney Beth Ross, the plaintiffs claimed that the dancers at the O'Farrell, who were hired as independent contractors, were and are in fact employees.

The ex-dancers are suing for a total of more than $5 million in back pay and benefits. All present and future dancers would also be considered employees if the plaintiffs are successful.

At first glance, the reasons why dancers might want to be employees seem self-evident: Presently the club owners pay the girls nothing and give them no benefits of any kind. The management collects a hefty entrance fee from patrons at the

During the week, she's a stockbroker at a staid Los Angeles firm. On the weekends, Lesliee Ann reinvents her libido with nasty role-playing.

"I'm a warrior princess in an untamed world, hunting for the man brute enough to satisfy my carnal desires," pretends Lesliee Ann.

"The dockers at the office would wilt if they ever confronted this side of me," she sneers boldly as she exposes her mound.

Why the faux animal print?

"I'm a member of PETA. I only hunt what I can eat."

She licks her chops. "Guess who my next meal will be."

door. The girls pay a $30-per-shift booking fee to their agent and keep whatever they make in tips (often a considerable amount, ranging from $100 to $1,000 a shift). Several similar cases against other clubs have been successful, and both feminist and labor advocates have been quick to rally round the plaintiffs, who present themselves as exploited women victimized by a dirty industry.

In October of 1996, a group of strippers currently working at the O'Farrell hired their own lawyer and paid him a $4,000-a-month retainer to argue their cause. They *want* to remain independent contractors. They insist they aren't exploited victims. They like stripping, and they like the O'Farrell the way it is. They formed their own organization, the Independent Dancers' Association (IDA). Of the approximately 150 women who grace the theater's stage on any given week, more than 120 have joined.

* * *

Over lunch at a Thai restaurant, Nikki, Stacey, Dusty and Taylor, members of the IDA's board of directors, discuss legal strategies, fund-raising and another girl's request that they follow parliamentary procedure at the next association meeting. All strikingly libidinous, the women draw stares from the restaurant's patrons as they detail life in the club that they consider "the haute couture of the sex industry."

Radiant and eight months pregnant, Nikki Alexander no longer dances. She claims she earned a Ph.D. in Chinese medicine while stripping and is unsure whether she'll return to the O'Farrell after her child is born. Still, she feels strongly about fighting the lawsuit and is concerned about the effect that the public stigma against strippers could have on the judge and jury in their case.

Nikki continues: "And another thing is, in the history of the United States, unions protected poor workers, and there's still the tendency to equate unionization with freedom. But this case is different."

As independent contractors, dancers make their own schedules, take time off when they want and are free to choose their own music, costumes and dance routines. As employees, they would lose these rights. The briefs prepared by IDA attorney David Barry note, for instance, that the performers "generate the content" of girl/girl sex acts with "such names as Freaky Fraulines, Horny Wedding Brides, Nasty Nurses and Executive Sexy Sluts." He also points out the elaborate costumes and supplies (like panties and lube) that performers purchase (and can write off), and he calls the judge's attention to the fact that strippers "commonly spend many thousands of dollars on plastic surgery to enhance their appeal."

The IDA projects an image of the '90s stripper as a new hybrid of self-empowerment feminism, sexual liberation and free-market capitalism: smart career women who manage their assets without paternalistic constraint; sex kittens with stock portfolios.

Another preconception that Nikki worries might weigh against them in a jury trial is the inverted bias toward strippers: not that dancers are trashy sluts, but that they are helpless waifs who need to be saved from exploitation. The women at the table dismiss this notion out of hand.

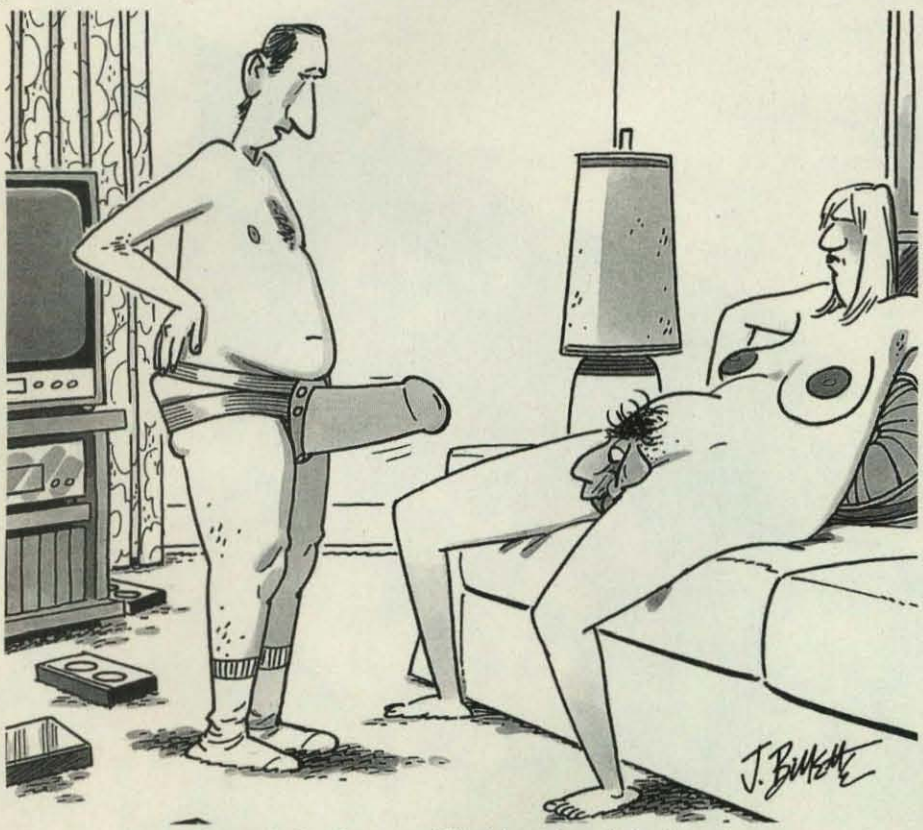

"For my sister and I, stripping was our yellow-brick road to independence," explains Taylor, an ethereal blonde whose younger sister, Dusty, also dances. "We come from a lower-middle-class family. We had most of what we needed and some of what we wanted, but the lifestyle we lead today—a nice home, a nice car, medical and dental insurance—this is something we could only have dreamed of."

The sisters insist that there's nothing exploitative about their relationships with the customers. "We're not seeing the men in the theater as a whole," Taylor points out. "We're seeing one side of their personalities, and it's the raw sexuality. I love men. I think that by dancing, I have much more of a grasp of what they're about."

Dusty, who dated one "sweetheart" through high school and began dancing on her 18th birthday, admits, "I used to be afraid of men. Now I'm not at all. I think dancing is one of the most liberating things a woman can do. You feel free."

Stacey Crawford, a coolly seductive brunette, outlines the relationship of working women to sex and commerce in starker terms. "I was a waitress. Who sat in my section? Men. I was a hairdresser. Who came to get their hair cut by me? Men. It was my looks that got me tips. It's the same now, except it's up front what I'm selling, and I get paid what it's worth." Stacey's product is worth a lot: She is putting herself through school and buying computer equipment for the special-effects business she hopes to start; she owns two cars and is buying a house with two other dancers.

For Tiffany Knight, a diminutive, high-energy blonde, dancing was an easy pick over the alternatives. "It's not even the money. I started doing this because I was tired of being told what to do. I'd worked enough jobs, and I was tired of being shit on by middle management. I did waitressing where I had to kiss somebody's butt

for $2. I'm done with it. I chose this as my career. I never want to go back to anything besides dancing. I don't know what I'm going to do if this club disappears."

Although the strippers are quite outspoken, their message seems to be falling on deaf ears: So far, the judge has refused to allow the IDA to intervene as a third party in the lawsuit. None of the women who are suing the club would agree to be interviewed for this article, but Beth Ross, the attorney for the plaintiffs, completely dismisses the IDA. "Gimme a break," she huffs. "The IDA is something that was dreamed up by the employers, and if you think differently, you better think again."

All the IDA members flatly deny this charge. "They're saying [Jim Mitchell] is coercing us to do this? How?" Tiffany Knight asks. "Are we going up to San Quentin and asking him through the bulletproof glass, 'Oh, Jim, what do you want us to do?' " To dispel the belief that they are puppets of ownership, the women have distanced themselves from the Mitchell Brothers' attorneys.

"Jim Mitchell is not the person to defend us," Leigh, who's 20, but looks like a junior-high Bettie Page, says in a nice piece of understatement. "He looks bad."

The women of the IDA are suspicious of their opponents' motives.

"Beth Ross," says Tiffany Knight, "is a feminist on a mission. I think she has problems with dancers in general. Some women think that HUSTLER, *Playboy* and *Penthouse* are degrading to women. You know what I think is degrading? Anything you're forced to do. But this is something we want to do. [Ross]'s telling us that she's saving us. I don't want to be saved. She's telling us that she knows what's best for us, but she's wrong. I don't think women understand that when we're up there on the stage, we're completely in control. If they have problems with the industry, they should go to therapy, not to court."

Anastacia, a petite blonde who says that stripping gives her the time and money to maintain an A average in pre-med courses, sees a baser motive than misguided idealism. "[The ex-strippers] are after money. They offered to settle with Mitchell Brothers', reducing the damages they are seeking to $1 million per girl who's active in the lawsuit. They also wanted three-year contracts with the Mitchell Brothers' *as independent contractors!* That's when I saw their true colors."

IDA members regard the plaintiffs as women "who were just sick of working, or who couldn't work anymore."

Or, as another young lovely said, "[In the stripper business] if you're too old, too ugly, too fat or too strung out, you don't work."

The dancers discuss breast enlargements and liposuction with the air of investors weighing business options and compare themselves to athletes and models, professionals for whom big money is the compensation for short careers. None seem insulted by the reality that they will be dropped when their looks fade, but then again, these women are at their peaks.

"It's like with a baseball player," explains Amy Ellis, a tall blonde. "If his batting average goes under .150, he's not playing anymore. I'm a college graduate. I could have another job right now. But it won't pay as much. I'm also not going to be 22 forever."

* * *

Tascha, a longtime Mitchell Brothers' dancer, began stripping a few years after her family moved to America from Eastern Europe. She pays the rent on her parents' Brooklyn apartment, put her two brothers through beauty school and now runs her own successful business. At a Castro Street lesbian bar, over a Jack and Coke, she reflects on the lawsuit in her voluptuous accent, periodically interrupted by rowdy dykes roughhousing around the pool table.

"Everyone says, 'Poor strippers.' That's bullshit. They're smart strippers. If they were fucked-up junkies, they'd be out on the corner with a pimp taking 90% of their money."

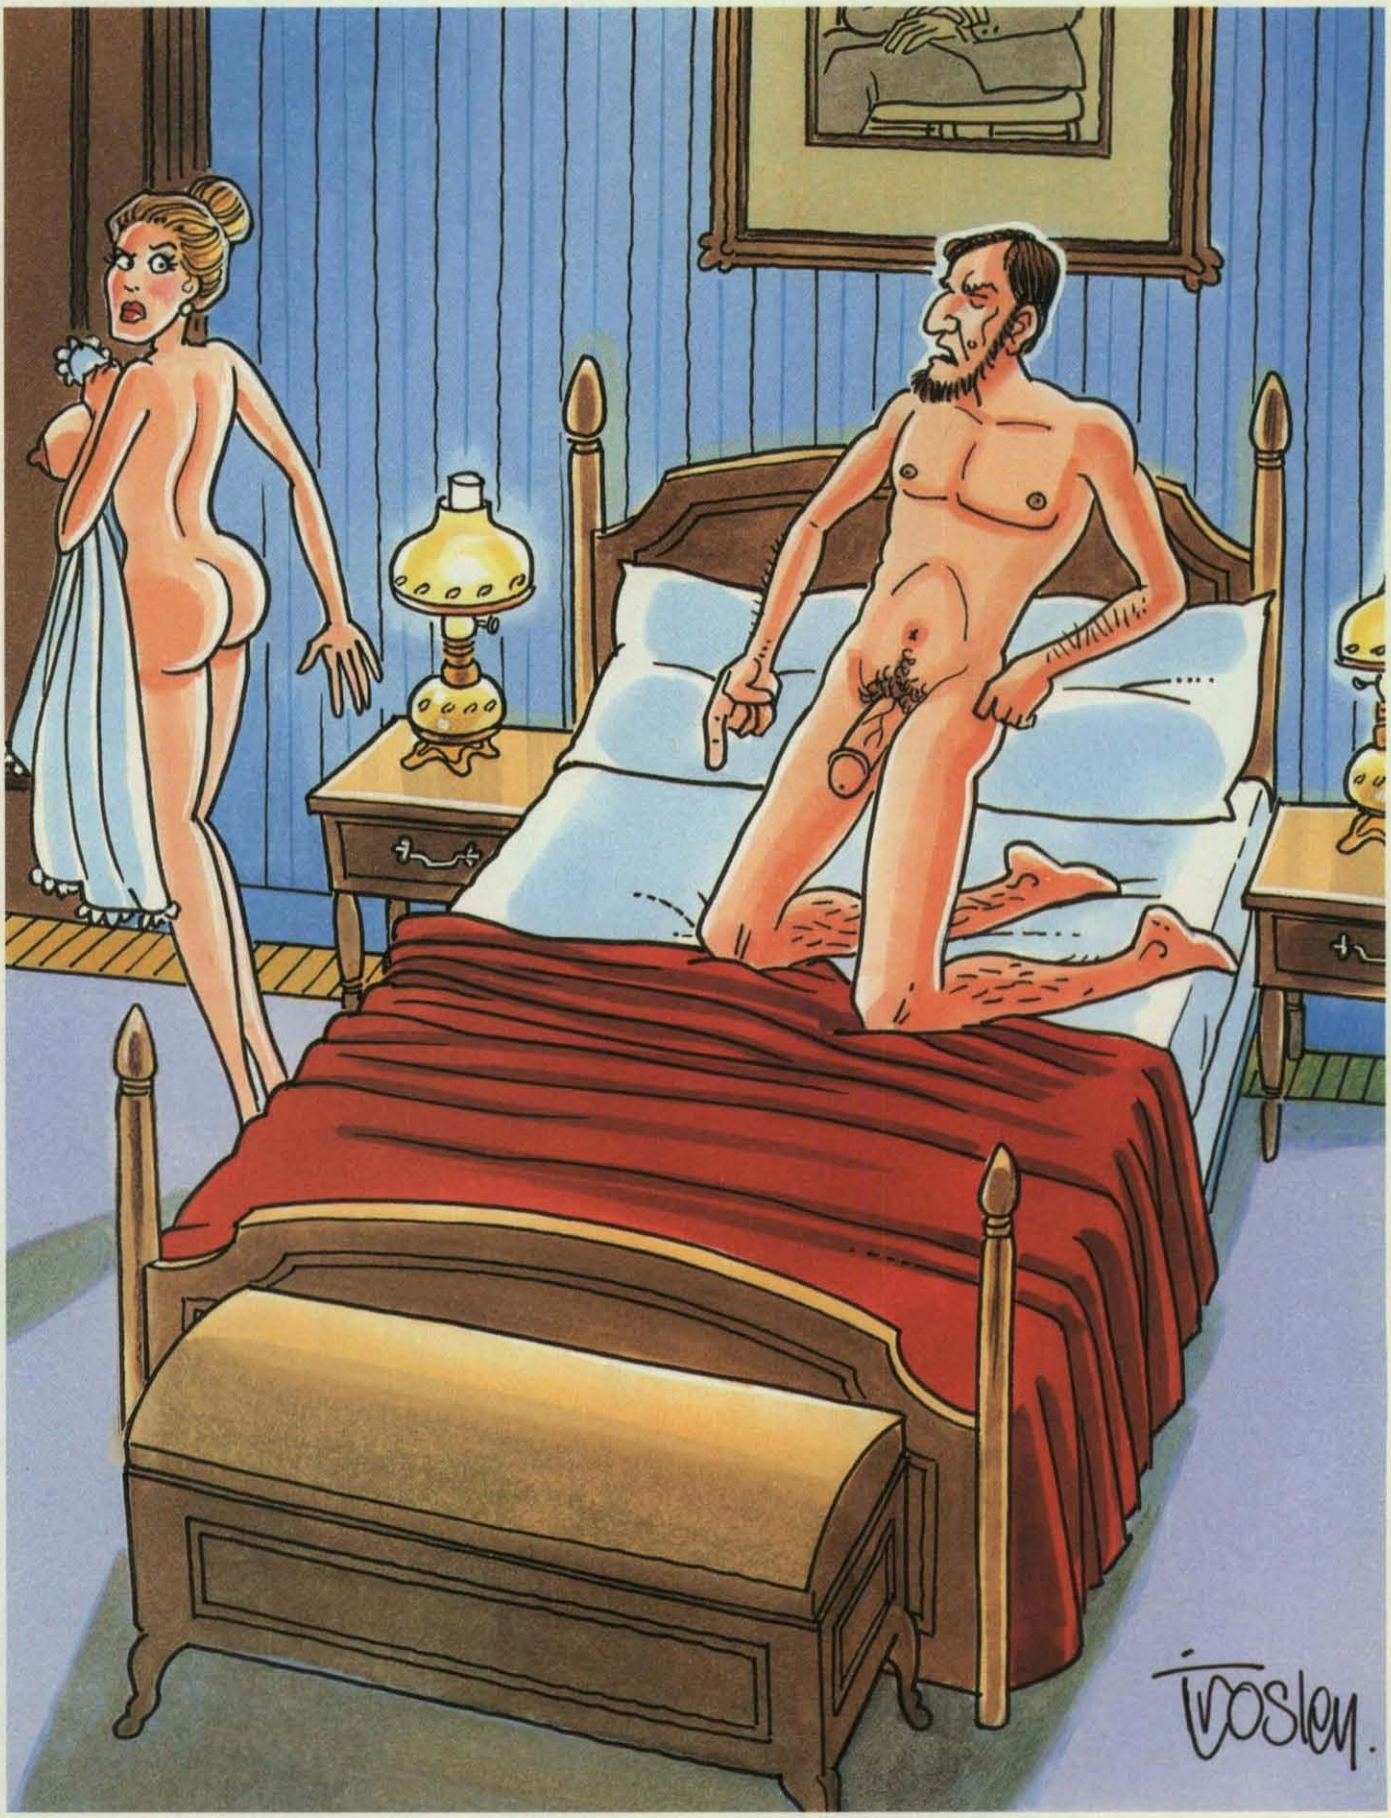

After an impoverished childhood, Tascha is "grateful" for what she has and offers little sympathy for women who expect too much from the world of adult entertainment. "The club doesn't make me money. My ass, my tits and my brain make me money."

Tascha claims to know all the women who are active in the lawsuit. "I don't think you should shit where you eat. I hate to be mean or anything, but if I were in the shape they were in, I'd quit. Once I worked with one of them, and she tried to put her pussy on my face. I put a cross on it. And it was about time for some of them to shave their armpits."

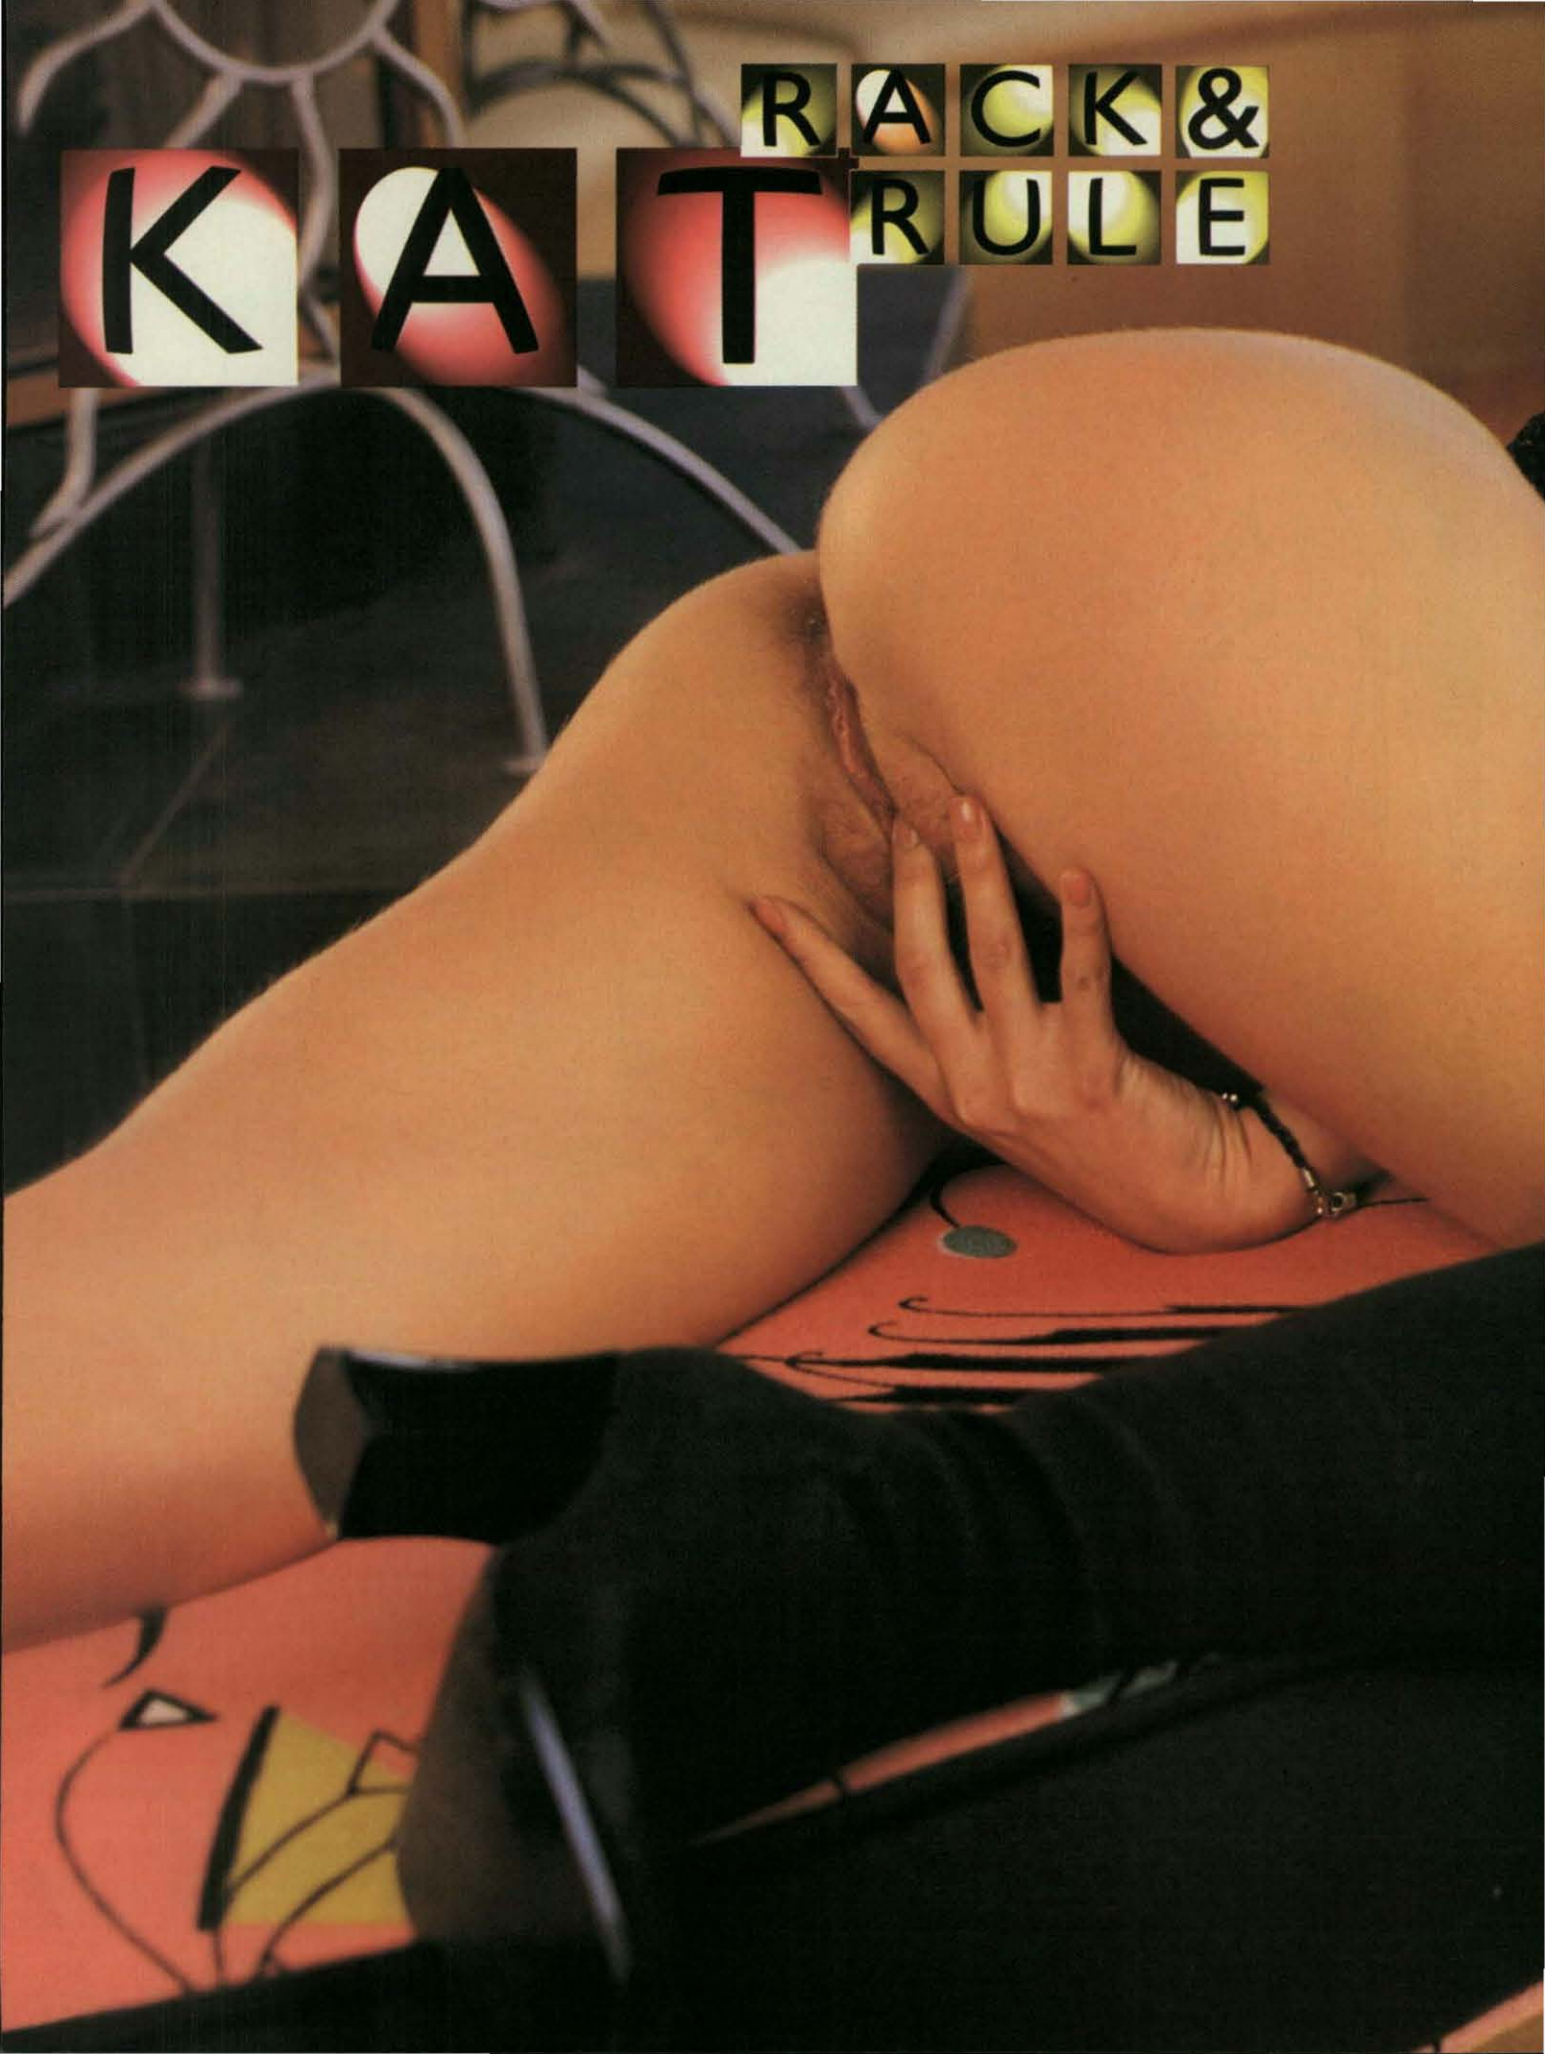

Although her off-hour tastes run to leather and strap-ons, Tascha adopts a "little girl" persona at the club, complete with short skirts and pigtails. Her private preference for women doesn't keep her from enjoying the response she gets from men. "There's nothing like getting onstage and giving a guy a hard-on without even touching him. Pussy rules. You're there onstage, shaking your ass,

PHOTOGRAPHY BY MATTI KLATT

Like her namesake, Kat is a model of repose. She waits patiently for the arrival of her lover, Henry, and the gifts she knows he will bring.

Immediate gratification is Kat's favorite aspect of billiards. She considers her pool prowess to be an extension of her will.

An experienced stickhandler, Kat always plays to win, a fact that Henry will soon be painfully well aware of.

With ruthless precision, Kat calls her shots. "Four in the side.... Ten, corner.... Eight, side."

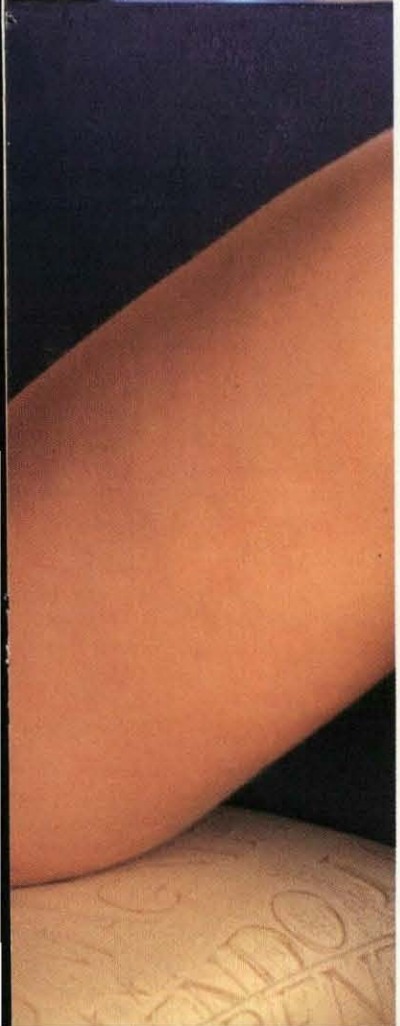

She shakes her rack: "Henry, hip pocket."

# HUSTLER HUMOR

Three pregnant women were sitting in a doctor's office, waiting to see the doctor.

The first one said, "When my husband and I were making love, I was underneath him. The doctor says I'll have a boy."

The second woman said, "When my husband and I were making love, I was on top. The doctor said we'll have a girl."

The third woman burst into hysterical tears: "Oh, shit! I'm going to have puppies!"

Question: What does a stripper do with her asshole when she's on her way to work?

Answer: Drops him off at band practice.

Jerome walked into a store and asked for a pack of cigarettes.

The elderly clerk handed him a pack and said, "You gotta quit those things. They kill you faster than ever these days."

"What you mean?" asked Jerome.

The old man replied, "These kids were in here talking about Notorious B.I.G. They say he smoke two pack, and six months later he dead."

The HUSTLER Dictionary defines *cherries jubilee* as: 14 nuns in a hot tub.

An atheist was spending a quiet day fishing in Scotland, when suddenly his boat was attacked by the Loch Ness Monster. In one move, the beast tossed the fisherman and the boat high into the air. Then the creature opened its mouth to swallow the atheist whole.

The man cried out, "Oh, my God! Help me!"

The attack scene froze in place as a booming voice said, "I thought you didn't believe in Me."

"Give me a break," the man pleaded. "I didn't believe in the fuckin' Loch Ness Monster either."

One Palestinian walked up to his friend on the street and said, "Did you hear that Mohammed Rashid died?"

"Died?" his friend said with surprise. "I didn't even know he'd been arrested."

A blonde went into a worldwide message center to send a message to her mom in Poland.

When the clerk informed her it would cost $300, she exclaimed, "I don't have any money, but I'd do anything to send this message."

"Anything?" asked the clerk.

"Yes," she replied. "Anything."

The man walked into the next room and told the blonde, "Come in here and close the door."

The clerk then said, "Take down my pants."

She did, and he said, "Go ahead, take it out."

She took his manhood out of his pants and wrapped both hands around the shaft.

The clerk said, "Well, go ahead."

The blonde leaned in close, opened her lips and said, "Hello, Mom? Can you hear me?"

Question: How do you get a clown to stop smiling?

Answer: Hit him in the head with an ax.

Bill staggered home at 4 a.m., drunk and smelling like sex, only to find his wife waiting up for him.

"That's it, Bill," she screamed. "I've had it with your sorry ass! I'm cutting you off forever!"

"Fat chance," laughed Bill. "You don't even know where I'm getting it from."

Sarge was telling his son about his first mission as a paratrooper. He recalled that he had been the last man scheduled to jump and had frozen up with terror at the door.

"So the jump master whipped out his ten-inch dick and said if I didn't jump, he'd fuck me in the ass with it," explained Sarge.

"I bet you jumped then, didn't you, Pop?" inquired the son.

"Well, yeah, a little," said Sarge, squirming in his chair. "I told you it was ten inches long."

# TUNNEL JUNKIE

## NOTES FROM THE NEW YORK CITY UNDERGROUND

PROFILE BY TIM SWANSON * ILLUSTRATION BY GEOFF GRAHN

**In the subway maze beneath America's largest metropolis, hordes of sewer rats burrow and fester, feasting on society's waste, gnawing and clawing for survival—and thousands of human moles have joined the vermin in the murky depths.**

*Standing on the subway platform at Essex Station, Ron J. tries to appear casual, fighting off the gnawing hunger of the parasite that lives in his body, chewing away at his insides, demanding smack. Licking his lips, he nervously scans the area, seeing only a few late-night partygoers brushing snow off their winter coats. The hour is too late for transit cops. The coast clear, Ron deftly leaps down off of the platform and onto the tracks, carefully avoiding the third rail, which is charged with more than 10,000 volts of juice to power the trains. He jogs into the pine-tar blackness of the tunnel. Ron thinks of the juice that powers him and the three bags of China white that are burning a hole in his pocket. He is almost home.*

*Ron navigates through the tunnel deftly, picking his way over newspapers, bottles, crack vials, syringes and the other decaying garbage that litters the bleak subterranean wasteland beneath Manhattan. Cutting right, he grasps onto an ancient steam pipe and slides down to a deeper level. The deafening roar of a train fades, filtered by layers of earth and cement, but Ron isn't able to hear anything—only the piercing scream of need, the holler of the worm. The air is pungent and noisome, like breathing through a musty sweat sock. Somewhere, water drips. Rats frolic.*

*He approaches the embankment where he has carved out his living space, almost six feet off the ground. Once inside, he exhales slowly, finding comfort in familiar objects: his bedroll, gas lamp and dog-eared detective novels. Ron removes his rig from a deeper niche, fumbling in the pockets of his tattered army jacket for the small, precious bags. He gently taps a measure of white powder into a spoonful of clean water and, with his other hand, ignites a lighter to cook the drug. His hands shake in anticipation. The flame makes the tunnel look even darker, smaller. All Ron sees is the bent spoon, bright against the ink-black tunnel. Gingerly, he sucks the liquified smack into the syringe through cotton, reminding himself to save the rinse. Flicking a finger, the light disappears, and Ron retires into the safety of blackness.*

* * *

"You never know what time it is in the tunnels," Ron says the next morning. "There is no day, night, dawn, sunrise, sunset—nothing. Only blackness. And junk time. The smack runs in eight-hour cycles. When I wake up and feel the need, I know it's time to go to work."

After shooting another bag of dope, Ron climbs out of his cave and back through the tunnels, up a level, onto Essex platform, up the stairs and out into the streets.

New York City's 6,100 subways snake through 731 miles of underground tunnels, linking the five boroughs that make up the metropolis. Dividing these miles are 23 different lines and 466 stations. Tunnels can descend as far as 18 stories below the ground, like at 191st and Broadway in Manhattan. Underground is a catacomb, a maze of forgotten subway routes, gas lines, sewer tunnels, catwalks and naturally cavernous areas. There is no single blueprint or map charting the chaotic network beneath the avenues.

"Things never turn out how you want them to," says Ron, who moved from Idaho to fast-paced New York City in 1994. "I couldn't concentrate on any one thing when I first moved to New York. My eyes felt like strobe lights. I would blink, and everything would flash and change. I had never seen anything like it, especially not in Boise," he says. "I started doing speed just to keep up."

Before long, Ron upgraded substances. "It geeked me out to do crank all of the time," he says. Ron traded his speed habit for coke, which proved too expensive for someone who needed to be high all the time. One of Ron's friends introduced him to a drug storefront called Bag in a Bag. The shop specialty is a small bag of coke wrapped with a separate bag of heroin, providing the perfect mix for a speedball. "When I first started, I was too freaked to shoot the smack, especially in a speedball. So I would come home from work and snort or smoke the heroin and nod at the TV until

**"There are people down here who never leave, never see the light of day or feel sunshine. They go so deep into the tunnels that they forget about the world above."**

the next morning. Then I would snort the coke and be up for another day of work."

Exhausted by this daily routine, Ron decided to quit work and do drugs full time. "I was hanging out with a crew of friends with similar habits. We were all living in the South Street Seaports, a popular squat in Manhattan." Money quickly became Ron's main problem. "Some of my friends would try to spare change, but it was never enough." Some of Ron's acquaintances made money selling themselves on the streets, blowing chicken hawks on Avenue C in the East Village.

"I tried to hustle once," Ron says, lighting a bummed cigarette, pensively revisiting the memory, or perhaps making it up. "I got a john that took me back to his pad in Chelsea. The place was plush, filled with art and sculptures. I knew to get the money up front. When he told me to suck him off, I figured robbing him was much easier. So I bashed the fag with a brass figurine and took the rest of his dough. Robbing was definitely easier than sucking dick." Ron's eyes shift. His crafty rodent features seem to say: *Do they believe me?*

Ron claims that he and his friends at the flophouse hatched a plan to knock over a 24-hour Korean deli. Ron paints himself as the bag man, the one who collected the money from the register. The robbery went sour when a clerk fired a hidden .25, killing a member of the crew. In the pandemonium of screams and gun smoke, Ron found himself holding the bag of cash. He ran. "I cheated my friends, left one of my boys bleeding out of his head in the store. It sounds awful, but any one of them would have done the same thing to me. Junkies want one thing: junk. We're predictable. We're all the same."

Ron sniffles dramatically and wipes an invisible tear from a feral eye.

Unable to return to the South Street Seaports and face the crew he betrayed, and fearful of the police, Ron takes his story down into the tunnels. "I had heard that people lived down there, and I couldn't think of a better place to hide. No cops, and my friends would never look for me underground. That was eight months ago. I've been down here ever since."

* * *

In 1993, the New York City Police Department estimated that between 5,000 and 10,000 people call the tunnels home; a small handful of officers and social workers are assigned to deal with the denizens of the city under the city.

One of Ron's underground acquaintances, a haggard, middle-aged man dressed in several layers of ratty coats and sweaters, recounts an episode in which a community outreach worker begged him to check into one of New York's many homeless shelters. "I told her, 'Hey, I ain't homeless. Down here *is* my home.' "

The man insists that the tunnels are preferable to the crowded outreach centers aboveground. "Fuck the shelter. They rape, rob and kill you there. It's worse than prison. You can't use [drugs], can't be with your lady, you have absolutely no freedom at all. Down here, I can do whatever the fuck I want."

Ron tempers his friend's enthusiasm for tunnel life. "No one wants to live down here," he says, sniveling. "We're all here because we can't make it on top. Because of drugs, diseases or the law.... Some people are down here because they're mentally insane."

Less damaged than other tunnel inhabitants, Ron is known as a "wanderer," a person who can travel in both worlds, above and below. He provides a necessary service to the many people that live in the tunnels: Ron is their lifeline to the drugs topside.

Every morning, Ron goes to the streets, scores drugs and brings them back to the tunnels. The underground dwellers, most of whom panhandle on the subway trains for money, kick back a percentage to Ron for acting as courier.

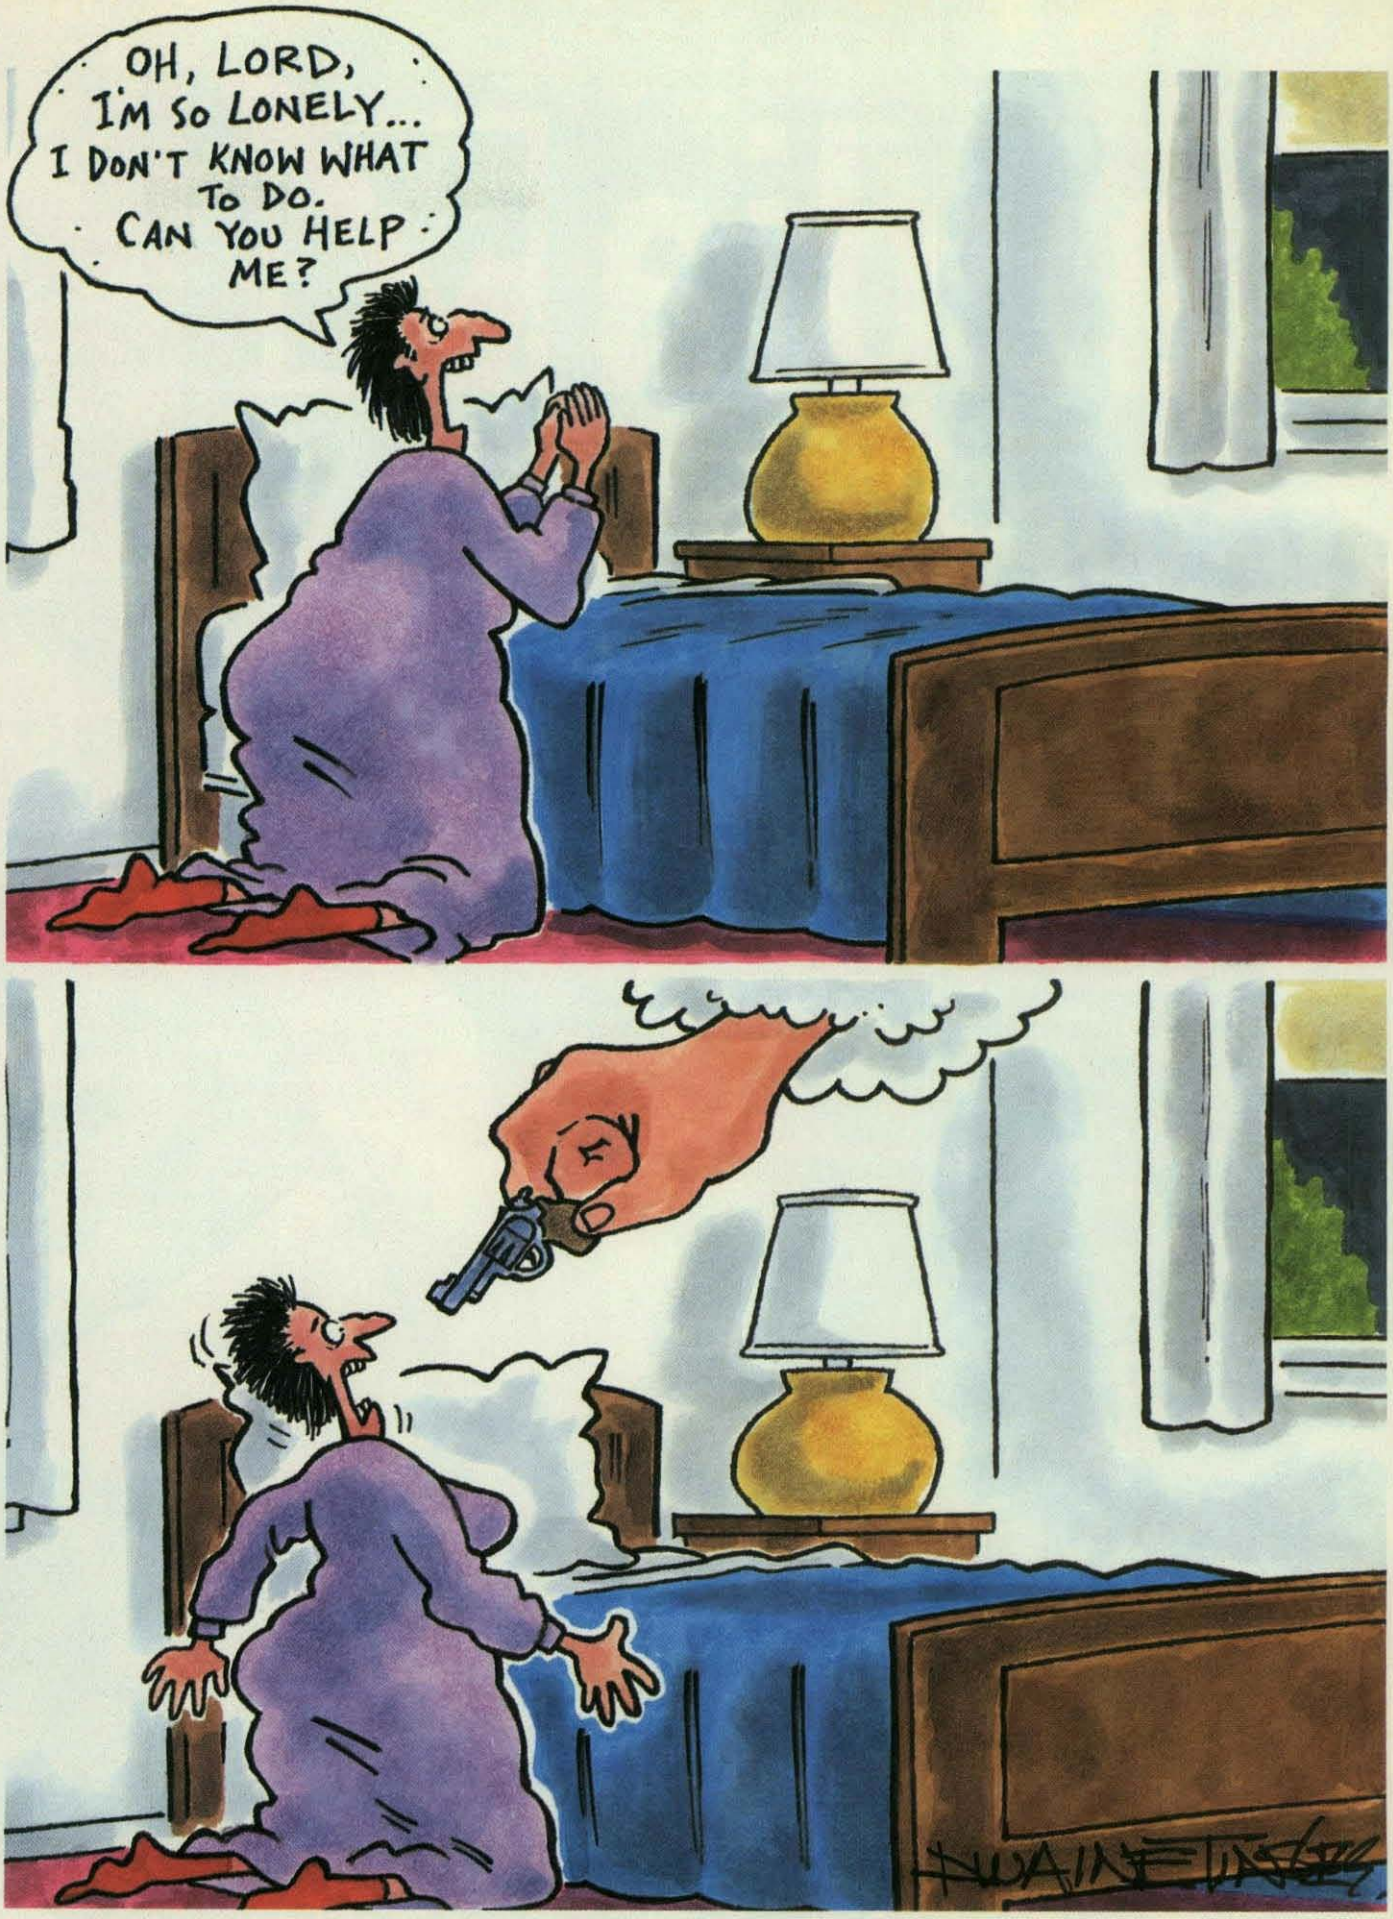

"There are people down here who never leave, never see the light of day or feel sunshine. They go so deep into the tunnels that they forget about the world above." Ron claims that within the tunnels there are communities of families trying to coexist and survive. "A lot of people living in the settlements have completely given up on the world above. So they move down here and try to make a life in a tunnel with children, wives, the whole deal. But it never lasts. This place is too fucking lawless for peaceful living."

* * *

"Being in the tunnels is like being on the moon," states Officer Mark Armstrong of the NYPD, one member of the underground patrol. "We can't wear our normal blues down there. We have to put on these white space suits to keep out the diseases, like TB. With gloves and masks so nothing is exposed." Equipped with his side arm and a flashlight, Armstrong does his best to roust the troglodytes and force them to leave their dim and muddy world and return to the surface. "I'm scared shitless down there. There are so many tunnels and hiding places—once people run, it is impossible to catch them. Half the time, you chase one person who is running interference, while the rest of his friends sneak away behind your back.

OH, LORD, I'M SO LONELY... I DON'T KNOW WHAT TO DO. CAN YOU HELP ME?

PHOTOGRAPHY BY CLIVE McLEAN

"I have four nightly watchers and a couple more who tune in on weekends."

Claudia removes her dress.

"I know what they want to see. They want me to play with my pussy and lick my fingers clean. They want me to bring home my date and blow him on the couch."

She spreads her lips and rubs her clit.

"I wish I could see them too, see their cocks, all hard and red. They all want to fuck me raw. After they shoot, they flick their lights on and off. I always keep going till everyone's come at least once.

"I love my fans, and I'll do *anything* to keep them."

(continued from page 96)

# Junkie

**"I dig out a little alcove in the dirt and old cement. It doesn't take too long. But it has to be at least six feet off the ground so the rats can't jump or climb in. And I never keep food where I sleep."**

This is their world, not mine.

"You can get ambushed," says the burly officer, "like cowboys and Indians. A brick or a bottle can come whizzing out of the darkness and bust your head. I think we should just leave these folks to their own business. But my job is to get them out, to bust the dealers, junkies, prostitutes, criminals—just like anywhere else in the city."

* * *

Ron emerges on Avenue C to score a bushel (ten $10 bags) of dope. "I am responsible to my customers. But my main focus is to take care of myself. When I see one of my regulars down in the tunnels, and he is jonesing with no cash, I know exactly how he feels. But that doesn't mean I get all teary-eyed and give him the smack for nothing. I got a business to run."

Ron snickers at the black humor of smack brand names. "My favorite is Blue Boy. Blue is the color you turn when you OD and die. I also like Lion King. This one took me a while to figure out. *Lyin'* King, which is exactly what dope is. Some other ones are Dead Presidents, Good Job, Hit Man, Poison, Rush, Bad Boy and High Speed."

Tunnel life is extremely dangerous for Ron, as he loves to remind himself. He moves every few weeks to keep his location unknown. "People down here know I got money and drugs. What am I going to do if someone tries to take it from me? The cops don't give a fuck if two junkies kill each other in the tunnels. The cops are scared to come down here. They can't see shit, and their radios don't transmit through all of the concrete and dirt. The only law is the law you make for yourself. It's a frontier society. And you are your own sheriff."

Ron sniffles proudly. "There are the transit cops. If they see you hop down into the tunnels, they try to follow you or call an outreach team to come and look for you to take you to a shelter. It's bad for business and a pain in the ass."

A physical threat are the hordes of sewer rats, or "track rabbits," that infest the tunnels. "These aren't regular rats," Ron assures with the air of one intimately acquainted with rat specifics. "Rats down here have mutated from all of the chemicals they flush down the sewers. They're as big as a cat, with slick fur like an otter. They're not afraid of people. We're on their turf. They come right at you and sink their fangs into your leg or bite your face while you sleep."

Track rabbits flourish in the tunnels nearest to the surface—the same tunnels that Ron inhabits—because of the food supply of garbage. To ward off the diseased rodents, people light fires. However, for someone trying to conceal a secret enclave from hostile neighbors, fires aren't an option. "You light a fire in the darkness, and everyone knows where you are." Ron selects elevated areas to bunk in. "I dig out a little alcove in the dirt and old cement. It doesn't take too long. But it has to be at least six feet off the ground so the rats can't jump or climb in. And I never keep food where I sleep."

* * *

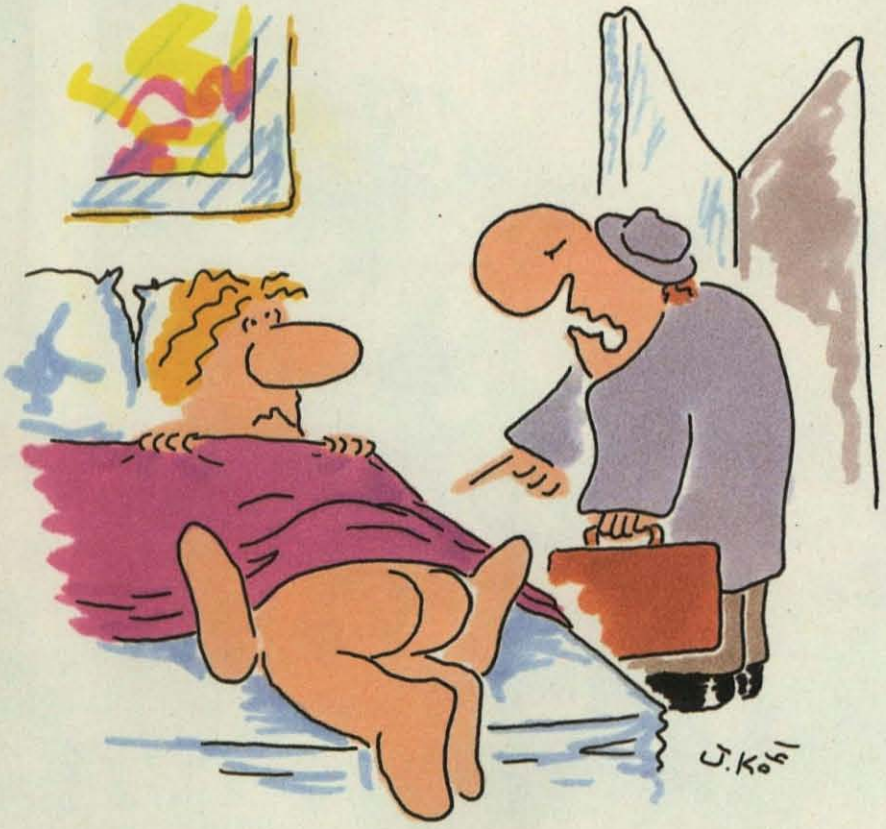

Today Ron is on the lookout for dealers holding Dead Presidents, the brand of heroin that recently caused the death of another tunnel junkie. "Dead Presidents is some pure shit right now. When someone ODs, the junk is pure."

Ron walks up to a doorway and makes an almost undetectable nod to a young Puerto Rican kid lounging on the stoop. The kid nods back, and Ron scampers up the stairs, returning in less than two minutes. Ron tells the kid he'll see him tomorrow. "I feel scared when I leave the tunnels. One time I wanted to buy three bushels ($300) of dope so I wouldn't have to go topside for a couple of days. But it's stupid to have that much dope on you. Someone could steal it, or I'd just shoot and not sell."

Returning to Essex Station, Ron's pace quickens; he's anxious to refuel. Off the platform, through the tunnel, sliding down the pole, Ron has acquired the radar of a bat to move speedily down the dim path. Ron breathes quietly, like the slow leak of a tire. "Someone is around here," he whispers, the words barely audible. Ron feels the stare of unseen eyes like a thin, silky thread of a spiderweb against his pale face. "Fuck!" he screams and rushes down the tunnel to his ledge.

Arriving at the embankment, Ron's personal effects are strewn haphazardly over the ground. "I hope they didn't find it," Ron chants. Clawing up the dirt wall, he frantically searches his hovel. After moments of panic, he weeps tears of relief. The invisible thief missed his needles and dime bag of dope. "Shit. Now I have to move."

First, Ron rolls up his sleeve and prepares his spike. He shoots, and the fear of the phantom intruder dissolves. Ron carefully gathers his scattered belongings and moves down the tunnel. "Life can seem complicated. But not to me. Life is just black and white. None of this shit bothers me. As long as I have junk, I can live anywhere." Ron scuttles away, once more embracing the darkness, searching for a new home.

*"When he comes up for air, he's got a lot of explaining to do!"*

# Strippers

**"I love my partners. We fuck. We go crazy. If you work with someone over and over, you know the way their pussy smells.... All my partners are total babes. I just want to fuck them all the time."**

and some guy in the audience with a big-ass hard-on is staring at you, about to have a heart attack. You just want to go over and wipe the drool off his mouth, like, 'Calm down, daddy. It's okay.' "

For Tascha, the connection she feels to her co-workers runs deep. "I love my partners," she gushes. "We fuck. We go crazy. If you work with someone over and over, you know the way their pussy smells; and you know the way their breath smells; and they know that at this time, you are on your period, and they know not to pull the tampon out when they are sucking you. It's the best relationship. All my partners are total babes. I just want to fuck them all the time."

Tascha and the other dancers agree that this "love your sister" attitude is hard to maintain at many other clubs where girls who dance as employees are charged a $200 stage fee for a four-hour shift. Girls get a portion back in the form of minimum wage and benefits, but still, a dancer has to hustle approximately $140 in tips before turning a profit. Even after shaking her ass all night, a girl who doesn't make her fees ends up owing the club money.

This pressure fuels the cutthroat catfighting that goes on at other clubs: "When you know you have to make $200, you become mean," explains Tiffany Knight. "It would be sad to go back out there, back to fighting girls because I used a song they were going to dance to, or because I made more money than they did. I worked with a girl who was not only diabetic, but would come in on crank—not a good combination. She put holes in the walls, she ripped down clothing racks. But because she had big boobs and she was blond, the manager kept letting her come back."

Leigh is banned from another club for fighting. "Some girl had a box cutter. She went straight for my face. That's what they do. They try to put you out of work. So I pushed her down some stairs. She's still working there because she was fucking the manager."

Any tour of the San Francisco strip scene must include a visit to Broadway, where every hole-in-the-wall that doesn't lead to a bar is a strip club.

The Centerfold, whose neon sign reads DEJA VU, is a high-end joint with a $30 cover charge. Aside from stripping and lap dances, the club features private theme booths set up to resemble an office, a gynecologist's examining room or a lunar scape complete with papier-mâché moon rock and cosmic wall painting.

Like any San Francisco club, the Centerfold is rumored to be mob affiliated, and, according to one regular, "they treat the girls like shit." Dancers claim that they are required to give half of what they make back to the club and are fined $10 a minute if they're late. Lap dances cost $20, but the only way for a girl to make real money is to mooch extra tips off customers behind management's back.

Every woman who dances in San Francisco has her Mafia stories: of girls locked inside clubs until they pay up, or of being told, when they're short a few bucks, "You're a woman. You know what to do."

One woman recalls that the girls in a local club asked the manager to install a tampon dispenser in the ladies' room. "It would be too hard," the wise guy insisted. "I don't know what size holes you guys all have."

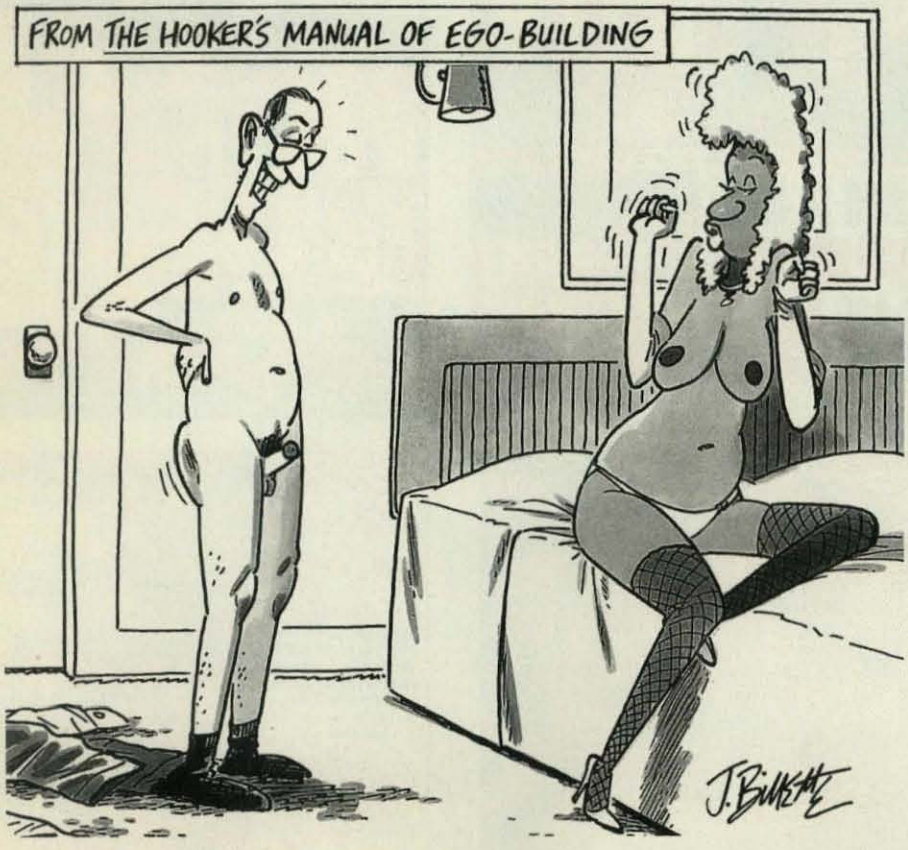

At the Century, a junkie-thin redhead dances while, on four overhead TVs, a black dick pounds a white asshole. The Century is a big step down from the Centerfold, although it's purportedly run by the same people. One dancer tells of a gang shoot-out that erupted outside. A principal of the club, a reputed mob figure, allegedly pulled up in his Mercedes, armed with a giant pistol, and made the girls hide in their dressing room until he quieted things down. Later, he escorted them to their cars.

At the Market St. Cinema, where a recent court victory declared the women to be employees, a heavy blonde rumbles to AC/DC's "She's Got the Jack" while lap dancers work the seats. The advantages of employee status are hard to see: One dancer complains that there is now full-fledged prostitution in the back rooms. Miniature Asian chicks in bikinis emerge from a back door, holding hands with big lummoxes in Docker pants.

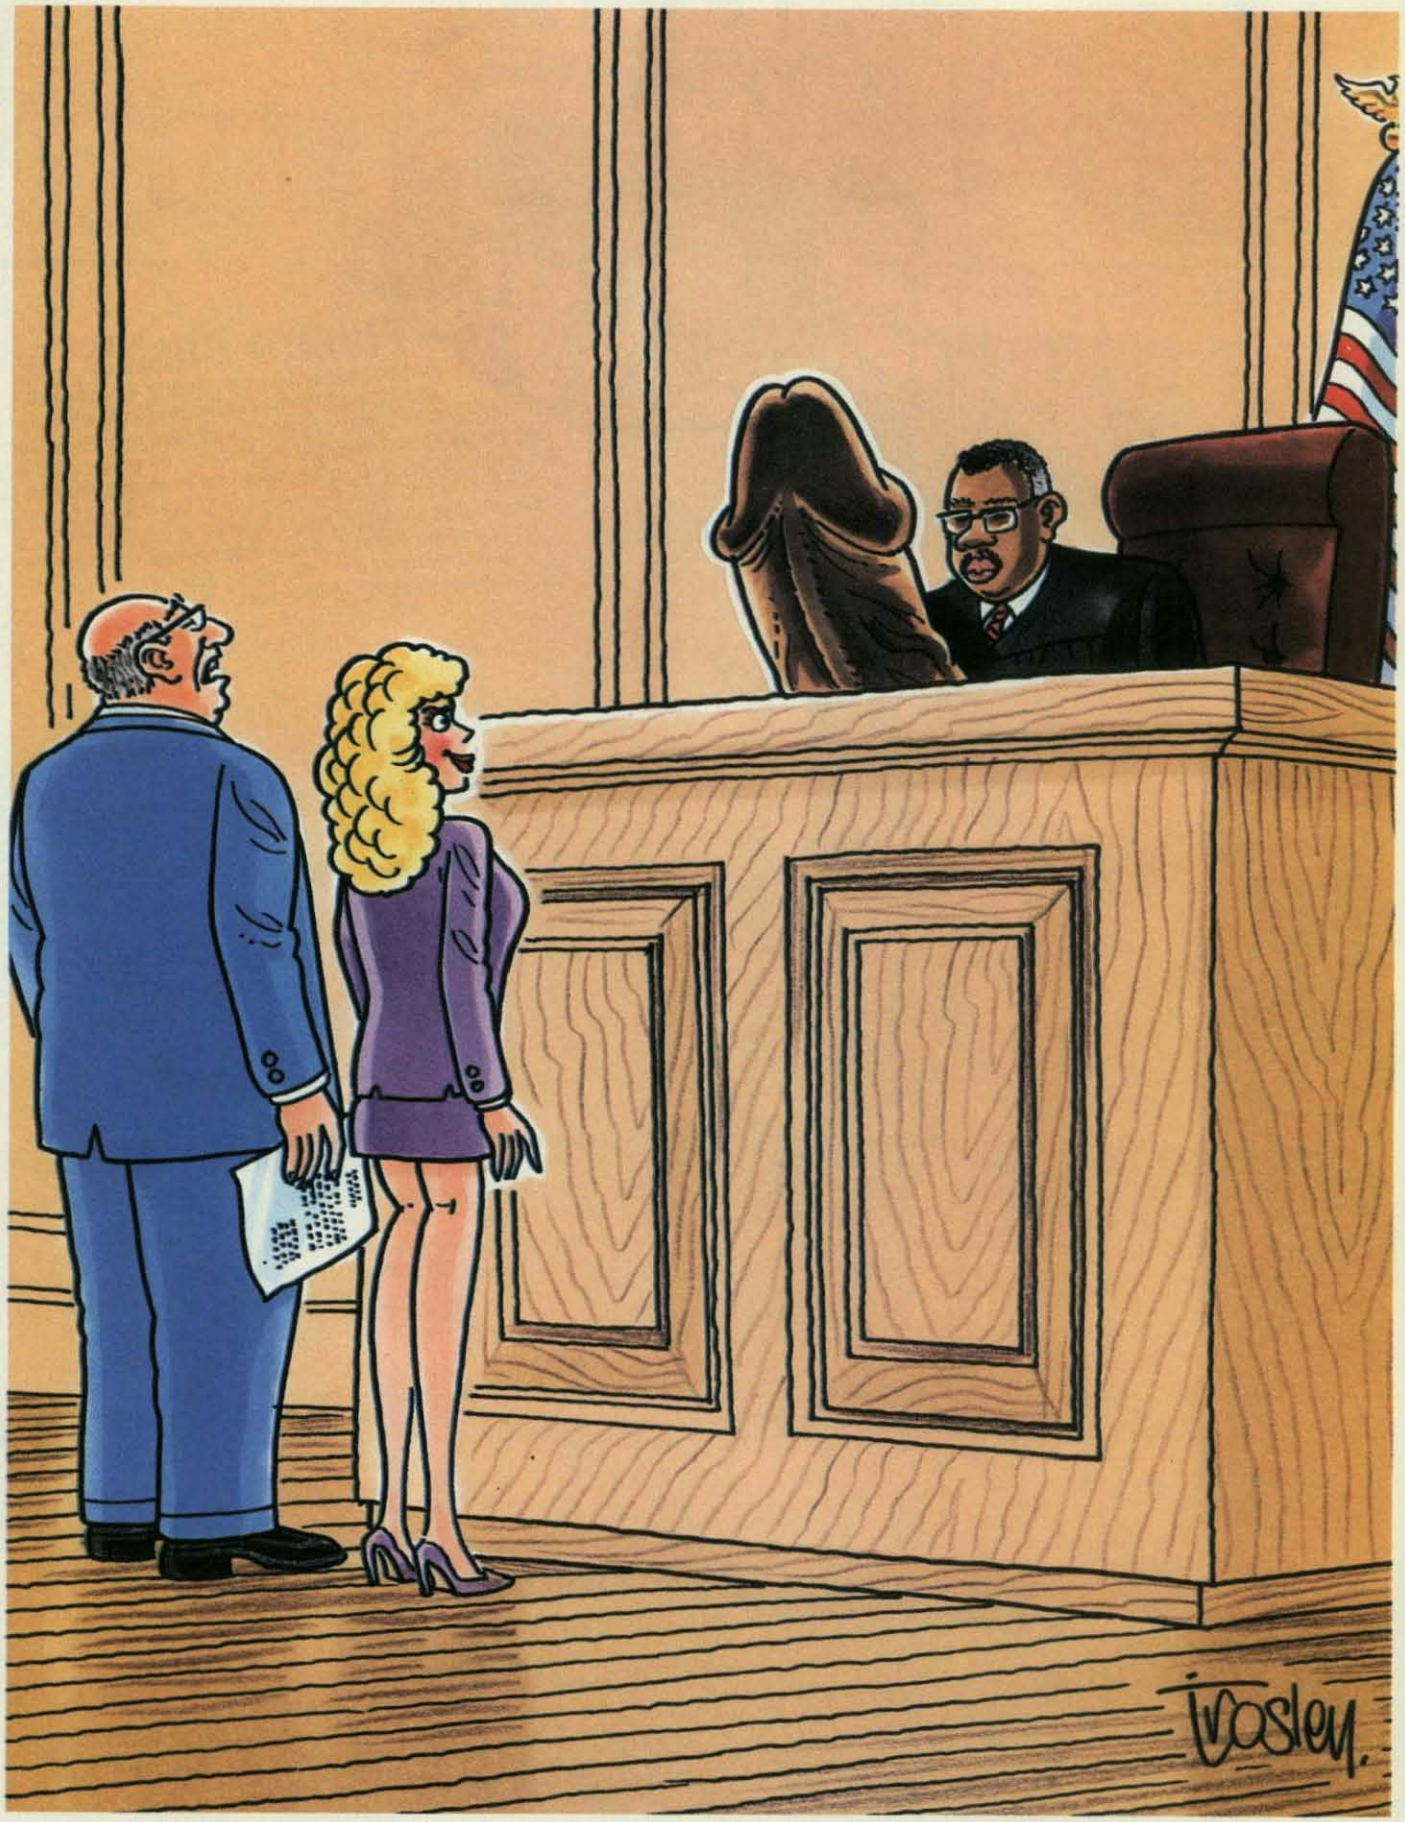

The lowest dive of all is the Garden of Eden, a small club where first a scarred black woman and then a savagely attractive Italian move listlessly on the small stage. Nobody in the sparse audience seems to be tipping, and the girl onstage, although completely naked, "hides" her pussy. After years of dancing in mirrored rooms, a girl learns exactly what she looks like from every angle and gauges her exposure according to her tips. After the dance, the girl carries a jar around and scrounges a few dollars.

The manager says that the women make minimum wage plus tips, but a group of former dancers claims that half of that amount is kicked back to the owners. In fact, they say, the place is a clip

*"Oooh, lover man—puhleeze don't hurt me with that monster!"*

*"At this time, Your Honor, my client wishes to enter a plea of no contest and throw herself on the mercy of the cock!"*

This lovely creature has a fantasy about appearing in a porn movie. Coincidentally, we have a fantasy about *seeing* Jessica in a porn movie.**

Photo by Boyfriend

**Flashing an inviting smile, and an even more inviting snatch, is 25-year-old Safire Blue, an exotic dancer hailing from Lafayette, Louisiana. She spends most of her time dancing and working out and fantasizes about having sex in a downpour with her orgasms punctuated by thunderclaps. We admit to fantasizing about Safire getting wet too.**

**With a radiant smile and excellent breasts, 29-year-old Dakota dances her way into hearts all over Indianapolis, Indiana. Among her hobbies, she lists "participating in fisting" and "swimming in cum!" As long as she waits at least a half hour after eating, we don't have any problem with that.**
Photo by Husband

**When she's not reading or shopping, the lovely Cassandra enjoys being a homemaker in Biloxi, Mississippi. Her rather elaborate fantasy involves putting her husband in bondage and whipping him with licorice while she fucks another woman. This revelation should have him fit to be tied.**

C-Lyn is our next eager Beaver. She's a 29-year-old wife and mom from Providence, Rhode Island. Her favorite pastimes are camping, construction, weight training, auto mechanics, tanning and anything that will help her in her goal of staying young forever. She would love to expose her "pink butterfly" in a hot pictorial involving her husband and another woman. Get the net!

A chocolate lover's fantasy, Mariah is a 25-year-old adult entertainer from Jacksonville, Florida. Her fantasy is to be a man's "sweet, juicy, lickable, kissable, long-legged nymph angel from heaven." She is all that already.

Photo by Boyfriend

This resident of Chehalis, Washington, is 20-year-old Deseria. A waitress whose hobbies include playing piano, hiking and waterskiing, Deseria wants to tie up her fiance and force him to watch as she's ravaged by two horny women. We can think of several items we'd like to order off Deseria's menu.

Photo by Fiance

A picture of relaxation, Bridget is a 33-year-old factory worker from Louisville, Kentucky. When she's not riding horses or cooking, Bridget's thoughts turn to fantasies of taking on two men at once. Only the housebroken need apply.

Photo by Fiance

Showing exceptionally good taste in literature and fashion is 22-year-old Telley from Fresno, California. A server by trade, Telley spends her free time snow skiing, dancing and having sex. She dreams of getting it on in a public dressing room. Shoppers, be warned!

Photo by Fiance

Crystal, a 34-year-old housewife from Green Bay, Wisconsin, is a shining example of the stamina and character we look for in *Beaver Hunt*. Her hobbies are swimming, reading and listening to heavy metal. She dreams of becoming a professional porn star as soon as she recovers from freezing her ass off posing for these pictures.

Photo by Husband

What bear wouldn't give his pelt for the privilege of having a naked Bethanie sprawl all over him? A 24-year-old dancer, Bethanie divides her time between model building, playing with her dog, cooking and drawing. Her fantasies include bondage and being licked all over by a lover who won't let her have his cock. We assume she wants him to give in eventually.

This picture of serenity is Yvonne Jean, a 30-year-old waitress from Dallas, Texas. Her leisure-time activities are "fucking, foosball and traveling." She longs for a threesome with her husband and another woman. The only question is, which one will be the appetizer and which will be the main course?

Photo by Husband

Say hello to Martina, an exotic dancer from Ontario, Canada. This 25-year-old finds herself at home at the beach, indulging her hobbies of swimming and scuba diving. She confesses to getting an erotic charge from imagining people watching her fuck. Martina looks like she could give the audience a high-voltage performance.

Making the most of her assets, Kelly is a small-business owner in Coral Springs, Florida. The fruits of her labor are frequent shopping excursions and day trips in her '97 Mustang convertible. Sneaking off to make love on the beach is her current fantasy. This is, of course, much easier to do when you're the boss.

Photo by Husband

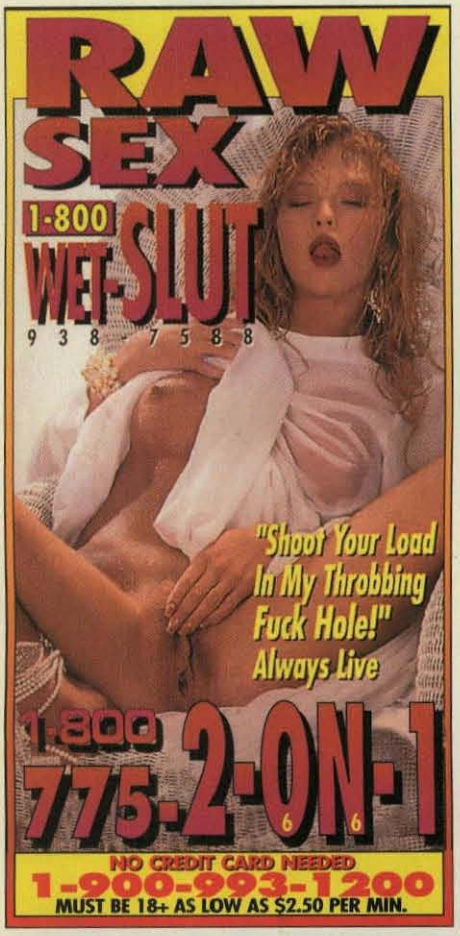

The most popular bartender in Evadale, Texas, has got to be 36-year-old Kyra. Here she displays her favorite weapon in her hobby of arousing people: a clean-shaven snatch. Her fantasy is to take on her husband and two of his friends—two cocks in her pussy and one in her mouth. Looks like a tight fit.

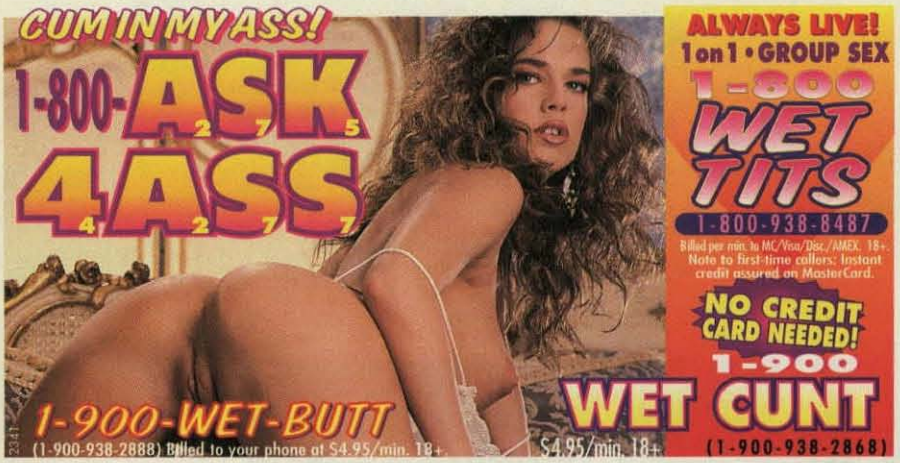

Photo by Husband

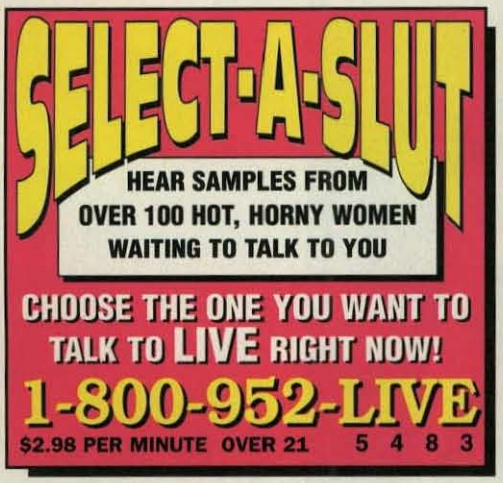

Candi, a Washington, D.C., land surveyor is shown here in her most natural state. She keeps her 25-year-old body in shape through a strict regimen of nude underwater sports and nude "above water" sports. Would anyone else enjoy surveying Candi's terrain?

## Enlarge Your Penis The Real Way

*All Original, All Natural, Nothing Else Like It!*
*Maximize Your Potential & Pleasure*

"Yes, your penis can be enlarged, because two-thirds of your penis is made up of muscle tissue known as corpus convernosum. This tissue is expansive due to the lacunar spaces. The vacuum pump method for penis enlargement uses a process medically referred to as hyperemiation. When the air-tight vacuum pump cylinder is placed around your penis, blood rushes into the muscle portion of your penis. The muscle tissue expands to the maximum, breaks down and then rebuilds into larger and stronger muscles, similar to bodybuilding.

# Strippers

**"There's nothing like getting paid $100 an hour by a cute, sexy guy to make out and rub around. I usually pray before I go to work that somebody's going to come in like that."**

joint, where a single guy is immediately pounced on by a stripper with a $40 bottle of nonalcoholic "house" champagne. Drinking this crap causes nausea; so the girls keep a napkin wrapped around their glasses and pour them out on the sly. Some mooks are so determined to have fun, they think they're actually drunk.

* * *

According to the dancers at the O'Farrell, blue-collar and college-age men are the best tippers. Suits try to bargain, like they're negotiating a corporate merger instead of a lap dance. Computer nerds are prized for their generosity, good manners and cleanliness. Stars, especially pro athletes, are the worst. Asian men, according to numerous testimonials, are "obsessed with the pussy." Amy says, "They all polish their glasses and stare really close."

In the O'Farrell Theater, the women are clearly in control. One rough-looking Hispanic guy grabs a tiny blonde half his size from behind. She spins and stops him with a hand to the chest. Shifting gears, the pint-size seductress smiles and scolds him for not "introducing himself." Suddenly sheepish, he apologizes and before long is reaching for his wallet.

Another dancer complains about a guy whom she brought into a "cabana," a curtained booth for private shows and pelvis-grinding "wall dances." The customer handed the girl a twenty and whipped out his dick. She explained to the eager fellow that she wasn't going to blow him and asked him to put his dick away. He looked at her forlornly and asked why not.

"Like a four-year-old," the stripper recalls, laughing. It is generally the four-year-old rather than the raging beast that these women bring out in men. No matter how rich, how famous or how tough, customers quickly become docile and content to be lead around by their dicks.

Stacey, who has worked as a dominatrix, wields a firm hand with unruly males. She says that men feel like it's "safe to be assholes in groups" and knows how to effectively break up loutish bachelor parties. At the Mitchell Brothers', the men often cluster in the neutral zone near the snack bar, like a shy herd of wildebeests around a watering hole. Stacey and the other girls then "divide and conquer," like cheetahs picking off prey.

"A lot of times, you'll get a man who doesn't know what a clitoris looks like or what to do with one," says June. "I'll say, 'Well, this is what you do, and this feels really good and make sure it's really wet' and explain the whole thing."

Amy recalls a group of orthopedic surgeons who "knew all about feet, but nothing about pussies. They said, 'We want double-headed dildos, the licky show,' almost every single dance. And they'd ask, 'Where's the clitoris? Where's the vulva? Where's the labia?' We were teaching Human Sexuality 101."

For June, stripping contains a profound spiritual dimension. "At work, I try to love each person I come into contact with. I try to give them compassion, which is what I think they're here for, whether they know it or not. I give them the physical touching that everyone needs—animals and people.

"I see a lot of women who need affection, and they're going out with people just to get it. We're getting paid to get it. There's nothing like getting paid $100 an hour by a cute, sexy guy to make out and rub around. I usually pray before I go to work that somebody's going to come in like that."

* * *

It's Saturday night at the Mitchell Brothers', and the girls are working the crowd, mingling in their string bikinis—each with a wad of creased bills in one hand. "Are you guys ready to play?" one dancer asks a wide-eyed clutch of post-adolescents. The boys aren't sure. An Asian tourist staggers from a booth, fly open, and gasps, "Oh, shit." A smiling girl follows, peeling off latex surgical gloves.

In the Kopenhagen Lounge, two cowgirls inspect each others' orifices by the glare of patrons' flashlights. Couples in the Cinestage quietly hump while a porn film flickers over them. On the New York Live stage, Stacey slinks atop her deadly fetish heels, unpeeling a silver sheath from her undulating body like a snake.

Medina dances in a Satan mask, cape and thigh-high boots. As the music takes off, she somersaults, slides down the pole and pumps her ass at 50,000 r.p.m. (Later she'll call her baby-sitter, who complains that her son is refusing anything but cookies, saying he wants to "eat light.") After the devil dance, Taylor floats out like an angel on a pillowy cloud of a behind, her pussy dusted with glitter like a jewel box. A couple of dudes bellow along with "Stairway to Heaven," and Cheyenne, watching from the sidelines, mutters, "Quit yelling and start tipping." She leaps onstage to plant a lipstick kiss on what she admiringly calls "the perfect ass."

Somewhere, in a lawyer's office or a courtroom, someone is deciding whether this dream has gone on long enough. But that seems far away now. A voice announces that the Green Door Show is about to begin again, and once more, the stage full of naked girls rises like a platter before starving men.

*"To the extent that I was too pushy, too brash, and that I came in your mouth, I apologize!"*

Even her sensuous lips, and deep throat mouth, powered by air suction, can open and close gently, thanks to her newly designed soft face. And best of all, you can order direct from the manufacturer, and save about ½ of what you would normally pay through a local mail order house. Dress her the way you want your girl to dress. Your playgirl wears real clothes. Dress your doll to suit your mood. She'll be a lady, or a vixen. You decide.

# ENLARGE YOUR PENIS TO ITS MAXIMUM! HAVE ERECT MEASUREMENTS OF 9, 10, EVEN 12 FULL INCHES!

### THE EXCELO IS THE ONLY PENIS DEVELOPER YOU WILL EVER NEED!

Is the size of your penis bringing you down? Sure, the medical authorities say that size doesn't count; but as long as women have a need to be filled, they will demand the full measure of devotion. And no amount of psychological reassurance will fill the gap between expectation and reality.

Now, with a simple device you can follow in the footsteps of thousands of men who have proven that there is a way to **INCREASE PENIS SIZE** and **THICKNESS!** The device is call the **EXCELO ELECTRIC VACUUM ENLARGER**. A safe and proven natural way to add inches to penis length and thickness. With the EXCELO, you will see yourself grow to dimensions you never thought possible.

### HOW CAN THE EXCELO ELECTRIC VACUUM ENLARGER INCREASE PENIS LENGTH & THICKNESS?

Your erection is caused by blood flowing into hollow caverns inside your penis. The caverns fill with blood and your penis grows in size and thickness and becomes stiffer and stiffer until the caverns are filled with all the blood they can hold. **BUT, IF YOU INCREASE THE CAPACITY OF THE CAVERNS BY MAKING THEM BIGGER, THEY HOLD MORE BLOOD** and you have a correspondingly longer, thicker penis. Regular use of the EXCELO gently urges the caverns to expand . .. expand . . . expand. You'll see the astonishing results the first time you use your EXCELO. Your penis will grow inside the clear, picture window sleeve. Immediately you'll see just how really **BIG** . . . how really **FAT** . . . how **LONG** . . . how **HARD** and **STIFF** your own penis can get! And after regular sessions with the EXCELO you'll probably find as do most men that these size gains don't go away! They become a part of you to thrill and excite her!

### THE EXCELO IS SIMPLY THE MOST POWERFUL ENLARGEMENT SYSTEM YOU CAN PURCHASE ANYWHERE! AT ANY PRICE!

This powerful, totally electric unit (U.L. approved) is equipped to plug into any wall outlet to give you continuous, even sucking power until you shut it off! Unlike noisy electric vacuum enlargers costing upwards of $100 – the EXCELO is "quiet as a whisper." This sophisticated instrument is by far the state of the art in penis enhancing machinery. It has taken time, money and first-class engineering to produce what many have called the "Rolls Royce" of vacuum enlargers. And, of course there are two other models available- to fit any budget. The EXCELO is a finely crafted precision instrument designed to create the vacuum needed to make the male organ **LONGER** and **THICKER**. If you are truly serious about penis enlargement – the EXCELO will do the job for you!

### THE ONLY SYSTEM THAT OFFERS AN EASY "HOW-TO" BOOK FOR THE MOST COMPREHENSIVE INSTRUCTION POSSIBLE!

Other so called enlargement systems might offer a shoddy, pieced-together hodge-podge book to show the product in action. NOT OUR SYSTEM. Our book was produced by the manufacturer of the pump, designed to get you BIG and HARD in the shortest time possible!

### ALL THIS . . . WHAT MORE COULD YOU ASK FOR? HOW ABOUT A PRICE THAT IS POSITIVELY UNBEATABLE?

First of all, if you could even find a system that offers you all the EXCELO System does, you'd easily be prepared to pay hundreds of dollars for it. That's why our system is a truly unbelievable bargain at the prices offered.

## 3 MODELS: ONE TO FIT ANY BUDGET, ANY REQUIREMENT

**NOTE: All pump models include FREE "MAXIMUM GAINS" instructional manual at no extra cost.**

Our most popular model. Rugged, sturdy construction for years of use. Universal sleeve at base accommodates any size penis. Durable, direct manual action activates pump and assures total control. Patented valve design produces rapid vacuum and quick erection. Comes with step-by-step instructional manual. *Only* **$13.95**

Utmost pleasure combined with maximum results! Super-suction power for fast response. Unique multi-speed vibro-action makes enlargement as pleasurable as can be. Special "Love Gripper" base snuggles around penis & was modeled after a woman's hot mouth. *Only* **$19.95**

Our finest, state-of-the-art model for erection building and control. Silent, powerful electrically operated pump allows for effortless operation. Vacuum draw is gradual for safety and complete control, can be shut off instantly. Includes step-by-step instruction manual. Millions sold at $89.95 or more. *Only* **$33.95**

### MAINTAIN YOUR ERECTION FOR AS LONG AS YOU WANT!

The amazing new Prolong Ring is a marvel of engineering. Quite simply, it allows you to stay as hard as you want, as long as you want! When your erection is as big and hard as you can make it, slide the ring on. The open ended design fits any size penis. It fits at the base of the penis shaft, where it does the job thoroughly, discreetly, undetected. It never interferes with stroking action – EVER! Watch your penis jut up and out – and stay that way until you release the ring! Imagine lovemaking when you have the confidence of complete erection control literally at your fingertips!

*Only* **$12.95**

# DR. BROSS PENIS ENLARGEMENT

## *You can have a longer, thicker, harder penis now!*

Our customers tell us 9 inches...10 inches... even a BIG 12 inches is possible!

**You can have a powerful erection and stay hard as long as you wish!**

My name is Dr. Bross and I want you to know that the *Penis Vacuum Pump* is an effective method for penis enlargement. It is also becoming the #1 medical treatment for impotence and premature ejaculation and to increase sex drive and sexual performance.

• The small flaccid penis before using the Penis Pump.

• Pumping up with the world's largest selling Penis Pump.

• After using the Penis Pump a harder and much longer penis.

• After using the Penis Pump even without an erection the penis "hangs" thicker and longer.

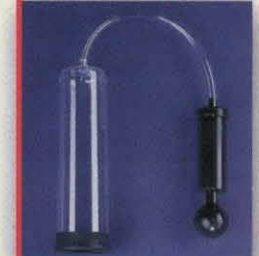

**Why my Complete Penis Enlargement System will work for you where others fail.**

I have included in my system an easy to follow step-by-step instructional video and magazine and the worlds largest selling penis vacuum pumps used successfully for 25 years and with over 10 million satisfied customers.

You will see how other men succeed and reach **mammoth proportions**. By following the instructions and demonstrations you can also be successful with our Penis Enlargement Pumps.

Pumps sold by mail order dealers used for masturbation (squeeze bulb pumps, pumps requiring erection rings, massage pumps with vibrating electric motors) **do not** create enough vacuum to enlarge your penis

**To be successful you need our "made in the U.S.A." power pumps with the *extra long* 10 inch piston assembly that creates more vacuum than any pump available at any price.**

Deluxe Stroker Penis Pump $24.95

Super Power Trigger Pump $39.95

Important- We offer the Stroker and Power Trigger Pump that helps you maintain an erection without using a prolong or erection ring.

Do not accept any substitutes from mail order dealers at any price. This is the original **Dr. Bross Complete Penis Enlargement System.**

You can order with your Visa, Mastercard and American Express credit card. Phone in your order toll free or fax your order for immediate delivery.

**This is why your penis can be enlarged.**

Approximately 2/3 of your penis is made up of muscle tissue called corpus convernosum and that tissue can expand. Penis Enlargement uses a process called hypermiation. Blood rushes into the muscle tissue causing the penis to expand to your maximum potential.

**What my Penis Vacuum System can do for you.**

1. Increase penis length and thickness.
2. Stimulate a harder and more powerful erection.
3. Exclusive design helps maintain your erection for as long as you wish without an erection or prolong ring.
4. Increase confidence, sex drive and sexual performance.
5. Intensify your orgasm.

**How to order my Complete Penis Enlargement System**

The same type of pumps prescribed by doctors can sell for up to $500.00. I have made special arrangements for you to buy my system direct from the manufacturer at a tremendous savings and a prescription is not required.

### WORKS ON NATURAL PRINCIPLES... NO GUESSWORK... NO MUMBO-JUMBO!

The male erection is produced when blood flows into the special *bulbocavernosus* muscles inside the penis shaft. As these muscles fill, the penis **increases in diameter and thickness.** By increasing their capacity as the SUPRA-12 does, they can hold more blood, resulting in **A DRAMATICALLY LONGER, THICKER ERECTION.** Users of SUPRA-12 say they're **"truly astounded"** when they see their penises reach **startling new proportions** inside the chamber of the SUPRA-12. **And you will be too!**

### THE SUPRA VALVE & SENTRY PROLONG RING ARE FEATURES NO OTHER MANUFACTURER OFFERS!

Getting a huge, fat erection is one thing... *keeping it* is another!! That's where the features of the SUPRA put it miles ahead of its competitors! The patented SUPRA Valve "locks in" the vacuum power for the **biggest size possible in the shortest amount of time.** And with the SENTRY Prolong Ring, you **can stay as hard as you want, for as long as you want.** The nearly invisible SENTRY rests comfortably at the base of your penis, maintaining **your dynamic "super erection"** indefinitely, but never interfering with your pleasure - EVER! *You can penetrate your sex partner deeply, enjoying intercourse more than ever before, because the Sentry GIVES YOU COMPLETE ERECTION CONTROL!*

### ACKNOWLEDGED SAFE AND EFFECTIVE... AN INCREDIBLE VALUE... 3 MODELS TO CHOOSE FROM!

According to **U.S. News and World Report,** Vacuum Pumps and Rings are "simple, safe and effective" (8/24/92). The SUPRA-12 is the World's Best Selling line of Penis Enlargement and Erection Building systems, and at a price that is an international "Best Deal!" # O. J. Inc.

**Simpson has applied to trademark a series of pending specialized products, including a personal line of cutlery.**

recouped financially for lost respect with his best-seller *In Contempt*. The disgraced prosecutor also reaped movie rights with Paramount and a cushy commentator gig with CNBC.

According to *Newsweek*, defense attorneys **Barry Scheck** and **Peter Neufield** are "possibly the only [principals] not writing a book on the trial."

Scheck and Neufield are writing screenplays, developing a TV drama for CBS based on their involvement in the Simpson trial and their specialty, the use of DNA evidence. Terms are undisclosed, but surely these two bulldogs can gnaw off a meaty deal like they chewed up Dennis Fung.

## PUBLIC RELATIONS

The O. J. Simpson killings were such good entertainment product, they virtually sold themselves. But without the peripheral cast of sycophants and commentators to hype the trial, the O. J. bull market never could have run as long as it has.

Funny-face **Faye Resnick**, Nicole's lascivious best friend, laid her chips down with the publication of *Nicole Brown Simpson: The Private Diary of a Life Interrupted.* Resnick's tell-all about her dead buddy's sexual exploits roared up the best-seller list in the early days of the trial, selling more than 500,000 copies. Restless after an absence from the public eye, and eager to publicize her battle against domestic abuse, Resnick posed naked for the March 1997 *Playboy*.

O. J. Simpson's former girlfriend **Paula Barbieri** turned the same tricks in reverse order, spreading for Hefner back in October 1994, but only recently signing on with Little, Brown for an upcoming kiss-and-tell memoir of the days leading up to and after the murders. Barbieri's advance: $3.5 million.

O. J.'s Bronco-driving main man, **Al "A. C." Cowlings**, checked in on the action with the "Ask A. C." phone line. To hear the ex-lineman's observations on the trial proceedings cost just $2.99 per minute. No dumb jock, A. C. padded his wallet with $300,000 in the line's first month of operation.

Joining A. C. on the money train is famous racist **Mark Fuhrman**. Fuhrman recently broke his foolish, prideful silence regarding the Simpson case and hit the interview circuit to plug his new book, *Murder in Brentwood*.

Unable to fetch a gargantuan lump sum such as Barbieri's or A. C.'s, the members of the O. J.-commentator cottage industry are looking for their next cash cow. **Dominick Dunne**, **Greta Van Susteran**, **Robert Philibosian**, **Harry Shearer**, **Jeffrey Toobin**, **Peter Arenella**, **Linda Deutsch** and **Gerry Spence** can only hope that the JonBenet Ramsey case in Colorado will be as bountiful a meal ticket. "I think that a certain percentage of the 'commentariat' has long since made plane reservations for Denver," says Shearer.

Exploiting Simpson-trial blather and outrage as grist for his hit show *Rivera Live*, **Geraldo Rivera** has become the highest-paid Hispanic entertainer in America, pulling down a fabulous $32.5 million per annum. Currently developing show concepts for the Ennis Cosby and JonBenet Ramsey murder cases, Rivera pooh-poohs the fussy notion that he is devaluing other people's pain to feed his own bank account. "We have this self-loathing in the media, like, 'Aren't we awful?' I think it's time to get over it. This is what we are."

## THE CORPORATE MASCOT

**O. J. Simpson**'s attempts to reap dividends from his own infamy have been feeble since the glory days of *I Want to Tell You.* A post-acquittal videotape with O. J. about the murders was a thunderous bomb. At $19.95 a pop, the tape sold fewer than 40,000 copies, netting Simpson a paltry $100,000. (*I Want to Tell You* garnered a stratospheric $1.4 million, sadly earmarked for O. J.'s legal expenses.)

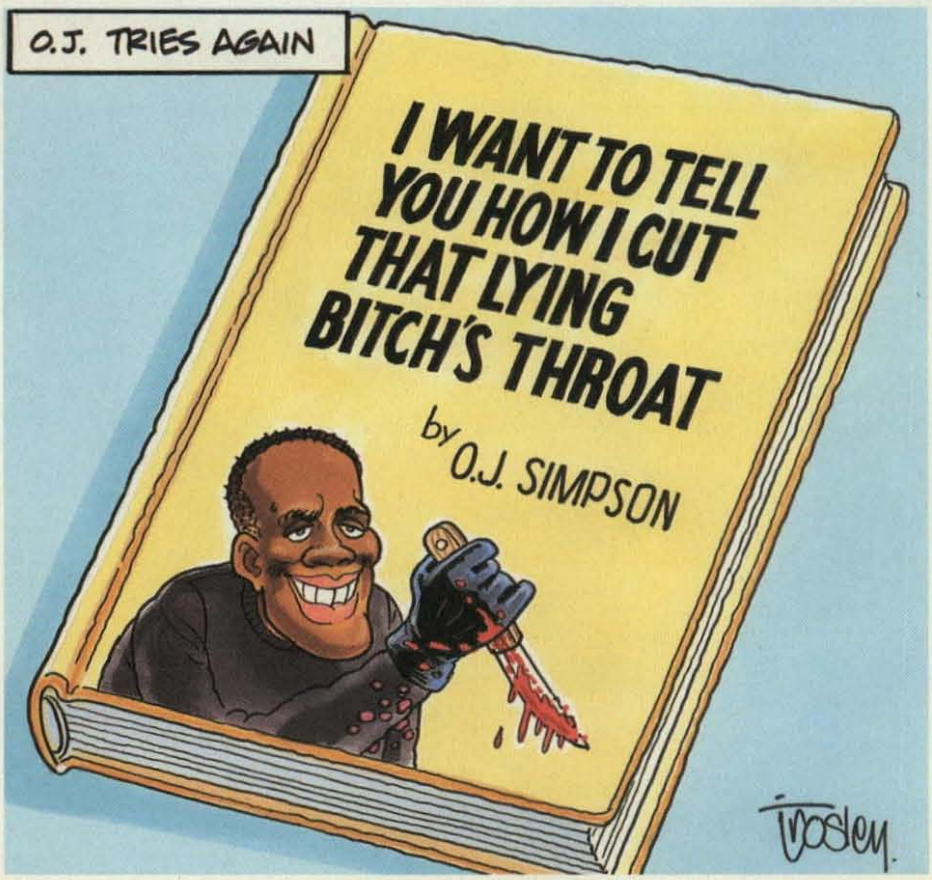

Now working from a $33.5-million hole, O. J. is tallying the liquid assets that poured in after a flurry of post-decapitation profiteering.

Simpson signed 19 contracts after the evisceration of Ron and Nicole, including a $1-million agreement for a photo scrapbook that would include "The Cemetery Photographs"—a thoughtful collage of O. J. and his kids posing near Nicole's burial plot.

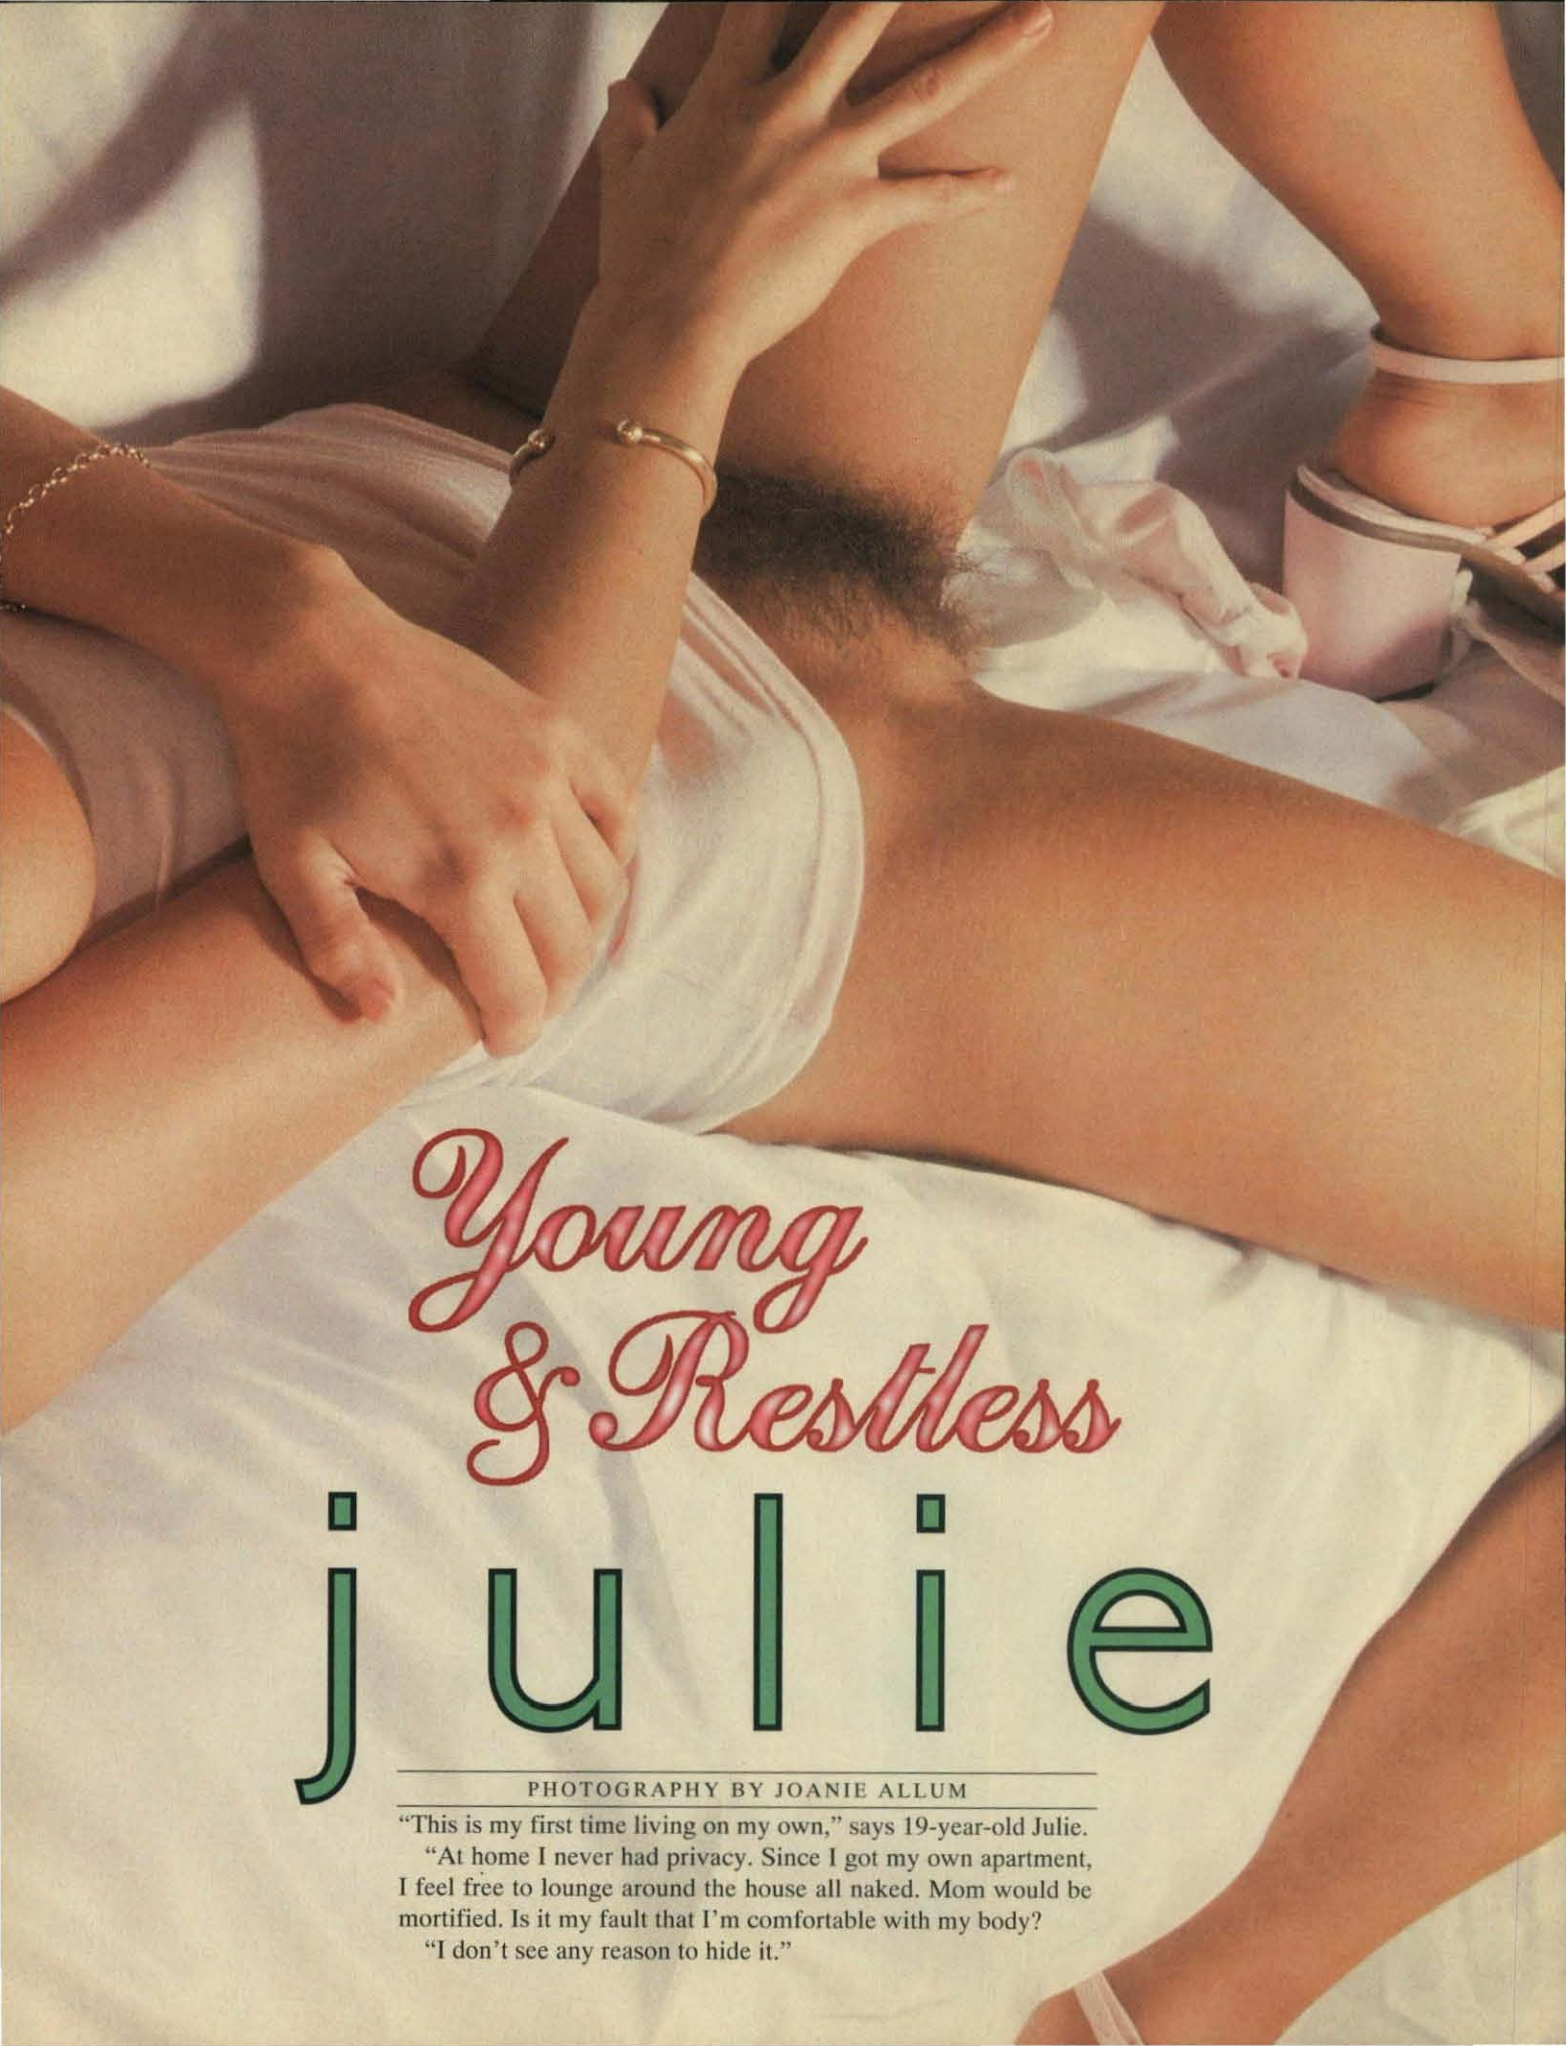

He also autographed thousands of trading cards, birthday cards, pre-paid calling cards and football helmets and agreed to authorize official "O. J. Simpson" statues, gold medallions and a limited edition of color lithographs.

Simpson has applied to trademark a series of pending specialized products, including a personal line of cutlery.

Plaintiffs in the civil trial showed that O. J. has earned more than $3 million from his participation in the Brentwood murders, a mere fraction of the punitive damages the jury has ordered him to pay. Ironically, O. J. Simpson is the one player, other than Nicole Brown and Ron Goldman, for whom the Crime of the Century didn't pay.

PHOTOGRAPHY BY JOANIE ALLUM

"This is my first time living on my own," says 19-year-old Julie.

"At home I never had privacy. Since I got my own apartment, I feel free to lounge around the house all naked. Mom would be mortified. Is it my fault that I'm comfortable with my body?

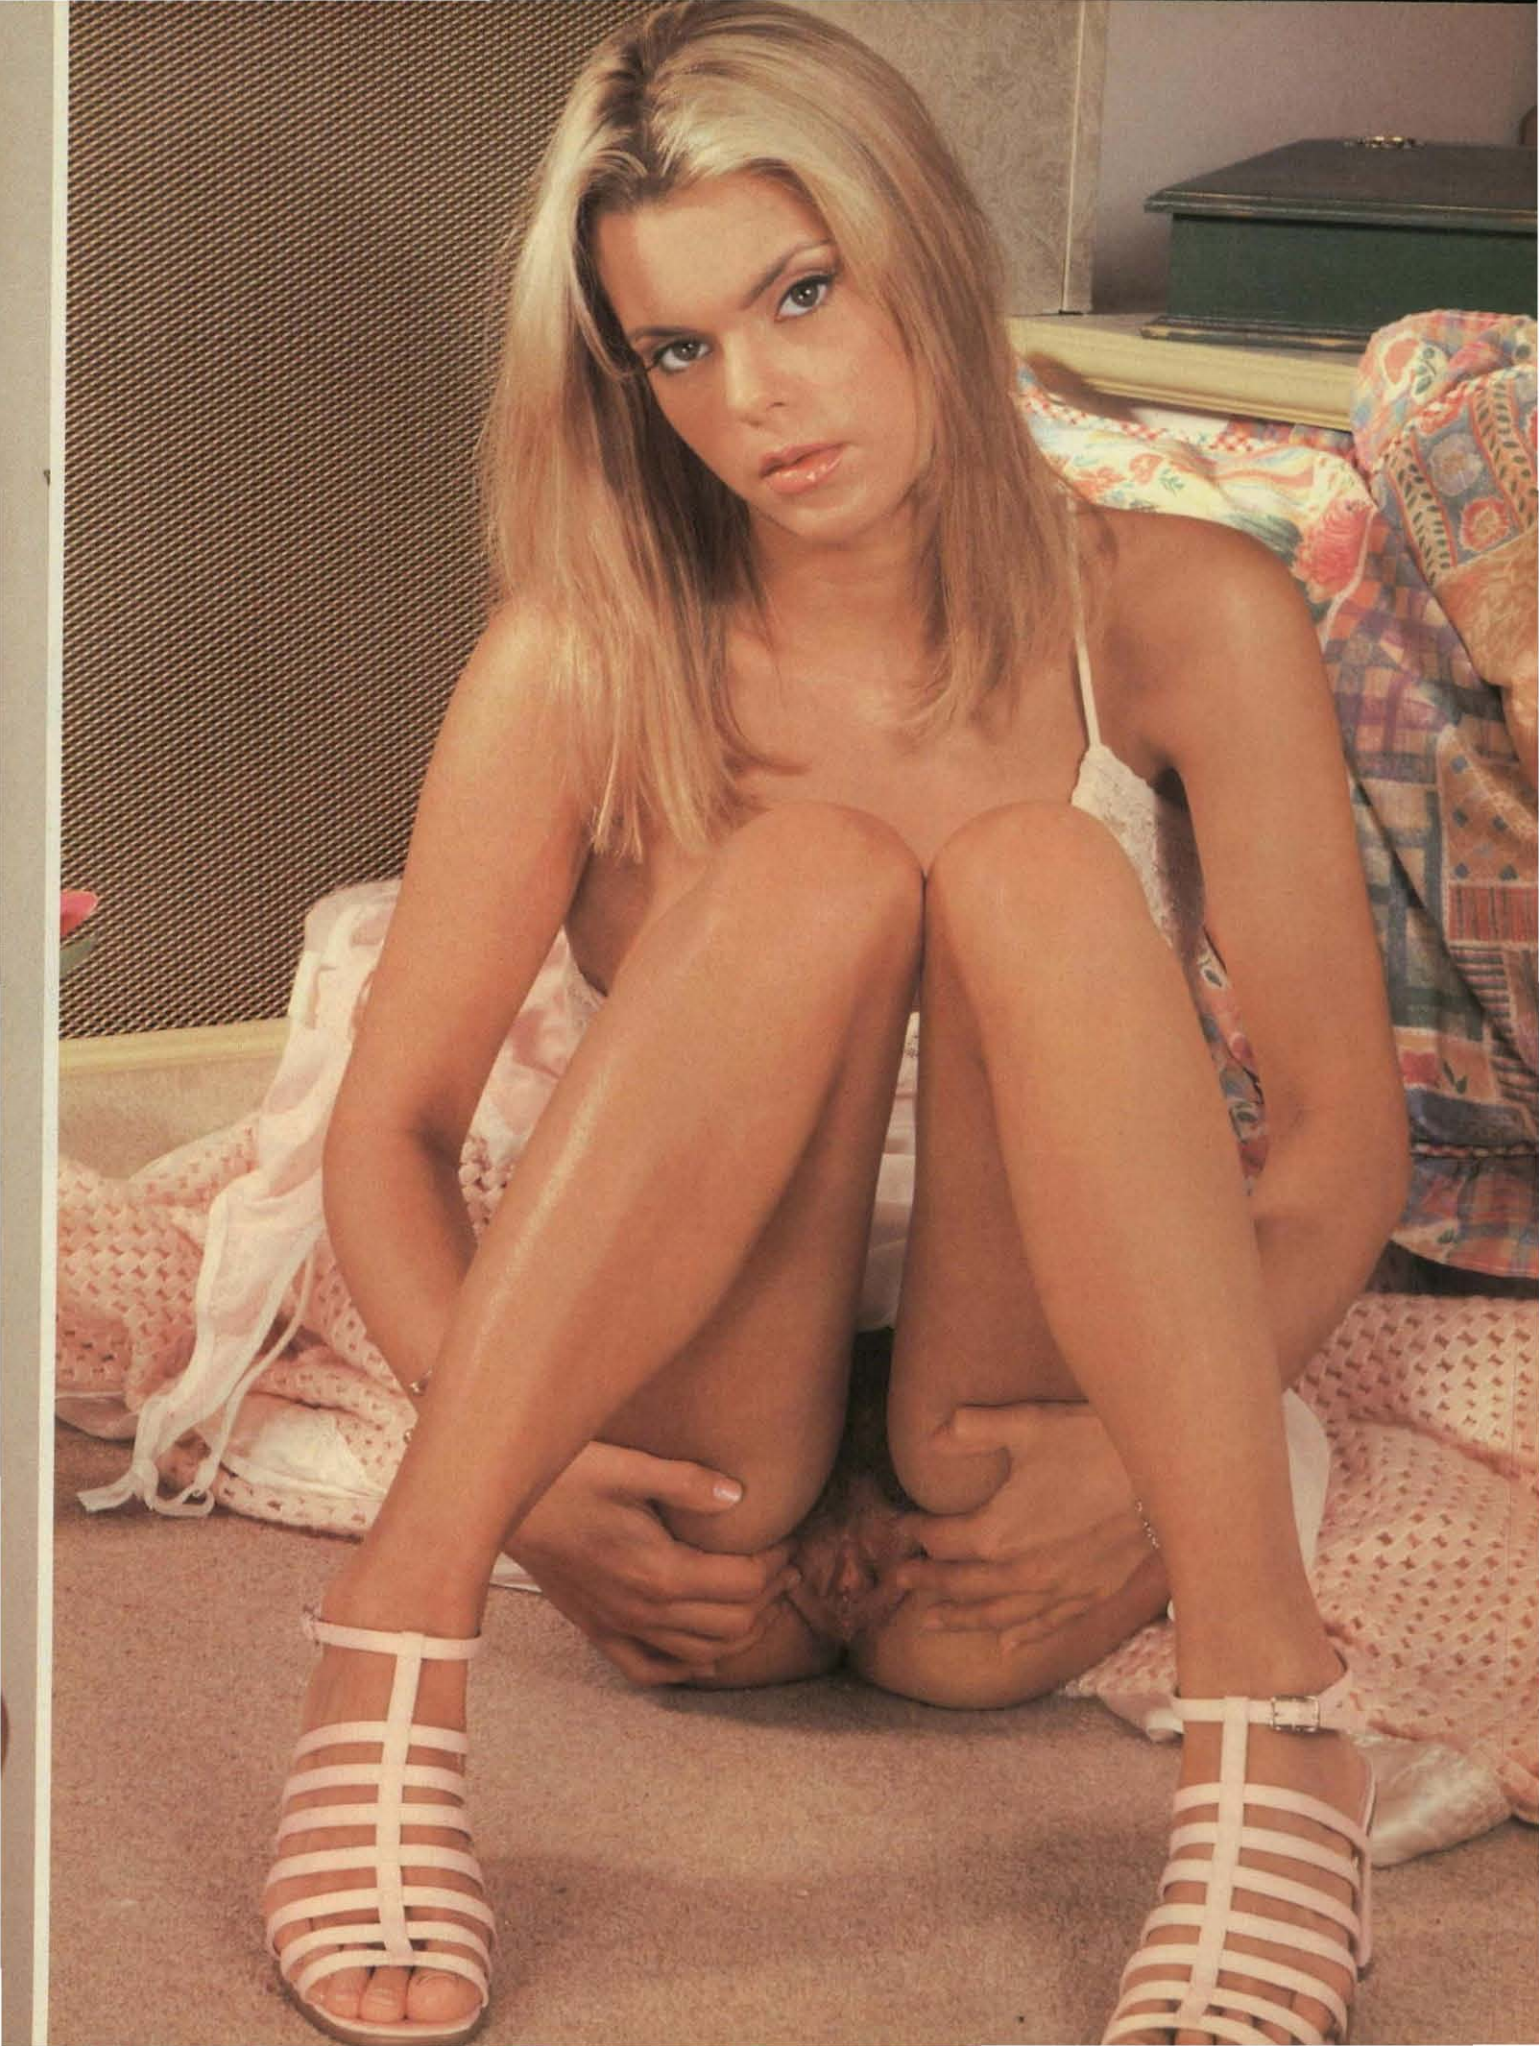

"I don't see any reason to hide it."

### NATURE'S BOUNTY

September is harvest time at HUSTLER, and we're bringing in a bumper crop of delights: The tits are ripe this season, the asses sweet and ready for canning and the honey holes so moist and tight, they'll crack the hardest nut. An apple-cheeked blonde is plucked in the pink of freshness; a lush Hawaiian maiden, sweet coconuts heavy with milk, leis herself wide open; a golden girl explores her fertile valley; a party pussy sows her wild oats; poolside, two horny harlots dive into each other's deep end; and at a job site, a double-decked woodworker polishes her foreman's tool until he drives in a screw. In September, HUSTLER's Honeys do the dirty work: They're a sweet row to hoe.

### ROOTS OF EVIL

When Russian-born oil engineer George de Mohrenschildt blew his head off with a shotgun in March 1977, he left behind a tracery of connections to Lee Harvey Oswald, George Bush, LBJ, the CIA, the Texas oil cartel and clothing designer Oleg Cassini. Through an intricate, shadowy web, these men of influence and destiny are all tied to de Mohrenschildt, to an ominous CIA-run office building in Dallas and quite possibly to the assassination of JFK. In *Who Is George De Mohrenschildt? The Texas Connection to Dead JFK*, investigator Bruce Campbell Adamson profiles this missing link to America's dark past.

### THE GRAPES OF ASS

When an over-the-hill, out-of-shape truck driver lands a horny babe 20 years his junior with a taste for anal fun, he figures it's his last shot at the good life. But in *Honeysuckle and Barbed Wire*, a story by Al Masarik, every piece of ass has its price tag, and getting older doesn't always mean you're getting wiser.

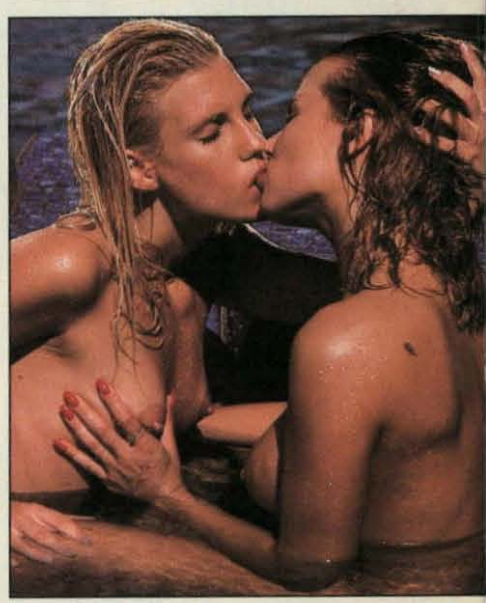

### FRUITS AND NUTS

Does a male butthole by any other name smell as queer? In September's *Sex Play*, "The Homo Within: So-Called Straights Who Fuck Drag Queens," correspondent Sean Lopresti uncovers a shadowy netherworld where construction workers, married stock traders and supposedly straight men fuck other men dressed as women. *Bits & Pieces* launches the "Make Your Own Scandal" contest, where readers see if their depraved imaginations can compete with sleazoid celebrity reality; *Erotic Entertainment* safaris in search of the wild bushwomen; and *Beaver Hunt* dives for fresh clams and comes up with pearls. It's open season in September's HUSTLER. Shoot us your best shot.
